 Winner of a 2017 NAACP Image Award for Outstanding Literary Work, this moving manifesto "empowers women to access a fearlessness that will enable community progress" (Essence). Through one incredible woman's journey from a small Zimbabwe village to becoming one of the world's most recognizable voices in women's empowerment and education, this book "can help any woman achieve her full potential" (Kirkus Reviews). Before Terera Trent landed on Oprah's stage as her "favorite guest of all

time," she was a woman with a forgotten dream. As a young girl in a cattle-herding village in Zimbabwe, she dreamed of receiving an education but instead was married young and by eighteen, without a high school graduation, she was already a mother of three. Tererai encountered a visiting American woman who assured her that anything was possible, reawakening her sacred dream. Tererai planted her dreams deep in the earth and prayed they would grow. They did, and now not only has she earned her PhD but she has also built schools for girls in Zimbabwe, with funding from Oprah. *The Awakened Woman: A Guide for*

Remembering & Igniting Your Sacred Dreams is her accessible, intimate, and evocative guide that teaches nine essential lessons to encourage all women to reexamine their dreams and uncover the power hidden within them—power that can recreate our world for the better. Tererai points out that there is a massive, untapped, global resource in women who have, for one reason or another, set aside their wisdom, their skills, and their dreams in order to take care of the personal business of their lives. Not only is this a type of invisible suffering experienced by countless women, this rich resource is a secret weapon for improving our world.

Women have the capacity to inspire, to create, to transform—and Tereraí’s call to action “shines as a beacon of hope to women everywhere” (Danica McKellar, actress and New York Times bestselling author).

How many self-help books are written by authors whose biggest success is selling self-help books? Three Simple Steps is different. Despite stock market crashes, dot-com busts, and the specter of recession, the author started a virtual company from home, using a few thousand dollars of his savings. A few years later, without ever hiring an employee or leaving his home

office, he sold it for more than \$100 million. As the economy slipped into another free fall, he did this again with a company in a different field. He accomplished this through no particular genius. Rather, he studied the habits of the many successful men and women who preceded him, and developed three simple rules that, if followed diligently, virtually ensure success. Using them first to escape poverty, then to achieve a life of adventures, he finally turned them toward financial independence. Written in a straightforward and no-nonsense style, Three Simple Steps shows you how to take back control of your destiny and reshape your mind for

increased creativity, serenity and achievement. While building on the wisdom of great thinkers and accomplished individuals from East and West, *Three Simple Steps* isn't a new age text or guide to esoteric fulfillment. Rather, it's a practical guide to real-life achievement by a pragmatic businessman who attributes his incredible successes to these very simple ideas. *Three Simple Steps* is a must-read guide for everyone who wants to achieve more, live better and be happier. *To Dream the Impossible Dream* Brandy A Coffee Marks, DRS

Everyone has a dream that may seem impractical to others but, God wants us to believe not only in the impractical but in the impossible. Whether agnostic, new believer, or backslider seeking to renew their relationship with God this book is applicable to all. "Impossible Dreams" shows how to have your dreams become a reality by following the life and teachings of Jesus Christ in these seven simple steps. (1) Aim for your dream; (2) Believe by faith; (3) Confess your faith; (4) Discipline your body,

mind, and emotions; (5) Effectively express yourself; (6) the Forgiveness process; then, (7) Give as you have received. If you are ready to see your dreams a reality, then this book is for you! Three Simple Steps Independently Published God has a dream for you, and if you will seek Him, He will reveal and guide you to it. Living your dreams isn't easy. It takes persistence and tenacity, along with faith in yourself, in God, and in the vision He has given you. In this small book, Jentezen Franklin gives you a powerful message of hope: you can do it! The question is not can you dream, but do you have the courage to act on it? Is there a dream in your

heart? Has life buried it? Have others told you it's too late? Don't you believe it! Using personal experiences and examples from biblical characters who pursued their dreams to the end, Franklin shows you how to find and walk out your God-given vision for your life.

Simple Steps to Success Simon and Schuster

MEANT FOR THIS is for anyone with a dream inside their heart they can't ignore. The kind of dream that feels too big, or too impossible to ever become a reality. Whether you've put it on the back burner for years, or you've been working towards it your whole life, this book will breathe new life into it and create a whole new world of

possibility. As artists and dreamers, we're flooded with discouraging rhetoric: "That dream is going to be really hard." "Good luck winning the lottery!" "Do you really want to be a starving artist?" Not only does this tempt people to pursue something more "realistic," but it also robs us of hope and sticks us with a dead end. Meant For This is just the opposite. Finally, a book that understands the artist's journey and guides you with a refreshingly motivating perspective. Through 20 chapters of personal stories, exercises, and actionable content, Hollywood's Success Coach Erica Wernick shows you the strategies and mindset that has helped countless artists turn

their biggest dreams into reality. Erica has built a career providing support and strategy in a way that was desperately needed in the Hollywood industry. Between Erica and her clients, they've booked work on over 60 television shows and films on Netflix, Hulu, HBO and every other major network under the sun, working with A-listers, starting their own companies, and landing opportunities they never had before. This book will: Give you permission to dream as big as you possibly can Show you how to access your Star Power to unlock bigger opportunities Help you map out a brand new strategy for your biggest dream Make you feel seen and heard as an artist like you've never felt

before Inspire you to stop settling and finally lead the extraordinary life you desire Erica first walks readers through the mindset of a High Achiever. It's about accessing your Star Power and taking on a set of beliefs that unleash your potential like never before. You want to achieve the exceptional? You want to achieve what most people never will? It starts within. You have to be exceptional to achieve the exceptional. Then Erica shows you how to tangibly make your dreams happen. Once you become the person you're meant to be, you can take the actions that will propel you forward. Erica digs in deep to practical strategies about making connections, asking for what you

want, and creating the most effective plan for even the biggest dreams. The last section of the book covers the edge. It's the power behind the truly exceptional results. From breaking the rules, to expecting miracles from the Universe, this section is the cherry on top of the cake. It's what successful people do differently, beyond the principles we've heard before. People who succeed at high levels do things differently. Meant For This will show you exactly what they're doing and how you can achieve everything you feel meant for. This book gives stars permission to call themselves Stars. It gives dreamers the courage to do the big things in their heart. When you

don't achieve something you feel you're meant for, the agony is one of the most excruciating experiences. This book ends that pain, replaces it with joy and epic fulfillment, and subsequently expands the light in a ripple effect of dreams realized. No dream is too big or too impossible. If it keeps whispering to you, it's time to answer the call and live the life you've always dreamed of.

Racism and healthcare disparities have always been a problem in the Black community, especially small country towns. This

book illustrates how a poor Black boy at the age of twelve watched his mother almost die from the lack of adequate health care from a White doctor. I come from a very poor family of eleven children, poor education environment, low self-esteem, and with no Black professionals except for Black teachers to inspire me and other Blacks in the community; but at the age of twelve, I promised my mother that one day I would become a doctor so that Blacks would not have to suffer from the lack of adequate health care. The promise to my mother was "an impossible dream." By reading this book, you will learn how the miracles of God navigated my crooked

journey and how the impossible was made possible, and I was able to obtain a Bachelor of Science, Master of Science, two years on a PhD program before completing a medical degree. Along with other health care providers, I was able to organize a not-for-profit organization to decrease healthcare disparities in the Black community.
