At age twenty six, Agatha Raisin has already come a long way. She has clawed her way up since leaving the Birmingham slum where she was born. She's lost her Birmingham accent, run away from her drunken husband, and found a job at a public relations office as a secretary. Then her boss asks Agatha to go to the home of Brian Devese to tell him that he is soon going to be arrested for the murder of his wife and that the agency no longer wants to represent him. Brian, impressed with the pugnacious Agatha, asks her to handle PR for him and even offers her an

office and tells her she can hire a staff. Certainly the best thing Agatha can do for her first client is to find out who really murdered his wife and clear his name. And with her wits and gumption, Agatha sets out to do just that. New York Times bestseller M. C. Beaton's Agatha Raisin—now the star of a hit show on Acorn TV and public television—is beloved by millions and this brand new short story take us back to where it all began with Agatha's first case. [Christmas With Agatha Christie](#) BEYOND BOOKS HUB

The Perfect Paragon continues the tradition in M. C. Beaton's beloved Agatha Raisin mystery series—now a hit show on Acorn TV and public television. After being nearly killed by both a

hired hit man and her former secretary, Agatha Raisin could use some low-key cases. So when Robert Smedley walks through the door, determined to prove that his wife is cheating, Raisin Investigations immediately offers to help. Trouble is, Agatha hates divorce cases--especially when the client is as pompous as Smedley--but she has a business to run and she's not about to turn away a paying customer. Unfortunately for Agatha, Mabel Smedley appears to be the perfect wife, young and pretty and a regular volunteer at church. Although Smedley's case doesn't look promising, Agatha's attentions are diverted when she stumbles across the body of missing teenager, Jessica Bradley. In a

sudden gesture of kindness (and good public relations), Agatha offers to investigate Jessica's death free of charge. As Agatha juggles her two biggest cases, things are turned upside down when Robert Smedley is found poisoned in his office. The prime suspect, his sainted wife Mabel, immediately hires Agatha to find the real killer. With the help of her old friend, Sir Charles Fraith, and some newly hired staff, Agatha Raisin sets off on another adventure solving crime in the English Cotswolds.

The Mysterious Affair at Styles Harper Collins
 Agatha Christie was the author of over eighty novels and over a dozen plays, including *The Mousetrap*, the longest continuously running play in theatrical history. Her books have been translated into more languages than the works of Shakespeare. Agatha Christie's first home was at Ashfield in Torquay, a house that she retained for nearly half a century, until she sold it in 1938 in order to buy Greenway, her "dream house" on the River Dart. She spent all her summers there till she died in 1976. It was, she wrote: "the loveliest house in the world."

Now owned by the National Trust, Greenway was opened to the public in 2009. Both Devon homes, which featured in several of her novels and stories, were central to Agatha's life, but she also loved the process of acquiring and planning houses in other places – from Sunningdale to Baghdad: at one time, before the Second World War, she owned eight properties in London. Her enthusiasm for buying, restoring and decorating houses is one of the lesser-known aspects of her life, but one that was very important to her. *Agatha Christie at Home* – illustrated with photos of her life, her homes and of the Devon she loved – recounts this side of her life, and its author, Hilary Macaskill, writes about some of the houses Agatha Christie lived in, her relationship with the staff who ran them, and her love of domesticity. Illustrated with rarely-seen archive images and evocative photographs of Greenway and the surrounding countryside, *Agatha Christie at Home* provides an insight into the life and work of a much-loved author. *Dishing the Dirt* Concord Theatricals
 First published in 1920,

The Mysterious Affair at Styles was Agatha Christie's first novel. It introduced the world to Hercule Poirot, Christie's Belgian detective, who would go on to be featured in 39 of her novels. The mystery begins with the death of Emily Inglethorp at Styles, a manor in the English countryside. Captain Hastings, a guest at the house, calls upon his friend Poirot to help investigate. The obvious suspect is Emily's husband, who stood to inherit a large fortune upon her death. But the timeline doesn't quite work out, and Poirot must delve further into the lives and motivations of the family living at Styles to uncover who could have poisoned Emily with strychnine and why. Fans of the genre will enjoy introducing themselves to or rediscovering Agatha Christie, considered one of the great mystery writers of all time, with this classic tale of whodunit from the golden age of mystery. British novelist DAME AGATHA CHRISTIE (1890-1976) wrote more than 80 books, and is most famous for mystery series featuring detectives Hercule Poirot and Miss Marple. She is the best-

selling fiction writer of all time, with more than one billion copies of her books sold in the English language, and another billion in 103 other languages.

The Mysterious Affair at Styles is a detective novel by Agatha Christie. Styles was Christie's first published novel. It introduced Hercule Poirot, Inspector (later, Chief Inspector) Japp, and Arthur Hastings. Poirot, a Belgian refugee of the Great War, is settling in England near the home of Emily Inglethorp, who helped him to his new life.

His friend Hastings arrives as a guest at her home. When the woman is killed, Poirot uses his detective skills to solve the mystery. This is also the setting of Curtain, Poirot's last case. The book includes maps of the house, the murder scene, and a drawing of a fragment of a will. The true first publication of the novel was as a weekly serial in the *The Times*, including the maps of the house and other illustrations included in the book. This novel was one of the first ten books published by Penguin Books when it began in 1935. This first mystery novel by Agatha Christie was well received by reviewers. An analysis in 1990 was positive about the plot, considered the novel one of the few by Christie that is well-anchored in time and place, a story that knows it describes the end of an era, and mentions that the plot is clever. Christie had not mastered cleverness in her first novel, as "too many clues tend to cancel each other out"; this was judged a difficulty "which Conan Doyle never satisfactorily overcame, but which Christie would."
