12.5 million Africans were shipped to the New World during the Middle Passage. While just over 11.0 million survived the arduous journey, only about 450,000 of them arrived in the United States. The rest-over ten and a half million-were taken to the Caribbean and Latin America. This astonishing fact changes our entire picture of the history of slavery in the Western hemisphere, and of its lasting cultural impact. These millions of Africans created new and vibrant cultures, magnificently compelling syntheses of various African, English, French, Portuguese, and Spanish influences. Despite their great numbers, the cultural and social worlds that they created remain largely unknown to most Americans, except for certain popular, cross-over musical forms. So Henry Louis Gates, Jr. set out on a quest to discover how Latin Americans of African descent live now, and how the countries of their acknowledge-or deny-their African past; how the fact of race and African ancestry play themselves out in the multicultural worlds of the Caribbean and Latin America. Starting with the slave experience and extending to the present, Gates unveils the history of the African presence in six Latin American countries-Brazil, Cuba, the Dominican Republic, Haiti, Mexico, and Peru-through art, music, cuisine, dance, politics, and religion, but also the very palpable presence of anti-black racism that has sometimes sought to keep the black cultural presence from view.		Shreds of Tenderness is a heart-rending, masterfully crafted play which is replete with shocking revelations and reversals. Not long ago, a tyrant took over the reins of government and unleashed terror throughout the Motherland. Wak fled. Throughout the first half of the play, we are led to believe that Odie, Wak’s brother, is the innocent homeboy with the right to speak for those who remained to fight for the Motherland. Conversely, Wak is depicted as a pest of the highest order who comes home from a "comfortable" exile to sponge on the hard-earned harvest of those who stayed, fought and brought a semblance of peace to the nation. Some things are not what they seem to be, or are they? Wak unexpectedly comes back home. What follows is one of the most brilliant creations of any drama.

With this phrasebook you will never run out of things to say! Make the most of your trip to Japan with The Rough Guide Japanese Phrasebook.		This massive authoritative Swahili dictionary, is the most definitive and comprehensive in existence. It has taken a team of lexicographers and academics fourteen years to prepare, with the support of the Institute of Kiswahili Research in Dar es Salaam. The last comparable edition was in 1939, and was primarily intended to help the user to comprehend English texts. The dictionary records new words and meanings of words which the language has acquired since 1939; and provides lexicographical information needed by current dictionary users.There are more than 50,000 entries, with an attempt to give every English word an equivalent in Swahili, or otherwise a phrase; and the vocabulary covers both general and specialized language. Guidance is provided on use and connotation, word formation and syntax, and derivatives and compounds of a headword are explicitly shown in each entry. The full information and arrangement given for each entry is: headword, homographs, wordclass, alternative spelling of a headword, cross-reference, gloss, definition, subject label, usage label, regional label, senses separated by numbers, illustrative examples, compounds, derivatives, and adjectival complementation.

This paper discusses the use of interest rates as the operating target for monetary policy in Tunisia and the roadmap for establishing the other building blocks of an inflation targeting framework. It argues that strengthening the effectiveness of the current monetary policy framework will facilitate the adoption of inflation targeting over time.		Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover

Blossoms of the Savannah is the story of two sisters, Taiyo and Resian, who are on the verge of womanhood and torn between their personal ambitions and the humiliating duty to the Nasila tradition. Relocation to their rural home heralds a cultural alienation born of their refusal to succumb to female genital mutilation and early marriages. In pursuit of the delicate and elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape.		We're sailing to Scranimal Island, It doesn't appear on most maps.... Scranimal Island is where you will find the fragrant Rhinocerose, the cunning Broccolions, and if you are really, really lucky and very, very quiet, you will spot the gentle, shy Pandaffodil. (You may even hear it yawning if the morning's just begun, watch its petals slowly open to embrace the rising sun. So put on your pith helmet and prepare to explore a wilderness of puns and rhymes where birds, beasts, vegetables, and flowers have been mysteriously scrambled together to create creatures you've never seen before -- and are unlikely to meet again! Your guides -- Jack Prelutsky, poet laureate of the elementary school set, and two-time Caldecott Honor artist Peter Sis - invite you to join them on an adventure you will never forget! Ages 4+

		This book presents an international perspective of the influence of educational context on science education. The focus is on the interactions between curriculum development and implementation, particularly in non-Western and non-English-speaking contexts (i.e., outside the UK, USA, Australia, NZ, etc.).
		A Doll's House International Monetary Fund
		When A Doll's House was first published in 1879 it created a sensation. The play follows the ordinary life of a housewife. Gradually the tensions within her marriage become clear and build to a final, stunning action. The play is widely studied because of its sharp critique of 19th century marriage norms, and its feminist tendencies. As part of our mission to publish great works of literary fiction and nonfiction, Sheba Blake Publishing Corp. is extremely dedicated to bringing to the forefront the amazing works of long dead and truly talented authors.

Full color.
		Science Education in Context Rough Guides UK
		Although grammatical agreement or concord is widespread in human languages, linguistic theorists have generally treated agreement phenomena as secondary or even marginal. All the papers in this volume, however, take agreement phenomena seriously, as presenting either a general issue in theory construction or a descriptive problem in particular types of languages. The theoretical perspectives range from purportedly theory-neutral typological frameworks to assumptions about the validity of one or another current formal model. Further, the degree of generality ranges from a universalist nature-of-human-language agenda to concern with one or another aspect of grammatical agreement or with agreement in a single language or language group.

		SWAHILI: Katika Nyayo za Obama msomaji atasoma juu ya mambo makuu matatu: maisha ya rais Barack Husein Obama kuanzia kwa wazazi wake na jinsi walivyokutana, hitilafu zilizowatanganisha, utoto wake na hadi hapo aliko kwenye kilele cha siasa ; nchi ya Marekani iliyompa fursa, hasa kuhusu uanuwai wa watu wake, siasa yake, na sifa zake mashuhuri za masoko makubwa ya kimataifa na hisani yake kwa nchi zingine; na msomaji atamaizi nafasi pekee lugha ya Kiswahili iliyo nayo katika kufungamanisha jumuia za mataifa ya Afrika ambayo mengi bado yanatumia lugha geni kwenye fasihi rasmi za kisiasa na kisheria, na pia ni lugha pekee ambayo vyanzo vyake ni anuwai ya kutosha kuzungumzwa kote barani. Mwishowe, kuna orodha ya msamiati mpya uliotumika katika fasihi kwa minajili ya kuneemesha welekevu wa mada za karne ya mitandao na utandawazi. ENGLISH: Nyayo za Obama is a literary piece of work that tells the story of US president Barack Obama, starting with his ancestral connections in Africa to the nation of liberty, opportunity and justice for all- the United States of America. It is a compilation of anecdotes that tracks his life through a variety of socioeconomic and geographic influences which shaped his vision of himself and that of the world around him, and how he walked a tight rope of racial diversity he found in his life. It discusses his early career as a community organizer and how that experience led him to a meteoric political career and seemingly insurmountable challenges he had to face, first in his own state of Illinois and eventually on the natioanl scene. The book discusses the Obama’s political success in the context of a nation that, though still suffers the social-economic scars of slavery and racial preferences, has been steadily changing in many ways for

the better, enough to allow the election of its president from a race that was once doomed to slavery and human indignities. It highlights the salient qualities of its kind of democracy predicated on the founding documents and economic freedom which makes it the market of the world; it informs about the nation's history as the most charitable nation in the world and the champion of the rule of law and equal opportunity for all. It is written in the Swahili language, which is the lingua franca of several nations in Eastern and Central Africa regions of the continent, and the most important African language south of the Sahara desert. It will be among few books in Swahili that provides expositions about the United States and its history and the changing face of its people, economy and its role in the global village. The book comes with a list of vocabulary of English translations of some of the words that have been used but may not be common in the available Swahili literature.

Paul, Women, and Wives Cambridge University Press

In ancient Israel, at the crossroads of the great trading routes, a man named Benaiah is searching for a fresh start in life. He has joined a band of soldiers led by a warlord named David, seeking to bury the past that refuses to leave him. Their ragged army is disgruntled and full of reckless men. Some are loyal to David, but others are only with him for the promise of captured wealth. While the ruthless and increasingly mad King Saul marches hopelessly against the powerful Philistines, loyal son Jonathan in tow, the land of the Hebrew tribes has never been more despondent—and more in need of rescue. Over the course of ten days, from snowy mountain passes to sword-wracked battlefields, Benaiah and his fellow mercenaries must call upon every skill they have to survive and establish the throne for David—if they don't kill each other first. Day of War brings to life the

exploits of the Mighty Men of Israel, a rag-tag band of disgruntled warriors on the run with David, the soon-to-be King. Their legendary deeds are recorded in 2 Samuel 23 and 1 Chronicles 11

Shreds of Tenderness Longhorn Publishers Plc

The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you draw closer to your Heavenly Father and deepen your understanding of the restored gospel of Jesus Christ. As the Church adds volumes to this series, you will build a collection of gospel reference books for your home. The volumes in this series are designed to be used for personal study and for Sunday instruction. They can also help you prepare other lessons or talks and answer questions about Church doctrine. This book features the teachings of President Ezra Taft Benson, who served as President of The Church of Jesus Christ of Latter-day Saints from November 10, 1985, to May 30, 1994.
