In our
postmodern
world, we are
so driven by
our emotions

that in "living for the moment" we've forgotten to guard our most precious treasure - our hearts. Young people may not realize it, but acts that appear innocent - such as e-mail and instant messages - can entangle our emotions and lead the heart to places it should not go. Most people give their hearts away long before they give their bodies away, so it is imperative

that young people learn the importance of emotional purity, how to avoid the steps that too often lead to a physical downfall and how to live pure lives. Like talking to a big sister who's gone before them, reading *Eyes Wide Open* will give young people the necessary keys for making decisions about purity, love and romance. She also shows them how to acquire a thirst for

purity as they realize it is not just another rule, but a path that leads to a dimension of deep and fresh living where they can truly thrive. [Can Everyone Please Calm Down?](#) Xulon Press
Twenty years since its release, Stanley Kubrick's *Eyes Wide Shut* remains a complex, visually arresting film about domesticity, sexual disturbance, and dreams. It was on the

director's mind for some 50 years before he finally put it into production. Using the Stanley Kubrick Archive at the University of the Arts, London, and interviews with participants in the production, the authors create an archeology of the film that traces the progress of the film from its origins to its completion, reception, and afterlife. The book is also an

appreciation of this enigmatic work and its equally enigmatic creator. Got the Life FaithWords Intense, fascinating, rich in extraordinary stories. Know the protagonists and, through their words and their photographs, become witnesses of history. *The Chaos of Stars* Profile Books Each time he struck, he took two victims. Day after day, he waited for the

first body to be discovered--a body containing all the clues the investigators needed to find the second victim, who waited...prey to a slow but certain death. The clock ticked--salvation was possible. The police were never in time. Years have passed; but for this killer, time has stood still. As a heat wave of epic proportions descends, the game begins again. Two girls have disappeared... and the clock is ticking.

Rookie FBI agent Kimberly Quincy knows the killer's deadline can be met. But she'll have to break some rules to beat an exactingly vicious criminal at a game he's had time to perfect. For the Killing Hour has arrived....

Dreaming with Your Eyes Wide Open

Xlibris Corporation

A horrible family tragedy that may not be what it seems . . . A past encounter with an

infamous killer turns deadly today . . . An ordinary man must risk his own family to find the truth. Jay Erlich's nephew has been found at the bottom of a cliff at Morrow Bay. It's all just a tragic suicide, until secrets from the past begin to rear up again. Did a notorious killer, jailed for many decades, have his hand in this? When Jay heads out west to help his grieving brother, he is pulled back into his past—and

begins to suspect that his nephew's suicide may not have been a suicide at all. With eyes wide open, Jay puts his own life at risk to uncover the truth, a quest that goes beyond the edge of madness and a family haunted by a secret past . . . and into the depths of evil.

With My Eyes Wide Open Harper Collins

The amazing true story of an out-of-control rock star, his devastating addiction to

drugs, and his miraculous redemption through Jesus Christ. In February 2005, more than ten thousand people in Bakersfield, California, watched as Brian "Head" Welch—the former lead guitarist of the controversial rock band Korn—was saved by Jesus Christ. The event set off a media frenzy as observers from around the world sought to understand what led this rock star out of the

darkness and into the light. Now, in this courageous memoir, Head talks for the first time about his shocking embrace of God and the tumultuous decade that led him into the arms of Jesus Christ. Offering a backstage pass to his time with Korn, Head tells the inside story of his years in the band and explains how his rock star lifestyle resulted in an all-consuming addiction to methampheta

mines. Writing openly about the tour bus mayhem of Ozzfest and The Family Values tour, he provides a candid look at how the routine of recording, traveling, and partying placed him in a cycle of addiction that he could not break on his own. Speaking honestly about his addiction, Head details his struggles with the drug that ultimately led him to seek a higher power. Despite his numerous

attempts to free himself from meth, nothing—not even the birth of his daughter—could spur him to kick it for good. Here Head addresses how, with the help of God, he emerged from his dangerous lifestyle and found a path that was not only right for his daughter, it was right for him. Discussing the chaotic end to his time in Korn and how his newfound faith has influenced his relationship

with his daughter, his life, and his music, Head describes the challenging but rewarding events of the last two years, exposing the truth about how his moments of doubt and his hardships have only deepened his faith. Candid, compelling, and inspirational, *Save Me from Myself* is a rock 'n' roll journey unlike any other. [Reading with My Eyes Open](#) Oxford University Press
Often we view

prayer as an activity reserved for a certain time, in a certain place, offered in a specific way. But Scripture encourages us to pray continually. This exhortation is an opportunity for prayer to permeate every aspect of our lives--when we're alone or in a crowd, when it's quiet and when it's chaotic, when we feel like it and when we don't. Praying with Eyes Wide Open shows us how to make

continuous prayer a natural part of our lives rather than something on our daily spiritual checklist. It helps us encounter God in new ways as we learn to - open our eyes to see his presence and the world around us - open our ears to hear his voice - open our hearts to experience freedom and power as we pray - and open our lives as we pray for and with others Anyone desiring a richer, more

transformative prayer life will welcome this fresh take on conversing with our Creator. Eyes Wide Open Bantam What have you got when you Got the Life? From Korn's legendary bassist comes a no-holds-barred look at the extreme highs and drug-and-booze-fueled lows of the biggest heavy metal band of our era Music was in his bones. From the time he was an infant, Fieldy watched his

dad's band perform, and soon enough he found his own calling: the bass. After high school, with a guitar and little else, he left his small California town for the music scene in L.A. Before long, Fieldy, Brian "Head" Welch, James "Munky" Shaffer, drummer David Silveria, and Jonathan Davis would gel together and form a band with a completely new sound—Korn. What happened

next was something Fieldy had always dreamed of but was totally unprepared for: Korn exploded, skyrocketing to the top of the charts and fronting the nu metal phenomenon. Fieldy was thrust into the fast-paced, hard-rocking spotlight. Korn began to tour incessantly, creating intense live shows fueled by wild offstage antics. Fieldy became a rock star, and he acted like one, notorious not

only for his one-of-a-kind bass lines, but also for his hard-partying, womanizing, bad-boy ways. The more drugs he took, the more booze he drank, the worse he became: He was unfaithful, abusive, mean, and sometimes violent. By all appearances, Fieldy had the life. But he was on the dark path of excess, alienating friends, families, and loved ones, nearly destroying himself and

the band. It took an unexpected tragedy to straighten him out: the death of his father, a born-again Christian, to a mysterious illness. Following his father's dying wish, Fieldy found God. Filled with the spirit of his new faith, Fieldy quit drugs and drinking cold turkey, and found the best part of himself. With never-before-seen photos, and never-before-heard stories, *Got the Life* is raw, candid, and

inspiring—the ultimate story of rock and redemption. **Eyes Wide Open** Harper Collins Short-term mission trips are great ways to impact the kingdom. Yet they can lack effectiveness because of mistakes or naiveté on the part of participants. In this insightful and timely book, David A. Livermore calls us to serve with our eyes open to global and cultural realities so we can become

more effective cross-cultural ministers. Serving with Eyes Wide Open is a must-have book for anyone doing a short-term mission or service project, whether domestic or overseas. Foreword by Paul Borthwick. **When You Open Your Eyes** Baker's Plays This hair-raising collection includes eight of the most ingenious and gripping tales by the great master of

suspense and creator of the American Gothic horror story. The hidden
brain is the
voice in our
ear when we

make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of

altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the

choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed. *Eyes Wide Open* Jawbone Press
In 1969, Andy Powell was one of four founding members of progressive rock pioneers Wishbone Ash.

Forty-five years later, with no sabbaticals, he is still a member of Wishbone Ash. And he has seen a lot of interesting things along the way. Watching the birth of rock'n'roll in the 50s; stepping into the swinging 60s mod scene as a teenager; breaking through to the big time and touring the States with The Who; selling hundreds of thousands of copies of Argus; being

managed by industry legend Miles Copeland; outliving punk and moving to America; battling former bandmates over the right to use the name Wishbone Ash, and fighting to keep that name alive through decades of changing tastes and styles--Andy Powell has been there, done it, and seen it all. And he's still doing it today. Last Man Standing is not just the story of one

man's adventures in music but also a journey through some of the most thrilling years of rock history. Honest, unpretentious, and often wryly amusing, it draws on half a century of mingling with the great and the good--not to mention the occasional nutcase. It's a book that will appeal strongly to fans of Wishbone Ash but also to anybody with even a passing interest in

classic rock of the 70s and beyond.

It doesn't matter who you are or what you've done—God wants a relationship with you.
Social media, television, video games, drugs, pornography - there is so much noise distracting us from what is important in life that it is nearly impossible to hear God's truth that He will take you as you are.

When we finally kill the noise of the world, we'll discover in the silence a loving Savior who is waiting to forgive us and offer us a purpose for our lives. Ryan Ries is living proof of this truth. Growing up in Los Angeles as the son of a mega-church pastor but surrounded by the music, skate, and snowboard industries, Ryan felt a tug-of-war between the church and the world. It was in the skate and

music culture that he found his passion and his identity. As a result, he walked away from God and dove head first into the world, losing his way in alcohol, drugs, and sex, which led to anxiety, brokenness, and emptiness. Kill the Noise tells Ryan's story about finding God in the messiness of life, and lets you know how you too can find peace, joy, and purpose in Jesus Christ. This book will

be a tool to help you kill the noise of the world so you can hear God's voice telling you that He loves you and that you belong to Him.

Eyes Wide Open Harper Collins
 How would you describe your life? Not really liking your job? Stuck on pause? Waiting for retirement to really enjoy life? What happened to those childhood dreams? In DREAMING WITH YOUR EYES WIDE

OPEN, Eleanor Graves challenges you to realize that everyone has at least one dream. We are not taught how to make that dream become reality. Through seven, simple, biblically-based principles, the reader learns how to make their dreams come true. These principles and resulting processes are universal and practical. They are: perception, purpose, partnership,

possession, perseverance, positive spirit and power beyond yourself. To reinforce these concepts, there are real-life stories of historical figures, people living today and the author, herself. The common thread of these principles is woven throughout each story. Infused throughout are enriching quotations and affirmations. This book is clear, concise

and easy to read. You will be informed, illumined and inspired. *Eyes Wide Open* Baker Books In this New York Times bestseller, Isaac Lidsky draws on his experience of achieving immense success, joy, and fulfillment while losing his sight to a blinding disease to show us that it isn't external circumstances, but how we perceive and respond to them, that governs our reality. Fear has a

tendency to give us tunnel vision—we fill the unknown with our worst imaginings and cling to what's familiar. But when confronted with new challenges, we need to think more broadly and adapt. When Isaac Lidsky learned that he was beginning to go blind at age thirteen, eventually losing his sight entirely by the time he was twenty-five, he initially thought that blindness would mean

an end to his early success and his hopes for the future. Paradoxically, losing his sight gave him the vision to take responsibility for his reality and thrive. Lidsky graduated from Harvard College at age nineteen, served as a Supreme Court law clerk, fathered four children, and turned a failing construction subcontractor into a highly profitable business. Whether we're blind or not, our vision is

limited by our past experiences, biases, and emotions. Lidsky shows us how we can overcome paralyzing fears, avoid falling prey to our own assumptions and faulty leaps of logic, silence our inner critic, harness our strength, and live with open hearts and minds. In sharing his hard-won insights, Lidsky shows us how we too can confront life's trials with initiative, humor, and grace.

With My Eyes Wide Open: Miracles and Mistakes on My Way Back to Korn Simon and Schuster First in the newest series from Ted Dekker, master of suspense, whose books have sold 9 million copies. Humming with intensity, Eyes Wide Open is a raw adrenaline rush from first page to last. Serving with Eyes Wide Open Ubiquity Press He left KoRn to help himself. He went back to help others.

And along the way, he nearly lost everything. A life-changing spiritual awakening freed Brian "Head" Welch from a stranglehold of drugs and alcohol and prompted him to leave the highly successful nu-metal band KoRn in 2005. What followed was a decade-long trial by fire, from the perils of fathering a teen lost in depression and self-mutilation to the harsh realities of playing solo

and surviving the shattering betrayal of a trusted friend. In this intensely inspiring redemption saga, perhaps most inspiring is Brian's radical decision to rejoin KoRn and reconcile with the tribe of people he once considered family in the metal music scene. Brian returned to his musical roots with a clear head and a devoted heart. Though his story is wild, hilarious, and deeply poignant, the

message is simple: God will love you into the freedom of being yourself, as long as you keep the relationship going and never, ever quit. Eyes Wide Open Harper Collins When a middle-aged alcoholic is found brutally battered to death on a roadside in West London, the case is assigned to a nameless detective sergeant, a tough-talking cynic and fearless loner from the

Department of Unexplained Deaths at the Factory police station. Working from cassette tapes left behind in the dead man's property, our narrator must piece together the history of his blighted existence and discover the agents of its cruel end. What he doesn't expect is that digging for the truth will demand plenty of lying, and that the most terrible of villains will also prove to be the most attractive. In

the first of six police procedurals that comprise the Factory series, Derek Raymond spins a riveting, and vividly human crime drama. Relentlessly pursuing

justice for the dispossessed, his detective narrator treads where few others dare: in the darkest corners of London, a city of sin plagued by

unemployment, racism and vice, and peopled by a cast of low-lives, all utterly convincing and brought to life by Raymond's pitch-perfect dialogue.
