The Ultimate Guide to the Harry Potter Fandom
Turtleback Books

There it was, hanging in the sky above the school: the blazing green skull with a serpent tongue, the mark Death Eaters left behind whenever they had entered a building... wherever they had murdered... When Dumbledore arrives at Privet Drive one summer night to collect Harry Potter, his wand hand is blackened and shrivelled, but he does not reveal why. Secrets and suspicion are spreading through the wizarding world, and Hogwarts itself is not safe. Harry is convinced that Malfoy bears the Dark Mark: there is a Death Eater

amongst them. Harry will need powerful magic and true friends as he explores Voldemort's darkest secrets, and Dumbledore prepares him to face his destiny... Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

Mapping the World of Harry Potter Wf Howes

Based on an original new story by J.K. Rowling, John Tiffany and Jack Thorne, a new play by Jack Thorne, Harry Potter and the Cursed Child is the eighth story in the Harry Potter series and the first official

Harry Potter story to be presented on stage. The play will receive its world premiere in London's West End on 30th July 2016. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places.

Harry Potter Bloomsbury Publishing

Harry Potter and the Chamber of Secrets is the second novel in the Harry Potter series, written by J. K. Rowling. The plot follows Harry's second year at Hogwarts School of Witchcraft and Wizardry, during which a series of messages on the walls of the school's corridors warn that the "Chamber of Secrets" has been opened and that the "heir of Slytherin" would kill all pupils who do not come from all-magical

families. These threats are found after attacks which leave residents of the school "petrified" (frozen like stone). Throughout the year, Harry and his friends Ron Weasley and Hermione Granger investigate the attacks. The book was published in the United Kingdom on 2 July 1998 by Bloomsbury and in the United States on 2 June 1999 by Scholastic Inc. Although Rowling found it difficult to finish the book, it won high praise and awards from critics, young readers and the book industry, although some critics thought the story was perhaps too frightening for younger children. Much like with other novels in the series, Harry Potter and the Chamber of Secrets triggered religious debates; some religious authorities have condemned its use of magical themes, while others have praised its emphasis on self-sacrifice and on the way in which a person's character is the result of the person's choices. Several commentators have noted that personal identity is a strong theme in the book, and that it addresses issues of racism through the treatment of non-magical, non-human and

non-living characters. Some commentators regard the diary as a warning against uncritical acceptance of information from sources whose motives and reliability cannot be checked. Institutional authority is portrayed as self-serving and incompetent. The book is also known to have some connections to the sixth novel of the series, Harry Potter and the Half-Blood Prince. The film adaptation of the novel, released in 2002, became (at that time) the seventh highest grossing film ever and received generally favourable reviews. Video games loosely based on Harry Potter and the Chamber of Secrets were also released for several platforms, and most obtained favourable reviews.

Turning the envelope over, his hand trembling, Harry saw a purple wax seal bearing a coat of arms; a lion, an eagle, a badger and a snake surrounding a large letter 'H'. Harry Potter has never even heard of Hogwarts when the letters start dropping on the doormat at number four, Privet Drive. Addressed in green

ink on yellowish parchment with a purple seal, they are swiftly confiscated by his grisly aunt and uncle. Then, on Harry's eleventh birthday, a great beetle-eyed giant of a man called Rubeus Hagrid bursts in with some astonishing news: Harry Potter is a wizard, and he has a place at Hogwarts School of Witchcraft and Wizardry. An incredible adventure is about to begin! Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

Harry Potter and the Sorcerer's Stone Distribooks

Harry Potter è un predestinato: ha una cicatrice a forma di saetta sulla fronte e provoca strani fenomeni, come quello di farsi ricrescere in una notte i capelli inesorabilmente tagliati dai perfidi zii. Ma solo in occasione del suo undicesimo compleanno gli si rivelano la sua natura e il suo destino, e il mondo misterioso cui di diritto appartiene. Un mondo dove regna la magia; un universo popolato da guffi portalettere, scope volanti, caramelle al gusto di cavolini di Bruxelles, ritratti che scappano. Età di lettura: da 10 anni. This book is an independent and unauthorized publication not endorsed by J.K. Rowling, her publishers, copyright, or trademark holders.

Harry Potter and the Prisoner of Azkaban Pottermore Publishing

There is a door at the end of a silent corridor. And it's haunting Harry Potter's dreams. Why else would he be waking in the middle of the night, screaming in terror? It's not just the upcoming O.W.L. exams; a new teacher with a personality like poisoned honey; a venomous, disgruntled house-elf; or even the growing threat of He-Who-Must-Not-Be-Named. Now

Harry Potter is faced with the unreliability of the very government of the magical world and the impotence of the authorities at Hogwarts. Despite this (or perhaps because of it), he finds depth and strength in his friends, beyond what even he knew; boundless loyalty; and unbearable sacrifice.

Harry Potter Gallimard-Jeunesse

Harry Potter a quatorze ans et il entre en quatrième année au collège de Poudlard. Une grande nouvelle attend Harry, Ron et Hermione à leur arrivée : la tenue d'un tournoi de magie exceptionnel entre les plus célèbres écoles de sorcellerie. Déjà, les délégations étrangères font leur entrée. Harry se réjouit... Trop vite. Il va se trouver plongé au cœur des événements les plus dramatiques qu'il ait jamais eu à affronter.
