Chhatrapati Shivaji Maharaj implemented welfare state policies by promoting agricultural development, water conservation, justice for all, and social welfare programs, ensuring the well-being of his subjects.

Shivaji Notion Press

Shivaji, famous as a warrior and patriot, was also renowned for his kindness. His behaviour managed to convert a spunky young mother, an avenging widow, and a terrified maiden into devoted friends. Not only did the powerful Maratha display humility and a constant sense of fair play, he also upheld the honour of every woman whether rich or poor, enemy or ally.

Hindutva icon or secular nationalist? Feudal potentate or peasants' king? Protector of cows and brahmins or shudra ruler? Medieval marauder or builder of an empire?//Who was Shivaji?//This punchy, readable book provides a new perspective on a popular hero of Indian history. After this, Shivaji will never be the same again.//Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas. **Rise of the Maratha Power** Sristhi Publishers & Distributors Shivaji is a well-known hero in western India. He defied Mughal power in the seventeenth century, established an independent kingdom, and had himself crowned in an orthodox Hindu ceremony. The legends of his life have become an epic story that everyone in western India knows, and an important part of the Hindu nationalists' ideology. To read Shivaji's legend today is to find expression of deeply held convictions about what Hinduism means and how it is opposed to Islam. James Laine traces the

origin and development of the Shivaji legend from the earliest sources to the contemporary accounts of the tale. His primary concern is to discover the meaning of Shivaji's life for those who have composed and those who have read the legendary accounts of his military victories, his daring escapes, his relationships with saints. In the process, he paints a new and more complex picture of Hindu-Muslim relations from the seventeenth century to the present. He argues that this relationship involved a variety of compromises and strategies, from conflict to accommodation to nuanced collaboration. Neither Muslims nor Hindus formed clearly defined communities, says Laine, and they did not relate to each other as opposed monolithic groups. Different sub-groups, representing a range of religious persuasions, found it in their advantage to accentuate or diminish the importance of Hindu and Muslim identity and the ideologies that supported the construction of such identities. By studying the evolution of the Shivaji legend, Laine demonstrates, we can trace the development of such constructions in both pre-British and post-colonial periods.

Vinayak Damodar Savarkar, commonly known as Swatantryaveer Savarkar or just Veer Savarkar was a fearless freedom fighter, social reformer, writer, dramatist, poet, historian, political leader and philosopher. He remains largely unknown to the masses because of the vicious propaganda against him and misunderstanding around him that has been created over several decades. This website attempts to bring the life, thought, actions and relevance of Savarkar before a global audience.

Shivaji The Great - As Viewed By Swami Vivekananda

Atlantic Publishers & Dist

Hitler's autobiography, *Mein Kampf*, is a perennial bestseller in India, with even street-side bookstalls prominently displaying stacks of it. The name 'Hitler' -- anathema almost everywhere else in the world -- is tossed about casually in the Indian subcontinent, not infrequently invoked in praise. Many Indians still harbour the notion that the Fuhrer was a friend of the Indian people and had extended wholehearted support to their freedom struggle. To journalist Vaibhav Purandare, this clearly suggested that Indians continued to be largely unaware of the German dictator's views on India, in spite of the fact that they are unambiguously expressed in his own writings. This lacuna spurred him on to delve into the archives -- in Germany, India and elsewhere. The result of Purandare's research is this comprehensive and painstaking portrait and analysis of Hitler's outlook on India and its people, his opinion of their struggle against the British Raj, and his take on Indian history, culture and civilisation. Also within these pages are surprising details of Netaji Subhas Chandra Bose's entanglement with the Reich, the experience of other Indians living in Nazi Germany, the mission that Hitler sent to the Himalayas in search of 'pure-blood Aryans', and a number of other little-known historical nuggets. Accessible and rich in detail, *Hitler and India* is the very first examination of what India meant to a figure who, perplexingly, remains quite alive in the country.

Histories of the Indian Freedom Struggle Harper Collins

Maharashtra. Among the country's largest, wealthiest, most significant constituents. A great state in name and in deed that has been the cradle of individuals and events that have shaped India. Girish Kuber - seasoned journalist and one of Maharashtra's foremost opinion makers - tells its story in Renaissance State. Taking in his vast sweep the region's politics, society and history from the time of the Satavahanas down to the present day, he chronicles a number of lesser-known tales: the empire that brought the mighty Mughals to their knees, the woman who took the issue of consent in marital sex right up to Queen Victoria, the social reformers who were far ahead of their time, the evolution of movements of the right and left as well as for Dalit identity, and the long tradition of this great land of always standing up to Delhi. This is the account of the making of Maharashtra that its proud people deserved but had remained unwritten.

The Life of Shivaji Maharaj, Founder of the Maratha Empire Pencil

The love story of Emperor Jahangir and Mehrunnisa, begun in the critically praised debut novel *The Twentieth Wife*, continues in Indu Sundaresan's *The Feast of Roses*. This lush new novel tells the story behind one of the great tributes to romantic love and one of the seven wonders of the world -- the Taj Mahal.

Mehrunnisa, better known as Empress Nur Jahan, comes into Jahangir's harem as his twentieth and last wife. Almost from the beginning of her royal life she fits none of the established norms of womanhood in seventeenth-century India. Mehrunnisa is the first woman Jahangir marries for love, at the "old" age of thirty-

four. He loves her so deeply that he eventually transfers his powers of sovereignty to her. Power and wealth do not come easily to Mehrunnisa -- she has to fight for them. She has a formidable rival in the imperial harem, Empress Jagat Gosini, who has schemed and plotted against Mehrunnisa from early on. Mehrunnisa's problems do not just lie within the harem walls, but at court, too, as she battles powerful ministers for supremacy. These ministers, who have long had Emperor Jahangir's confidence and trust, consider Mehrunnisa a mere woman who cannot have a voice in the outside world. Mehrunnisa combats all of this by forming a junta of sorts with three men she can rely on -- her father, her brother, and Jahangir's son Prince Khurram. She demonstrates great strength of character and cunning to get what she wants, sometimes at a cost of personal sorrow when she almost loses her daughter's love. But she never loses the love of the man who bestows this power upon her -- Emperor Jahangir. *The Feast of Roses* is a tale of this power and love, the story of power behind a veil.

Who was Shivaji? Om Books International

Biography of Raja Shivaji, 1627-1680, Maratha ruler in India.

Shivaji Success Publication

About the Book: Book is based on Unbelievable Battles Moves Of Chhatrapati Shivaji Maharaj, King shivaji was the founder of Maratha empire in the west part of India. Education, Law and management, he has more than 15 years of experience to back his portfolio. The professional journey involved working in various functions ranging from product implementations to handling production planning and supply chain processes.

Chhatrapati Shivaji Maharaj Xlibris Corporation

The great Shivaji has inspired several generations. This book explains his strategy of war and why he succeeded in the face of conflict. Contains lessons for soldiers even today.

Indian Philosophy in Modern Times Prabhat Prakashan

This book looks at a leader who rose on the strength of strong values and principles. The purpose of this book is to learn from those principles which made Chhatrapati Shivaji rise to the top as a great leader, and make these lessons available to aspiring and current leaders today. The beauty of this book is that every chapter is divided into three parts. The first part deals with anecdotes from this great leader's life. The second part looks at the leadership leanings from these anecdotes and how they can be applied by today's leaders. The third part contains crisp "action points" or "mantras" for the readers.

Indian States; a Biographical, Historical and Administrative Survey Random House India

This photo-essay book is a modest attempt to link our maritime past, along with the entire progress, to the present, and in light of the same, to relate the future of the nation to a distinct maritime orientation with the Indian Navy as the lead national maritime agency. It traces about 7,500 years of India's maritime history and heritage. There are eight chapters, each dwelling on different aspects of maritime heritage namely, trade and commerce,

evolution of cultures, influence of architecture, forts and lighthouses, naval battles and the evolution of the Indian navy. With images and artwork, this book will give the reader a vivid insight into our country's rich maritime past.

Top 50 Things to do in Mumbai, India Notion Press

This book examines the Union-State and inter-State relations concerning water issues in India. It analyses the federal structure in India and looks at its effectiveness in addressing the inter-state river water disputes in the country through three cases: the Cauvery, Krishna and Mahadayi Rivers water dispute. It probes into the physical, political, legal and constitutional measures taken by the Union government and the states to deal with the inter-State and Union-State tussles over inter-State river waters. The author studies the debate over centralisation and decentralisation of water resources, as well as the inter-state river water disputes that have aroused feelings of sub-nationalism in many regions of India. Finally, this book also examines socio-political tensions over multipurpose water projects and other supply-side infrastructures, and their efficacy in addressing India's increasing water problems. This book will interest researchers and students of Environmental Politics, Political Science, Public Policy, Environmental Geography, Indian Politics, South Asian Studies, Environmental Economics,

Environmental Policy, River Management, and Resource politics.

The Feast of Roses Harper Collins

33000 years back, humans turned one of their bitter enemies into a loyal friend. Who was this enemy? And how did this 'enemy' help Homo sapiens to get to the top of the food chain? A ball of dung rolled by a beetle transformed humanity. How did that happen? A human being riding a bicycle is the second most efficient locomotive on Earth. What is the first? How did humans survive the Toba Super-Volcano eruption 70,000 years ago? What's the connection between a prehistoric hominid fossil to the music band Beatles? Why has no one been able to find the tomb

of Alexander the Great? Was it really Columbus who discovered the Americas? Who is the 'loneliest man and the 'oldest surviving human tribe'? When a playful tweenage daughter asked umpteen, incessant questions to her dad, the only way to answer was to embark on an adventurous journey across continents and millennia to put the pieces of human civilization and rediscovering oneself. From a one-million-year-old fireplace to treks through jungles and caves, from being hunted to becoming the hunter; the journey of knowing nothing to questioning everything and then back to knowing nothing. Would the father-daughter duo get their answers? Can she find her place in history and the universe?
