KEIRA OLSEN

Knights and Dragons, Unite! Penguin
In a rollicking, cumulative tale, a badger family and their friends—Hedgie, Mr. Ram and Vanya, the horse—struggle to pull up a giant turnip. A cocky rooster steps in and pulls, sending him into the air, holding onto the turnip. No one knows that a mother bear in her underground den has kicked the turnip up through the soil to give the family room to sleep through the winter. Once again Jan Brett brings an original twist to a favorite folktale. Snow covers the farm in rural Russia as badgers and friends in old-fashioned clothes, and bears marching through bright-colored borders, send young readers laughing from page to page.

Stories in Action Penguin

Retelling of The Three Billy Goats Gruff
The Three Billy Goats Gruff Hachette UK

Ladybird has published fairy tales for over forty years, bringing the magic of traditional stories to each new generation of children. These are based on the original Ladybird retellings, with beautiful pictures of the kind children like best - full of richness and detail. Children have always loved and will always remember these classic stories and sharing them together is an experience to treasure.

Researching Early Childhood Literacy in the Classroom CHYPS, Learning

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Leveled Books (K-8) Ladybird Books
Promote the love of story, familiarize

children with a variety of story forms and stimulate curiosity in diverse subjects while building basic literacy skills. In this guide, dozens of enchanting stories from around the world are accompanied by simple learning extensions for children (ages 4 through 8) that build such important literacy skills as print awareness, print motivation, vocabulary, phonological awareness, listening skills, and predicting and sequencing skills. Each of the 14 chapters begins with an interactive, illustrated folktale finger play as the starting point for a range of literacy building activities such as acting out, re-telling, writing, and discussions; and ends with a short list of related books. A great resource for library story hour, the book will also be invaluable to storytellers, teachers, day care centers, and after school programs. Grades PreK-3. Enchant children with these interactive stories while building a solid foundation for literacy in young learners. This guide is designed to promote in children (ages 4 through 8) the love of story, familiarize them with a variety of story forms, stimulate curiosity in diverse subjects, and build literacy skills. It offers approximately 40 engaging and interactive tales from around the world along with related activities, and it provides educators and storytellers with a wealth of exciting material for literacy and storytelling programs. The book is organized in three sections-Exploring Structures of Stories, Exploring Themes and Characters through Stories, and Exploring Cultures through Stories. Each of the 14 chapters begins with an interactive, illustrated folktale finger play as starting point for a range of literacy building activities such as acting out, re-telling, writing, and discussions. Related stories and picture book references build upon such themes as

tall tales, sharing, magical helpers, and the rain forest. Tips for working with younger children, as well as gifted and older children are also included. Grades PreK-3.

Media Spectrum HarperCollins UK
Developing Early Literacy Skills Outdoors provides practitioners with practical planning for how to develop and enhance the outdoor area to facilitate literacy learning. The activities throughout the book are low cost and easy to set up, aiming to reassure practitioners and give them confidence to plan more literacy learning experiences outdoors. This is further supported with planning guidance and resource ideas, as well as advice on observation and assessment, including suggestions for how to reduce the paperwork burden and a useful observation template. The book is divided into sections that represent the different aspects of communication, language and literacy and includes: an introduction to each aspect, explaining why it is important and outlining the fundamental skills and concepts that underpin it; ideas for adult-led and adult-initiated activities that aim to develop children's early knowledge, skills and understanding in communication, language and literacy; suggestions for how to enhance continuous outdoor provision so that it promotes communication, language and literacy skills; pointers and tips about teaching mathematics in the early years and includes ideas for how to involve parents and carers.

Grandma Lena believes that something worth doing is worth doing right. So she takes good care of the turnips she plants in her garden. One turnip grows to an enormous size—Baby Pearl thinks it's a big potato! It is big enough to feed half the town. And it's so big that Grandma can't pull it out of the ground! Even when Grandpa, Uncle Izzy, Aunt Netty, and the dog help Grandma yank and tug, the big ol' turnip doesn't budge. Still, this African-American family, including Baby Pearl, knows how to pull together.

The Enormous Carrot Twinkl

There are more than one million children in UK schools who speak English as an additional language (EAL), and this number is continually rising. Many early years practitioners are unsure about how best to support these children and need guidance to do this with confidence. This book offers advice on how to welcome and provide for children with EAL and how to support their families, taking into consideration their unique identities and culture and ensuring that these are preserved and appreciated in the setting. With links to all areas of the curriculum and specific focus on language acquisition, each idea is straightforward and can be easily adapted and developed to suit children's individual needs. It is an essential guide for all practitioners in early years settings to raise your competence and confidence in providing for EAL learners.
