Unha ollada galega e orixinal da historia da literatura infantil e xuvenil. Por que o lobo debe seguir comendo á Carapuchiña? Era Alicia unha nena burguesa? Contra a absurda concepción de opoñer unha cultura «elevada» fronte á literatura infantil e xuvenil. Un libro para coñecer a lix galega universal.

*A Christmas Carol* OUP Oxford

Legends say that, in ancient times, a boy called Arthur pulled a sword from a stone and became the new king of Britain. With the help of the magician, Merlin and the famous Knights of the Round Table he protected his people and had many adventures. His castle of Camelot was a place full of magic but also danger and sadness.

The Reception of Charles Dickens in Europe offers a full historical survey of Dickens's reception in all the major European countries and many of the smaller ones, filling a major gap in Dickens scholarship, which has by and large neglected Dickens's fortunes in Europe, and his impact on major European authors and movements. Essays by leading international critics and translators give full attention to cultural changes and fashions, such as the decline of Dickens's fortunes at the end of the nineteenth century in the period of Naturalism and Aestheticism, and the subsequent upswing in the period of Modernism, in part as a consequence of the rise of film in the era of Chaplin and Eisenstein. It will also offer accounts of Dickens's reception in periods of political upheaval and revolution such as during the communist era in Eastern Europe or under fascism in Germany and Italy in particular.

[Homenaje a los niños de 1808](#) National Geographic Books

The recent discovery that as a young man Charles Dickens lived only a few doors from a major London workhouse made headlines worldwide, and the campaign to save the workhouse from demolition caught the public imagination. Internationally, the media immediately grasped the idea that Oliver Twist's workhouse had been found, and made public the news that both the workhouse and Dickens's old home were still standing, near London's Telecom Tower. This book, by the historian who did the sleuthing behind these exciting new findings, presents the story for the first time, and shows that the two periods Dickens lived in that part of London - before and after his father's imprisonment in a debtors' prison - were profoundly important to his subsequent

writing career.

Brimming with danger, love, and betrayal, Tom Grass's electrifying heist thriller is a gripping reimagining of Charles Dickens's classic *Oliver Twist*. Eighteen-year-old Twist doesn't have much. No money, no home and no family. All he has is his reputation as one of the most daring street artists in London—whose unique skills are matched only by his infamous talent as an urban climber. But when he finds himself on the run from the police, he knows that he could be about to lose the last thing he has left—his freedom. Until he is saved by the mysterious Dodge. When Dodge introduces him to con artist and "art collector" Cornelius Faginescu, Twist realizes that he finally has the chance to be part of something. All he has to do is put aside his moral objections and learn how to steal . . . Twist is soon drawn deeper into the gang and, as his feelings for grow for the intriguing and dangerous "Red," he discovers she has a secret—they are no longer playing for money. They're playing for their lives.

The story of *Oliver Twist* - orphaned, and set upon by evil and adversity from his first breath - shocked readers when it was published. After running away from the workhouse and pompous beadle Mr Bumble, Oliver finds himself lured into a den of thieves peopled by vivid and memorable characters - the Artful Dodger, vicious burglar Bill Sikes, his dog Bull's Eye, and prostitute Nancy, all watched over by cunning master-thief Fagin. Combining elements of Gothic Romance, the Newgate Novel and popular melodrama, Dickens created an entirely new kind of fiction, scathing in its indictment of a cruel society, and pervaded by an unforgettable sense of threat and mystery.

*British Books in Print*

Los mejores libros jamás escritos. «Hasta que estas pasiones no mueren y dejan de dominar el cuerpo para siempre, las nubes de tormenta no se disipan y despejan así la superficie del cielo.» La historia del pequeño Oliver, criado en un hospicio, empleado en una funeraria y reclutado por una banda de ladrones que él no reconoce como tales, no solo es un soberbio escaparate de celeberrimas creaciones dickensianas, sino que además resulta un magnífico y apasionante relato sobre la inocencia acosada. Los distintos personajes que el héroe va encontrando en su camino

nos descubren al Dickens idílico y sentimental, en una de las muestras más perdurables de su genio. La posteridad ha convertido en mito las peripecias del pequeño muchacho, vertidas a nuestra lengua aquí por Josep Marco Borillo y el equipo de la Universitat Jaume I de Castelló. La modernidad de la traducción, así como la reveladora introducción que firma el catedrático del University College Philip Horne, convierten la presente en una edición indispensable. ENGLISH DESCRIPTION Starved and mistreated, empty bowl in hand, the young hero musters the courage to approach his master, saying, "Please, sir, I want some more." *Oliver Twist*'s famous cry of the heart has resounded with readers since the novel's initial appearance in 1837, and the book remains a popular favorite with fans of all ages. Dickens was no stranger to the pain of hunger and the degradation of poverty. He poured his own youthful experience of Victorian London's unspeakable squalor into this realistic depiction of the link between destitution and crime. Oliver escapes his miserable servitude by running away to London, where he unwillingly but inevitably joins a scabrous gang of thieves. Masterminded by the loathsome Fagin, the underworld crew features some of Dickens' most memorable characters, including the juvenile pickpocket known as the Artful Dodger, the vicious Bill Sikes, and gentle Nancy, an angel of self-sacrifice. A profound social critic, Dickens introduced genteel readers to the problems of the poor in a way that had rarely been attempted before. This tale of the struggle between hope and cruelty continues to speak to modern audiences.

**The Iliad**

Ariel Juvenil recoge las obras más importantes e influyentes de la literatura universal, en una versión adaptada con ilustraciones tipo cómic. *Oliver Twist* es parte de esta gran colección. *Oliver Twist* es obra insigne que describe crudamente la realidad de la época victoriana: mendicidad, prostitución, explotación infantil, delincuencia, insalubridad. Es que el Londres del siglo XIX estaba lleno de injusticias sociales, provenientes del crecimiento industrial, la desruralización y las contradicciones de la imperante moral victoriana. Bajo este contexto, el desdichado *Oliver Twist* se embarca en la búsqueda de una mejor vida al migrar a la gran ciudad. En principio, vive largas desdichas y poca felicidad; sin embargo, la casualidad y la justicia le ayudarán a encontrarse con buenas personas que lo alejarán del infortunio del submundo urbano.

**Línea de sombra**

London in the 1830s--dirty, dangerous, and no place for a young orphan. *Oliver Twist* must use all his wits to stay out of the clutches of a gang of pickpockets, thieves, and murderers. Will he stay safe long enough to discover the truth about who he really is?
