*Power Chain Complete Series* Blue Valley Publishing Life is full of many things. Hardships and success, joy and depression, prejudice and acceptance, among other things. Everyone experiences all of it, in their own way, and I express that through my poetry. Every feeling I've ever had, I've turned into a poem. Poetry helps me to enjoy life, and I've written a lot of poetry. I thought

maybe it's time to share it! This book essentially contains my life from elementary school to my senior year of high school, all in poetry. Its the story of my life, minus the filler. A story without the story, if you will. Every moral decision, strong feeling, success and failure I've had, all condensed into one book. Poetry has taught me a lot, and helped me a lot. Everything I've learned can be

expressed with it, and hopefully you can extract the same joy from it! Some is sad, some is happy, but whatever your life in like, I think what I wrote can apply.
