## **SWANSON MARIELA**

*Eight Hundred Leagues on the Amazon*

Univ of California Press

One of our greatest political minds

“challenges us to think more

independently and more deeply about the

human consequences of power and

privilege” (Norman Solomon, author of

Made Love, Got War). Renowned

interviewer David Barsamian showcases

his unique access to Chomsky’s thinking

on a number of topics of contemporary

and historical import. Chomsky offers

insights into the institutions that shape the

public mind in the service of power and

profit. In an interview conducted after the

important November 1999 “Battle in

Seattle,” Chomsky discusses prospects for

building a movement to challenge

corporate domination of the media, the

environment, and even our private lives.

Whether discussing US military escalation

in Colombia, attacks on Social Security, or

growing inequality worldwide, Chomsky

shows how ordinary people, if they work

together, have the power to make

meaningful change. “In Propaganda and

the Public Mind, we have unique insight

into Noam Chomsky’s decades of

penetrating analyses . . . drawn together

in one slender volume by a brilliant radio

interviewer, David Barsamian.” —Ben H.

Bagdikian, Pulitzer Prize-winning journalist

“To anyone who wonders if ideas,

information, and activism can make a

profound difference in the twenty-first

century, I say: ‘Read this book.’”

—Norman Solomon, author of *The Habits*

of *Highly Deceptive Media* Praise for Noam

Chomsky “The conscience of the American

people.” —New Statesman “Chomsky is a

global phenomenon . . . perhaps the most

widely read voice on foreign policy on the

planet.” —The New York Times Book

Review “There is no living political writer

who has more radically changed how more

people think in more parts of the world

about political issues.” —Glenn Greenwald,

journalist “A truth-teller on an epic scale. I

salute him.” —John Pilger, journalist,

writer, and filmmaker

**Africa from the Sixteenth to the**

**Eighteenth Century** New Directions

Publishing

This book is a 2005 edition of Mack P.

Holt’s classic study of the French religious

wars of the sixteenth and seventeenth

centuries. Drawing on the scholarship of

social and cultural historians of the

Reformation, it shows how religion infused

both politics and the socio-economic

tensions of the period to produce a long

extended civil war. Professor Holt

integrates court politics and the political

theory of the elites with the religious

experiences of the popular classes,

offering a fresh perspective on the wars

and on why the French were willing to kill

their neighbors in the name of religion.

The book has been created specifically for

undergraduates and general readers with

no background knowledge of either French

history or the Reformation. This edition

updates the text in the light of new work

published in the decade prior to

publication and the ‘Suggestions for

further reading’ has been completely re-

written.

*The Alien Oracles* Dalcassian Publishing

Company

Presents a comedy about the gallery of

friends, lovers, and theatrical acolytes

who constantly invade the London flat of

matinee idol Garry Essendine as he

prepares for his African tour.

**The Man Who Laughs** Boynton/Cook

#1 NEW YORK TIMES BESTSELLER • More

than one million copies sold! A “brilliant”

(Lupita Nyong’o, Time), “poignant”

(Entertainment Weekly), “soul-nourishing”

(USA Today) memoir about coming of age

during the twilight of apartheid “Noah’s

childhood stories are told with all the

hilarity and intellect that characterizes his

comedy, while illuminating a dark and

brutal period in South Africa’s history that

must never be forgotten.”—Esquire

Winner of the Thurber Prize for American

Humor and an NAACP Image Award •

Named one of the best books of the year

by The New York Time, USA Today, San

Francisco Chronicle, NPR, Esquire,

Newsday, and Booklist Trevor Noah’s

unlikely path from apartheid South Africa

to the desk of The Daily Show began with

a criminal act: his birth. Trevor was born to

a white Swiss father and a black Xhosa

mother at a time when such a union was

punishable by five years in prison. Living

proof of his parents’ indiscretion, Trevor

was kept mostly indoors for the earliest

years of his life, bound by the extreme and

often absurd measures his mother took to

hide him from a government that could, at

any moment, steal him away. Finally

liberated by the end of South Africa’s

tyrannical white rule, Trevor and his

mother set forth on a grand adventure,

living openly and freely and embracing the

opportunities won by a centuries-long

struggle. Born a Crime is the story of a

mischievous young boy who grows into a

restless young man as he struggles to find

himself in a world where he was never

supposed to exist. It is also the story of

that young man’s relationship with his

fearless, rebellious, and fervently religious

mother—his teammate, a woman

determined to save her son from the cycle

of poverty, violence, and abuse that would

ultimately threaten her own life. The

stories collected here are by turns

hilarious, dramatic, and deeply affecting.

Whether subsisting on caterpillars for

dinner during hard times, being thrown

from a moving car during an attempted

kidnapping, or just trying to survive the

life-and-death pitfalls of dating in high

school, Trevor illuminates his curious

world with an incisive wit and unflinching

honesty. His stories weave together to

form a moving and searingly funny portrait

of a boy making his way through a

damaged world in a dangerous time,

armed only with a keen sense of humor

and a mother’s unconventional,

unconditional love.

Family. Inescapable, universal, defining. Whether near or far, family can evoke feelings of love or resentment, trust or regret-but never indifference. In sixteen unforgettable stories, V.S. Kemanis lays bare the conflicts and joys of family life, exploring the depth and intractability of interpersonal relationships. A mysterious aunt is buried with a dark family secret, leaving a clue as her only legacy. A single mom struggles to care for a severely disabled child, asking herself, "What if?" A teenager's friend, invited along for a family vacation, slips away and disappears into the resort town. A child coping with the loss of her father clings to an imaginary friend who becomes all too real. These tales and more, from an "unarguably gifted" writer of "great talent" [SP Reviews], make *Dust of the Universe* a reading experience brimming with exultant and devastating emotions that only family can bring.

*Dracula, My Love* Cambridge University Press

"This volume covers the period from the end of the Neolithic era to the beginning of the seventh century of our era. This lengthy period includes the civilization of Ancient Egypt, the history of Nubia, Ethiopia, North Africa and the Sahara, as well as of the other regions of the continent and its islands."--Publisher's description

AMETHYST COUNTRY Graphic Arts Books  
A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. *Promise at Dawn* begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in

World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland "born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love."

Born a Crime Good Press

Looks at the history of Africa since 1935 and Africa's relations with other continents during that time period.

*Bibliotheca Curiosa* Moyer Bell Limited  
Moving away from the explicitly political content of his previous novels, Victor Hugo turns to social commentary in *The Man Who Laughs*, an 1869 work that was made into a popular film in the 1920s. The plot deals with a band of miscreants who deliberately deform children to make them more effective beggars, as well as the long-lasting emotional and social damage that this abhorrent practice inflicts upon its victims.

The Affair of the Madre de Deus Four Courts Press

"The mother" by Pearl S. Buck. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The End of Meaning and the Birth of Man Spectra

The fact that the Portuguese opened up the Far East to European maritime enterprise is well known, but the prosperity to which their trade attained in that region is less so, as historians have tended to dwell on the English or Dutch activities. The period of Luso-Japanese trade is therefore of interest in more ways than one, and in particular the first decade of the seventeenth century when Japan was being moulded by Tokugawa Iyeyasu and when the country was still open to foreigners regardless of their race or religion. This volume involved considerable research in four languages and most of the information is here presented to the English reader for the first time.

*Fugitive Ireland* Strategic Book Publishing

To learn about its territories in the New World, Spain commissioned a survey of Spanish officials in Mexico between 1578 and 1584, asking for local maps as well as

descriptions of local resources, history, and geography. In *The Mapping of New Spain*, Barbara Mundy illuminates both the Amerindian (Aztec, Mixtec, and Zapotec) and the Spanish traditions represented in these maps and traces the reshaping of indigene world views in the wake of colonization. "Its contribution to its specific field is both significant and original. . . . It is a pure pleasure to read." —Sabine MacCormack, *Isis* "Mundy has done a fine job of balancing the artistic interpretation of the maps with the larger historical context within which they were drawn. . . . This is an important work." —John F. Schwaller, *Sixteenth Century Journal* "This beautiful book opens a Pandora's box in the most positive sense, for it provokes the reconsideration of several long-held opinions about Spanish colonialism and its effects on Native American culture."

—Susan Schroeder, *American Historical Review*

*United Nations Yearbook of the International Law Commission* Read Books Ltd

From 1937 to 1950 the Irish government granted political asylum to a number of European minority nationalists, many of whom were wanted for crimes of collaboration with Axis forces during the Second World War. Bretons, Basques, Scots, Flemings even a high-ranking Croat later dubbed the Yugoslav Himmler all found temporary or permanent refuge in Ireland. *Refuge Ireland* reveals for the first time why Dublin sheltered fugitives who had so disastrously regarded Nazi invasion as their nationalist opportunity. Employing unpublished sources and personal accounts, Daniel Leach explores the role of political asylum in asserting Irish sovereignty, Catholic anti-Communism and revolutionary heritage, and exposes a previously hidden and controversial chapter of Irish and European history one which, through the continued actions of postwar and even modern exiles, continues to affect Ireland's reputation to this day. "A well-researched, coherently argued and clearly written piece of work which combines scholarship with accessibility ... Leach has consulted an impressive range of original sources in a number of languages and has used them intelligently to develop a persuasive argument about the nature of Irish asylum policy". Eunan O'Halpin (author of *Defending Ireland*).

**Confessions of the Old Wizard** Univ of California Press

Teachers and teacher educators asked for: the latest research on literacy more information about national standards ways to consider gender in instruction advice for

teaching Advanced Placement classes ideas for teaching media literacy and incorporating technology effectively into instruction even more resources for mentoring new teachers analysis of how trends in society, culture, and politics impact teachers and their classrooms. And Jim delivers. He has revamped his introductory chapters on literacy learning to include up-to-the-minute thinking from the field, and he has incorporated lists of key standards and helpful suggestions for reaching them. His practical strategies turn recent findings on literacy and gender into well-designed, research-based instruction, and his ideas help you meet the very different needs of AP students by understanding their goals and providing them with appropriate challenges.

**Punishment for War Crimes** Haymarket Books

Devastated by the collapse of her marriage, Helen Bradshaw flees London for Achill Island on the West Coast of Ireland hoping that her new job researching painter, Grace Henry, will offer her an escape. Achill is wild and beautiful, but island life poses many challenges, she feels isolated, lonely.

**This Holy Seed** Univ of California Press  
Author Syrie James (The Lost Memoirs of Jane Austen) offers readers a breathtaking new perspective on Bram Stoker's classic tale of the king of the vampires with Dracula, My Love. In these "Secret Journals of Mina Harker," the object of Dracula's desire relates for the very first time the shocking story of her scandalous seduction and sexual rebirth. This is not the chaste vampire romance of Twilight—Dracula, My Love celebrates a passionate obsession in all its hot and sensuous glory.

Euripides and the Spirit of His Dramas  
Opus Nine Books

A QUEST to discover the original language and symbols of humankind places Dr. Hope Taylor and her dedicated associates - a British archeologist, a biblical historian, and an ex-Legionnaire/NSA operative - in deadly danger. Secret societies, the Vatican, and rogue mercenaries pursue them to both suppress and unleash the power of ancient knowledge and biblical prophecy. THE ENIGMA of the Black Opal, the sub rosa plot to usher in The Second Coming, and the real power of The Ark of

the Covenant are all revealed in this quest to solve mysteries unknown for centuries. Originating from the distant stars, hidden for centuries, and now scattered throughout the world - Sumer, Luxor, Roswell ...- etched on shimmering triangular Tablets, come oracles and compelling evidence of alien intervention. Hugh Fraser is a college English professor, trained Acupuncturist, and ex Top Secret International Courier Officer for the U.S. Army. His goal is to bring to the reader thought-provoking novels that enlighten, engage, and entertain. He lives in Reno, NV with his wife Louise and their three West Highland White Terriers.

**Dust of the Universe, Tales of Family**  
Harper Collins

This book contains the classic adventure novel 'Eight Hundred Leagues On the Amazon', and would be a great addition to the bookshelf of anyone with an interest in this genre. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
