*Macao Telecom Laws and Regulations Handbook - Strategic Information and Basic Laws* Hong Kong University Press  
Describes the history, geography, and people of the region and recommends itineraries, hotels, restaurants, transportation, shopping, attractions, and historical sites that can be visited while on a budget.

*Travel Industry Economics* Rowman & Littlefield  
Four years after the actual implementation of its casino deregulation policy, Macao has surpassed Las Vegas as the world's top gambling destination in terms of annual turnover. Also, various recent surveys have put Macao at the very top of the list in terms of per capita GDP, as its economy grew shortly

after the resumption of Chinese sovereignty. How could a tiny city without any natural resources on the southern coast of China have managed to achieve such a miraculous level of development? This book presents an unparalleled study of Macao's economic dynamism and its gambling industry not only by merging historical and current developments, but also by presenting solid subjective and objective indicators and evidence. It offers an indispensable resource for students, researchers, and general readers looking to understand Macao's gambling miracle.

### **Plunkett's Airline, Hotel & Travel Industry Almanac 2008: Airline, Hotel & Travel Industry Market Research, Statistics, Trends & Leading Companies** Elsevier

Casino Management in Integrated Resorts introduces students to the changing nature of casino businesses within the framework of an integrated resort or hospitality organisation. In the new integrated casino model, casinos play an important role not only in revenue generation but in supporting the other amenities in the resort, including bars, restaurants, hotels and theme parks. This book brings readers up to speed with the challenges of managing a casino within this rapidly expanding

gaming-leisure-tourism industry. It covers a range of essential topics, such as the basic psychology of casino gaming, the role and history of casinos within an integrated resort, staffing, floor design, table and slot game management, control and security, marketing and social impact. Written in an accessible style, this book is suitable for readers with no prior knowledge of, or experience in, casino operations. It will be an essential introductory yet comprehensive resource for all those undertaking casino management courses.

Macao Internet and E-Commerce Investment and Business Guide: Regulations and Opportunities Springer Nature

Macao, 40 miles west of Hong Kong, became a place of Portuguese residence between 1555-57. In this short, lively and affectionate book, Austin Coates explains how and why the Portuguese came to the Far East, and how they peacefully settled in Macao with tacit Chinese goodwill. Macao's golden age, from 1557 to the disastrous collapse of 1641, is vividly reconstructed. There follows the cuckoo-in-the-nest situation of the late eighteenth century when the British in Macao were a law unto themselves, until the foundation of Hong Kong and the opening of Shanghai gave wider scope for their energies. Portugal's subsequent struggle to obtain full sovereignty in Macao, and the extraordinary outcome in 1975, brings this account to a close. Special tribute is paid to the risks Macao gallantly undertook in harbouring Hong Kong's starving and destitute during World War II.

**Macau's Languages in Society and Education** Routledge  
Taking a global and multidisciplinary approach, The SAGE International Encyclopedia of Travel and Tourism examines the

world travel and tourism industry, which is expected to grow at an annual rate of four percent for the next decade.

**Strolling in Macau** China Economic Review Publishing

Tourism is a vital tool for political and economic change. Calls for boycotts by tourists of countries reflect the huge impact that tourist activity and the tourism industry has on political change.

*Casino Industry in Asia Pacific* Emerald Group Publishing
