Woolgathering W. W. Norton & Company Virginia Woolf, the Intellectual, and the Public Sphere relates Woolf's literary reviews and essays to early twentieth-

century debates about the value of 'highbrow' culture, the methods of instruction in universities and adult education, and the importance of an educated public for the realization of democratic goals. By focusing on Woolf's theories and practice of reading, Melba

Cuddy-Keane refutes assumptions about Woolf's modernist elitism, revealing instead a writer who was pedagogically oriented, publicly engaged and committed to the ideal of classless intellectuals working together in reciprocal exchange. Woolf emerges as a stimulating theorist of the unconscious, of dialogic reading, of historicist criticism and of value judgments, while her theoretically informed but accessible prose challenges us to reflect on academic writing today. Combining a wealth of historical detail with a penetrating analysis of Woolf's essays, this 2003 study will alter our views of Woolf, of modernism and of intellectual work.

Best American Poetry 2018 W. W. Norton & Company

“Robert Oppenheimer was a complex human being. No biography yet written comes even close to this elegant skein of poems in capturing his life and character.”—Richard Rhodes, author of the Pulitzer Prize-winning *The Making of the Atomic Bomb* Quartet for J. Robert Oppenheimer records in poetry the life and times of one of America's best-known scientists, the father of the atomic bomb who later lobbied for containment of nuclear weaponry. In brief, elegant stanzas, Kelly Cherry examines Oppenheimer's inspirations, dreams, and values, visiting the events, places, and people that inspired him or led him to despair. She finds his place among scientists of his own time, such as Alan Turing and Albert Einstein, as well as his connections with historical

and mythological figures from John Donne to Persephone. “Of course he had blood on his hands. Who did not?” says Cherry, in “The Nature of War.” Again and again in the course of this remarkable poem, Cherry’s narration of Oppenheimer’s life compels her readers to contemplate the vagaries of science, guilt, and our responsibilities to each other. “Quartet for J. Robert Oppenheimer is a book length poem in which the architect of the atom bomb comes to embody America and the West’s Faustian control of nature and the paradoxical helplessness and guilt which that control entailed. Oppenheim is marvelous, complicated, flawed and admirable character, and these poems read like chapters in a novel without in any way abandoning the intensities of

feeling and image or delight in language we associate with lyric poetry. A terrific achievement and a compelling read.”—Alan Shapiro, author of *Life Pig and Reel to Reel*

*Poems (1914-1918)* Delphi Classics

Collected here are selections from Patti Smith's writings over the decade in which she made a lasting impact on America's underground literary and rock scene. Smith's work evokes the experimentation and the desire to break boundaries of those pre-punk days. Over one-quarter of the works selected are unpublished pieces from journals, performances, and Smith's personal papers. Heavily illustrated with photographs by Judy Linn, Robert Mapplethorpe, Edward Maxey, and others, *Early Work* brings together all

sides of Patti Smith, from the thoughtful intellectual to the explosive performer.

Shiv K. Kumar As A Post-Colonial Poet Is An Incisive And Well Researched Book. It Makes An Indepth Study Of The Entire Corpus Of Shiv K. Kumar S Poetry From All Angles Themes, Images, Idioms, Post-Coloniality And Technical Accomplishments. The Concluding Chapter Lays Emphasis On Kumar S Contribution To Post-Colonial Indian English Poetry. This Is An Invaluable Book On Kumar S Poetry, Meant Both For The Common Readers And Specialists In The Field.

*Woolgathering* Cambridge University Press

Set against the bleak backdrop of the

Yukon and the historical moment of the 1897 Klondike gold rush, this chronologically arranged series of sonnets is grounded in the lived experience of Finnish immigrants Anna and Abe Malm. Anna hauls her Anthony Wayne Washer into the wilderness and sets up a laundry business while Abe seeks his fortune. Anna and Abe share a unique history, revealed in the book's epigraph: Anna, nineteen years her husband's senior, had first raised him and then married him. Genoways's graceful formalism makes percussive music of a story marked by isolation and brutal difficulty. He manages a deft and plain-speaking rhyme that is in keeping with the tough lives his poems explore. The poems, which shift in frame from Anna's letters or Abe's diary to third-

person verse that captures the characters' inner thoughts, bring the vitality of luminous detail and psychological depth to the arc of history. Papermill InnerHarvesting

The gritty landscape and language of the working man from a great forgotten writer

Wool Gathering New York : Macmillan  
Auguries of Innocence is the first book of poetry from Patti Smith in more than a decade. It marks a major accomplishment from a poet and performer who has inscribed her vision of our world in powerful anthems, ballads, and lyrics. In this intimate and

searing collection of poems, Smith joins in that great tradition of troubadours, journeymen, wordsmiths, and artists who respond to the world around them in fresh and original language. Her influences are eclectic and striking: Blake, Rimbaud, Picasso, Arbus, and Johnny Appleseed. Smith is an American original; her poems are oracles for our times.

Auguries of Innocence Atlantic Publishers & Dist

Why do smokers claim that the first cigarette of the day is the best? What is the biological basis behind some heavy drinkers' belief that the "hair-of-the-dog" method alleviates the effects of a hangover? Why does marijuana seem to affect ones problem-solving capacity? Intoxicating Minds is, in the author's

words, "a grand excavation of drug myth." Neither extolling nor condemning drug use, it is a story of scientific and artistic achievement, war and greed, empires and religions, and lessons for the future. Ciaran Regan looks at each class of drugs, describing the historical evolution of their use, explaining how they work within the brain's neurophysiology, and outlining the basic pharmacology of those substances. From a consideration of the effect of stimulants, such as caffeine and nicotine, and the reasons and consequences of their sudden popularity in the seventeenth century, the book moves to a discussion of more modern stimulants, such as cocaine and ecstasy. In addition, Regan explains how we process memory, the nature of thought

disorders, and therapies for treating depression and schizophrenia. Regan then considers psychedelic drugs and their perceived mystical properties and traces the history of placebos to ancient civilizations. Finally, *Intoxicating Minds* considers the physical consequences of our co-evolution with drugs -- how they have altered our very being -- and offers a glimpse of the brave new world of drug therapies.

 A native of Michigan, and current resident of Columbia, Missouri, Shirley Smith Wilbert, Ph.D spent a great portion of her professional life in higher education. Her biography is listed in *The World's Who's Who of Women* (1983) and *Who's Who in Library and Information Science* (1982). Upon

retirement, she began to nurture her passion for writing poetry. She has published in a number of national poetry magazines, received the Editor's Choice Award by the International Library of Poetry, and was awarded honors in the Non-rhyming poem category by the annual Writer's Digest Writing Competitions on five different occasions. To support her writing, she is an active member of the Columbia Chapter of the Missouri Writers' Guild, the state's officially recognized professional writing organization. She served as its secretary (2000-01), and its president (2002-03). *A Passage to Shiv K. Kumar* Vivisphere Publishing

Life is many things and all the in-between. How big and wide will you live your life? From the author of *A Collection*

of *Tiny Stories* comes a compilation of poems, prose, and photographs to inspire and celebrate the deepest mysteries of the human heart. In *Musings, Woolgatherings, & Ghosts*, CK Sobey shows us how simply living our daily experiences can itself become a form of art. Exploring themes of spirituality, philosophy, and introspection, *Musings* takes us from the deep and insightful to the light and playful . . . and everything in between. As Suzanne Eder, author of *Alchemy of Self Love* says, "This book will touch you, open you, hold you, uplift you, delight you, and illuminate you." *Poetry Review* Harper Collins

Call it a plague art or survival toolkit; this woozy-eyed chapbook was born out of the timely arrival of an ambiguous

"date." When a charming young man shows up just a day before lockdown in March 2020, a first-time poet resorts to manic woolgathering to shield herself from a world in turmoil, to numb her own fears and anxieties. Poetry, music, madness, and midnight coalesce in a delicious amber haze as she takes on a heartsick chase through days and months of uncertainty and exhaustion. Played out in domestic corniches and quiet parks, this crisp covid caper has its moments of tenderness and magic. In a year when so much had been taken away from humans, these short, velvety poems cuddle seeds of an emotional unraveling and a strange self-possession.

The Index of American Periodical Verse

is an important work for contemporary poetry research and is an objective measure of poetry that includes poets from the United States, Canada, and the Caribbean as well as other lands, cultures, and times. It reveals trends in the output of particular poets and the cultural influences they represent. The publications indexed cover a broad cross-section of poetry, literary, scholarly, popular, general, and "little" magazines, journals, and reviews. The Power of Delight Createspace Independent Publishing Platform Dyed-in-the-Wool exhibits the poetic works of twenty-three writers who live in the mid-Hudson Valley, or who have lasting ties to the region, with poems that demonstrate the bounty of human perspective. You will find that this

collection, which displays the works of published authors, scholars, college students, professionals of various fields, painters, and musicians, is accessible to all people. Dyed-in-the-Wool presents an abundant, eclectic group of voices that are like windows of humanity looking out and in at the world.

*Velvet Grapes* JEC PUBLICATION

When the sheep family gets together, even the odd relatives are welcome! Once a year they gather -- Woolverton, Little Bo Sheep, Felice, Uncle Abe Ram, and the rest of the fleecy flock. It's baa-dminton here, sheep dipping there, brunching and lunching everywhere. It's kissing and hugging for each little lambly in this wild and woolly close-knit famby. Aren't you excited to be invited?

Quartet for J. Robert Oppenheimer Simon and Schuster

I reach for the new, knowing there is brokenness, I stretch my spirit. I peek through veils, revealing my shifting soul, always coming home. From the author of *Musings*, *Woolgathering*, & *Ghosts* comes a second volume of poetic prose and her own blend of Haiku and imagery, that will bring extraordinary insight into everyday life for everyone. CK Sobey's "surges" -- a mixture of musings, fleeting thoughts allowed to grow -- invite you into her inner chapel, to hear her personal talks with the inner guidance that follows her through life. From deeply personal to lighter and capricious meditations, *Outpourings* can be read a bit at a time, cover to cover, or by simply opening to a random page to

allow the words and images to move you at will. Playful and profound, *Outpourings* is what Author Anne Marie Bennett calls, ". . . raw, personal, and introspective."

*Musings, Woolgathering, & Ghosts*

Columbia University Press

A story of becoming an artist, by the godmother of rock'n'roll: the National Book Award-winning author of *Just Kids* Patti Smith 'A poet of distinction' *New York Times* 'Glorious' NPR 'Rare and ferocious' *Salon* 'Shockingly beautiful' *New York Magazine* Everything contained in this little book is true, and written just like it was. The writing of it drew me from my strange torpor and I hope that in some measure it will fill the reader with a vague and curious joy... In this small, luminous memoir, the

National Book Award-winner Patti Smith revisits the most sacred experiences of her early years, with truths so vivid they border on the surreal. The author entwines her childhood self - and its 'clear, unspeakable joy' - with memories both real and envisioned from her twenties on New York's MacDougal Street, the street of cafés.

*Woolgathering* was completed in Michigan, on Patti Smith's 45th birthday and originally published in a slim volume from Raymond Foye's Hanuman Books. Twenty years later, Bloomsbury is proud to present it in a much augmented edition, featuring writing that was omitted from the book's first printing, along with new photographs and illustrations.
