Q Skills for Success encourages students to think critically and succeed academically. Q's question-centred approach provides a unique critical thinking framework for each unit. This develops key cognitive skills such as analyzing, synthesizing, and evaluating - as well as developing the language skills essential for academic success. Learning outcomes are clearly stated at the start and end of the units, with competency self-evaluations and vocabulary check lists featuring the Academic Word List. This enables teachers to define learning outcomes effectively to accreditation bodies.
