A fresh start for these Irish sisters... The Wedding Journey by Cheryl St. John With a mysterious inheritance, Irish lass Maeve Murphy and her sisters can come to America. She's sure happiness awaits her, even if it can't come from widowed ship doctor Flynn Gallagher. Flynn may have his pick of the ladies, but only one cares as he does for the sick and poor. With Maeve, has his heart found safe harbor at last? Mistaken Bride by Renee Ryan When William Black's mail-order bride fails to appear at the Boston docks, beautiful, vibrant Bridget Murphy steps in. She will be a temporary nanny to his young twins...but she will not marry without love. William couldn't be more different from her faithless ex-fiancé. Yet that integrity Bridget so admires binds William to a promise that could keep them apart forever.

*The Middle Classes, 1900-1950* Hal Leonard Corporation

Imagine stepping into someone else's shoes. Walking back in time a century ago, which shoes would they be? A pair of silk sensations costing thousands of pounds designed by Yanturni of Paris, or wooden clogs with metal cleats that spark on the cobbles of a factory yard? Would your shoes be heavy with mud from trudging along duckboards between the tents of a front-line hospital or stuck with tufts of turf from a football pitch? Would you be cloaked in green and purple, brandishing a 'Votes for Women' banner, or would you be respectably dressed, restricted by your thigh-length corset? Great War Fashion opens the wardrobe of women in the years before the outbreak of war to explore the real woman behind the stiff, mono-bosomed ideal of Edwardian society, and closes it on a new breed of women who have donned trousers and overalls to feed the nation and work in munitions factories and who, clad in mourning, have loved and lost a whole generation of men. The journey through Great War Fashion is not just about the changing clothes and

fashions of the war years - it is a journey into the lives of the women who lived under the shadow of war and were irrevocably changed by it. Using material from her own extensive collection, renowned costume expert Lucy Adlington brings an inspiring generation of women to life with rare and stunning images alongside a narrative that is both deeply poignant and laugh-out-loud funny. *Oh! Calcutta!* The History Press Valerie Bernowski's a bumpy road to self-discovery is paved with a cynical sense of humor, a longing for love, and a struggle to find faith. Will Valerie realize that in order to move forward, she needs to let go of the pain of the past and the fear of her future?

**Tatler & Bystander** Critical Vision Edna O'Brien was born in Co. Clare in the 1930s. She is a prolific and lauded writer, writing novels, novellas, non-fiction, short stories, plays, screenplays, poetry, and books for children. Her writing career spans over 45 years, beginning with the first part of the *The Country Girls* trilogy in 1960, for which she won the Kingsley Amis Award for fiction. In 1995, she was awarded the European Prize for Literature in recognition of her life's work.

*Headpress Guide to the Counter Culture* Robinson

This is the true story of my life, my auto biography. The events all happened. Only the names of some of the participants have been changed. The story may well be biased, but it is how I remember it and if in the telling, I have done injustice to anyone then I am sorry. If I come across as conceited, shallow, or too clever for my own good, or without conscience I put my hand up and say so be it. It was truly a good life and I am grateful to all those I met on my life's long journey. Particularly my wife and my family without whose support, even when I let them down, has sustained me at all times.

*Well and Truly Caught* AuthorHouse Delightful accounts and keen observations taken during walks and journeys capturing month by month the essence of the seasonal changes taking place over a year in the countryside. This eclectic collection of short narratives also encompasses

some interesting character portrayals ranging from an impoverished tin miner, to an Earl and his family seat, along with personal recollections and a goodly dose of nostalgia. These imaginatively written narratives have been likened to 'a series of pictures painted with words' embracing such sights as a humble Dartmoor stream where 'strands of green weed waved like the flowing tresses of a child running in the wind' to the sombre grandeur of Glen Coe where 'dreary clouds were gashed asunder permitting a crimson stain to seep through like blood from a battle wound'. This is a book to be enjoyed by all who appreciate the countryside and the treasures it reveals, if you only take the time to stop and look.

*Town Journal* Austin Macauley Publishers An indispensable sampling of the vast assortment of publications which exist as an adjunct to the mainstream press, or which promote themes and ideas that may be defined as pop culture, alternative, underground or subversive. Updated and revised from the pages of the critically acclaimed *Headpress* journal, this is an enlightened and entertaining guide to the counter culture - including everything from cult film, music, comics and cutting-edge fiction, by way of its books and zines, with contact information accompanying each review.

*John Osborne* Routledge

Draws together contributions from the leading researchers to provide a contemporary evaluation of tartan and tartanry.

*A Far Reaching Dream* Penguin

This book required a lifetime of experience and sixteen years to write. Mind you, there was an eight-year gap in the middle when the author had to return to full-time, salaried employment. The chapters are presented alphabetically, so in theory it is possible to take any chapter, and read it in its own right. Once a reader has read all twenty-six chapters, he or she will have a sum of all the parts: a completed 'jigsaw' of Hal T. Strapel's story. Truth or fiction? Let the reader decide. Jane C.: "In 'Turning Thai', I think a very vivid picture of Thailand is presented - it all sounded very exotic to me sitting in dull old middle

England. Lots of well-described local colour and all fluently articulated. The author met up with some colourful characters and gives an honest appraisal of how they affected him as a traveller in uncharted territory. There is definitely an eye for detail and the sights, sounds and smells leap off the page. I had a good laugh at the cockroach episode, which sounds very callous of me, but it resonated with me as I had a similar sort of experience in Sicily with a very large spider." John H.: "I found 'Bilious Belligerent Bowels' highly entertaining, particularly when Hal was describing the attentions of the nurse and her colleagues. Charlie H.: "I found 'Queenish Quirks' an intriguing and easy read that connects cultures in a relatable way." Lee F.: "I enjoyed reading 'Lust for Lingerie'. It sounds voyeuristic in itself! As a man who spent his working life in ladies knickers I can see the author is knowledgeable!" Johnny B.:

The Wedding Journey & Mistaken Bride  
Lulu.com

This unique and fascinating book, meticulously and systematically develops a theory of male femaling which has major ramifications for both the field of 'transvestism' and 'transsexualism' and for the analysis of sex and gender more generally.

The Homestead AuthorHouse

The history of the knicker is a history of women's rights as much as fashion. From Queen Victoria and the Quaker reformer Amelia Bloomer to the G-string, Rosemary Hawthorne is the perfect guide through this fascinating history. As entertaining as it is informative, Rosemary Hawthorne exposes the true history of women's fashion, social history delivered with a large helping of humour, irreverence and evocative illustrations of knickers, drawers, pantaloons, bloomers and g-strings. One of Britain's leading fashion historians describes, like never before, the liberty bodice, the mighty Y-front and much much more... there isn't a brief left unturned! Did you know--that before the 1800s no nice women wore knickers at all? That underneath their crinolines Victorian women wore knickers with separate legs? That before the advent of elastic, knickers were held up with buttons, tapes and even soldier straps? That until World War II many poorer people made their knickers out of flour bags? That during the War women made hand knitted knickers? That in the '60s women enjoyed a craze for throwaway paper panties? That in the most parts of the world you can buy multi-flavoured edible knickers. This is the book that gets to the bottom of what is worn

next to nothing

The Four Last Things Routledge

The 20th Century was a fast-paced race into modernization-but how did it affect what we wear? From revolutionary politics to the new machine age, from war and depression to growth and prosperity, 20th-Century Dress in the United States shows how fashion goes hand-in-hand with history. The authors examine American dress from 1898 to 2004 and find innovation at every turn. Diversity and complexity are key: far from the fashion stereotypes embodied by popular ideas of "the Twenties" or "the Sixties"-periods noted for their youthful upheaval and influence-we see how every era has its conformists and rebels, from the Arrow Collar Man and the Gibson Girl to flappers, bell-bottom-clad hippies, and Jackie Kennedy. Each chapter explores the social, cultural, economic, artistic, and technological themes that shape fashion in both festive and everyday clothing. Changes in retailing and manufacturing are also examined, from the sweatshops of yesterday to the Internet shopping of today. From high fashion to low, glitz to grunge, this vivid and comprehensive book explains what we wear on our backs-and why.

Confessions of a Catholic Schoolgirl

Conran Octopus

Queer Masculinities: A Critical Reader in Education is a substantial addition to the discussion of queer masculinities, of the interplay between queer masculinities and education, and to the political gender discourse as a whole. Enriching the discourse of masculinity politics, the cross-section of scholarly interrogations of the complexities and contradictions of queer masculinities in education demonstrates that any serious study of masculinity—hegemonic or otherwise—must consider the theoretical and political contributions that the concept of queer masculinity makes to a more comprehensive and nuanced understanding of masculinity itself. The essays adopt a range of approaches from empirical studies to reflective theorizing, and address themselves to three separate educational realms: the K-12 level, the collegiate level, and the level in popular culture, which could be called 'cultural pedagogy'. The wealth of detailed analysis includes, for example, the notion that normative expectations and projections on the part of teachers and administrators unnecessarily reinforce the values and behaviors of heteronormative masculinity, creating an institutionalized loop that disciplines masculinity. At the same time, and for this very reason, schools represent

an opportunity to 'provide a setting where a broader menu can be introduced and gender/sexual meanings, expressions, and experiences boys encounter can create new possibilities of what it can mean to be male'. At the collegiate level chapters include analysis of what the authors call 'homosexualization of heterosexual men' on the university dance floor, while the chapters of the third section, on popular culture, include a fascinating analysis of the construction of queer 'counternarratives' that can be constructed watching TV shows of apparently hegemonic bent. In all, this volume's breadth and detail make it a landmark publication in the study of queer masculinities, and thus in critical masculinity studies as a whole.

Reagan: What Girls Want Bloomsbury Publishing

John Osborne, the original Angry Young Man, shocked and transformed British theater in the 1950s with his play *Look Back in Anger*. This startling biography—the first to draw on the secret notebooks in which he recorded his anguish and depression—reveals the notorious rebel in all his heartrending complexity. Through a working-class childhood and five marriages, Osborne led a tumultuous life. An impossible father, he threw his teenage daughter out of the house and never spoke to her again. His last written words were "I have sinned." Theater critic John Heilpern's detailed portrait, including interviews with Osborne's daughter, scores of friends and enemies, and his alleged male lover, shows us a contradictory genius—an ogre with charm, a radical who hated change, and above all, a defiant individualist.

Quaker School Girl Samplers from Ackworth Casemate Publishers

Part instruction book, part therapy, part religious cult, part sheer anarchy, this wickedly funny day planner will help readers stick a spoke in the wheel of their routine, every day of the first year of their new life.

Knickers Souvenir Press

Meet Reagan. He's just a randy cab driver, a regular guy who leads a regular life. Trouble is, girls just see him and want him. He's a one-man girl-magnet and he can't say no to their advances. There are some men who scoop up women without even trying. They have a natural 'devil may care' attitude that allows life's problems to swerve around them without touching them directly. Trouble is life's problems have a habit of finding them out.

Post-War Childhood Macmillan

On the one hand, there's Lola. A grumpy retired policewoman who cannot get by

without her two best friends: red wine and jigsaw puzzles. On the other, there's Ingrid, an American in love with Paris. By day she gives the best massages in the city, and her long nights are wilder still. Their paths might not have crossed were it not for the murder of a young neighbor. Vanessa Ringer's body is found in the flat she shared with two school friends, mutilated in the most cruel and unusual manner. Suspicion falls on Maxime Duchamp, a charming restaurateur whose suave exterior hides a tragic past. Convinced of his innocence, Lola and Ingrid hit the streets to unmask the real killer. Meanwhile, lying low, the victim's spurned lover, a high-stakes thief with one last heist to go, is plotting his revenge. His inner demon, the Dark Angel, has foreshadowed all.

Male Femaling Lulu.com

(Applause Books). Featuring ruffled PIs, shyster lawyers, corrupt politicians, double-crossers, femmes fatales, and, of course, losers who find themselves down on their luck yet again, film noir is a perennially popular cinematic genre. This extensive encyclopedia describes movies from noir's earliest days and even before, looking at some of noir's ancestors in US and European cinema as well as noir's more recent offshoots, from neo-noirs to erotic thrillers. Entries are arranged alphabetically, covering movies from all over the world from every continent save Antarctica with briefer details provided for several hundred additional movies within those entries. A copious appendix contains filmographies of prominent directors, actors, and writers. With coverage of blockbusters and program fillers from *Going Straight* (US 1916) to *Broken City* (US 2013) via *Nora Inu* (Japan 1949), *O Anthropos tou Trainou* (Greece 1958), *El Less Wal Kilab* (Egypt 1962), *Reportaje a la Muerte* (Peru 1993), *Zift* (Bulgaria 2008),

and thousands more, *A Comprehensive Encyclopedia of Film Noir* is an engrossing and essential reference work that should be on the shelves of every cinephile. *Blazers, Badges and Boaters* Routledge Through analyzing dress in detective fiction, *Fear and Clothing* reveals a cultural history of identity affected by the social upheaval caused by war. In-depth analysis of interwar publications by a comprehensive range of writers reveals readers' anxieties and fears about class, gender and race and how these changed over the period. Although read and written by both men and women, detective fiction was deemed at the time to be a masculine and high-status entertainment. However the literature demonstrates an admiration and acceptance of the woman's identity, performed during the Great War and continuing throughout the interwar period, as girl pal and female gentleman. In chapters that explore age, character, class, masculinity, performative womanhood and race, Jane Custance Baker exposes how dress was a status marker to both male and female readers, made anxious by social change brought about by war. Dress in detective fiction reveals a set of signs to be read, digested, and possibly employed to model the individual reader's personal dress choices. *Fear and Clothing* sheds new light on dress of the period, the social and cultural environment as depicted in the popular fiction genre in the early 20th century, and is of interest to researchers and scholars within dress history, literary and historical studies, as well as anyone who enjoys the history of detective fiction.

*A Sociology of Japanese Youth* michelle kane

Japanese society in the 1990s and 2000s produced a range of complicated material about sexualized schoolgirls, and few topics have caught the imagination of

western observers so powerfully. While young Japanese girls had previously been portrayed as demure and obedient, in training to become the obedient wife and prudent mother, in recent years less than demure young women have become central to urban mythology and the content of culture. The cultic fascination with the figure of a deviant school girl, which has some of its earliest roots in the nineteenth and early twentieth centuries, likewise re-emerged and proliferated in fascinating and timely ways in the 1990s and 2000s. Through exploring the history and politics underlying the cult of girls in contemporary Japanese media and culture, this book presents a striking picture of contemporary Japanese society from the 1990s to the start of the 2010s. At its core is an in-depth case study of the media delight and panic surrounding delinquent prostitute schoolgirls. Sharon Kinsella traces this social panic back to male anxieties relating to gender equality and female emancipation in Japan. In each chapter in turn, the book reveals the conflicted, nostalgic, pornographic, and at times distinctly racialized manner, in which largely male sentiments about this transformation of gender relations have been expressed. The book simultaneously explores the stylistic and flamboyant manner in which young women have reacted to the weight of an obsessive and accusatory male media gaze. Covering the often controversial subjects of compensated dating (*enjo kôsai*), the role of porn and lifestyle magazines, the historical sources and politicized social meanings of the schoolgirl, and the racialization of fashionable girls, *Schoolgirls, Money, Rebellion in Japan* will be invaluable to students and scholars of Japanese culture and society, sociology, anthropology, gender and women's studies.
