The Japanese Art of Decluttering and Organizing
Prentice Hall
Located in Elk County atop the Allegheny Mountains, Sancta Marienstadt (St. Marys)

was founded in 1842 on the feast day of Mary. Establishing St. Marys as a refuge to preserve their German Catholic roots, the hardy pioneers of the area eventually embraced a multiethnic, progressive cityscape. Early settlers farmed and developed natural resources. When the extractive industries of timber, coal, and clay were exhausted, the town could have withered away. Instead, the industrious people turned to the new technologies of carbon and powdered metal. St. Marys

flourished, becoming a leader in the world in these fields, and was labeled the “Carbon City.” St. Marys recounts the success of this experiment through photographs from the St. Marys and Benzinger Township Historical Society, illustrating the many paths taken by the people of St. Marys to realize the faith of their founders.

Presents eight specially written chapters which provide a coherent survey

of major issues in the study of language and communication, and which show how these are related to questions of practical concern in the learning and teaching of second and foreign languages. The issues discussed have been selected primarily for their relevance to applied linguistics, and there is a unifying interest in how language reflects the communicative functions it performs as well as in the process involved in using language for communication. Each

chapter presents a self-contained survey of a central issue, is prefaced by an introduction linking the different perspectives, and is followed by discussion questions to aid effective use of the text in applied linguistics courses.

ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN

Japanese cleaning

consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed

guidance for determining which items in your house “spark joy” (and which don’t), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.
