The Little Friend Jilly Bangs

This is book 3 and the finale of the Shattered Hearts MC romance series! Dirk Dvorak takes what he wants. He came to keep me safe. He won’t rest until he’s claimed me for himself. But betrayal on all sides leaves us with only each other. Can I trust the man who’s sworn to break me? MEGHAN I got away from the biker life a long time ago. Since then, I’ve put as much distance as possible between myself and my brother’s club, the Shattered Hearts MC. I built a new life. Away from the hatred. Away from the violence. But then my brother gets in touch and tells me I’m in danger. Now, whether I like it or not, he’s pulling me back into the world of the Hearts to “protect” me. The man he sends to collect me is everything I ran away from. Dirk Dvorak is dangerous, deadly, and drop-dead gorgeous. And if I’m not careful, he’s going to break my heart. DIRK One rule in the biker world: Do what your president says. But when the job turns out to be collecting his baby sister and keeping her out of trouble, the stakes are that much higher. I’m supposed to keep my hands to myself. But that’s impossible. Because Meghan is sassy, fierce, and too tempting. I’ve kept my distance until now, but I won’t last much longer. The problem is, it’s never as simple as making her mine. This started as a straightforward bodyguard gig. But then the killers came for us. And now it’s a whole new ballgame. There’s blood to be shed. A woman to be protected. And maybe, at the end of all this... A new life with her, there for the taking.

The New York Times bestselling book from Supreme Court Justice Ruth Bader Ginsburg—“a comprehensive look inside her brilliantly analytical, entertainingly wry mind, revealing the fascinating life of one of our generation's most influential voices in both law and public opinion” (Harper’s Bazaar). My Own Words “showcases Ruth Ginsburg’s astonishing intellectual range” (The New Republic). In this collection Justice Ginsburg discusses gender equality, the workings of the Supreme Court, being Jewish, law and lawyers in opera, and the value of looking beyond US shores when interpreting the US Constitution. Throughout her life Justice Ginsburg has been (and continues to be) a prolific writer and public speaker. This book’s sampling is selected by Justice Ginsburg and her authorized biographers Mary Hartnett and Wendy W. Williams, who introduce each chapter and provide biographical context and quotes gleaned from hundreds of interviews they have conducted. Witty, engaging, serious, and playful, My Own Words is a fascinating glimpse into the life of one of America’s most influential women and “a tonic to the current national discourse” (The Washington Post).

Sissy slut gets trained in the art of being a good little bitch, then gets put on the market to the Master that's willing to pay this little faggot must obey. ". My duty as a well-trained sissy was clear so I started to stroke it. This evoked a groan from Daddy. Soon he was panting and his peepee was rock hard. Daddy pushed me to the floor making me think he would force me to suck him. Instead he climbed off the lounge, positioned me kneeling over one of the cushions and knelt behind me. I felt his peepee pushing through the split in my panties and being forced into the crack between my rounded cheeks. Daddy would dearly have loved to push into my bottom but had to make do with rubbing back and forth, trapped between my buttocks and the tight panties. His..." ". I followed and glimpsed a tall handsome man sitting at the far end of the room as I kneeled. "Come." Keeping my head down, I crawled behind Jasmine until she stopped and rested her forehead on the floor. I crawled next to her and pressed my head to the floor. In front of my face was one of master's feet which he tapped against my head. I lifted my head to allow him to push the foot under my face so that I could kiss it. I did so, not stopping until ..." "master slashed the cane down upon the hapless slave's tender parts. Rather than a scream jasmine gasped out a sigh. Time and again the cane whistled through the air to strike the delicate flesh until Jasmine's orgasm rippled through her. Her red striped cunny and bottom were slick with her juices as she writhed in pleasure. Eventually she calmed down. "Now that she is tender and moist, please feel free to use her for your pleasure" master said to the captain who wasted no time in freeing his thick member from his trousers. Although not ..." Billy Don't, a novel, takes place in Oakland, and other parts of California during the 1930's. It is a story of the conflicts and behaviors which take place in a young boy who is placed with his older sister and younger brother in a boarding home run by the Blair's. The conflict comes form the evangeslistic preaching of Mrs. Blair who constantly tells Billy, "Your sole will turn black" or "God will send you to the Devil," and the other understandings he has gained from his grandmother who has taught, "God sees the good in you." Billy's often wild and vicious behaviors are driven by his hatred for Mrs. Blair. It is a story of young boy's desperate search for love and understanding.

 The whooping crane rustlers are girls. Young girls. Cowgirls, as a matter of fact, all "bursting with dimples and hormones"—and the FBI has never seen anything quite like them. Yet their rebellion at the Rubber Rose Ranch is almost overshadowed by the arrival of the legendary Sissy Hankshaw, a white-trash goddess literally born to hitchhike, and the freest female of them all. Freedom, its prizes and its prices, is a major theme of Tom Robbins's classic tale of eccentric adventure. As his robust characters attempt to turn the tables on fate, the reader is drawn along on a tragicomic joyride across the badlands of sexuality, wild rivers of language, and the frontiers of the mind.
