I fan della Stephanie Plum di Janet Evanovich e della Miss Fortune di Jana DeLeon troveranno in Holly Hands un nuovo personaggio da amare! Holly Hands. 29 anni. Mamma single. Ex professionista di pugilato in disgrazia. Pignoratrice. Pignorare Lamborghini e altri giocattolini di lusso da gente criminale è un gioco da ragazzi per Holly. Ma trovare un cadavere - e risolvere un omicidio - no. Fortunatamente, Holly ha la fortuna dalla sua: un pitbull trascurato che ha trovato durante un lavoro e che rifiuta di abbandonarla, e che - come lei - non ha nessun'altra direzione da prendere se non salire. Insieme magari riusciranno a strisciare fuori dall'inferno urbano del lato sbagliato di Baltimore in cui vivono, dove tornare a casa la sera è addirittura più pericoloso che andare al lavoro. Magari Holly riuscirà a ottenere per sua figlia le cure mediche di cui ha bisogno, facendola uscire dalla pericolosa scuola pubblica, inserendola nell'istituto scolastico privato dei suoi sogni. Sempre forse, potrà magari innamorarsi di quel papà alla scuola private, che vive dall'altra parte della città, dando il via a una vita del tutto nuova. O forse no. La vita non è mai stata facile per Holly. E se i giorni appena passati - e il cadavere nel suo bagagliaio - ne sono un'indicazione, le cose non possono che peggiorare. **AL TAPPETO (UN GIALLO INTIMO E LEGGERO DI HOLLY HANDS)** è il libro #1 di una intrigante nuova serie di gialli, un thriller che vi farà girare le pagine senza sosta dalla prima all'ultima. Preparatevi a ritrovarvi a leggere nel cuore della notte, con gli occhi gonfi, innamorandovi follemente di un nuovo personaggio che vi entrerà di diritto nel cuore. Sono disponibili anche il libro #2 (**COLPO IMPREVISTO**) e il libro #3 (**COLPO BASSO**) della serie.

Dizionario parmigiano-italiano Mia Gold

Siena, anno 1483 d.C. Alla vigilia del Palio in onore di Santa Maddalena, Edmundo si scontra con due fantasmi venuti dal suo passato: una misteriosa donna uguale alla persona a lui più cara, e un acerrimo nemico sfuggito come lui alla caduta di Costantinopoli con il prezioso Codice originale d'Avicenna. Una brutale scia di sangue porterà lo speciale quasi alla follia e metterà a repentaglio anche la vita dei suoi più cari amici. Seconda indagine con protagonisti Goffredo Fortespada ed Edmundo de la Turre.

Joshua and The Brotherhood of the Ark

Simon and Schuster
«La mattina del 20 marzo del 1394 Firenze si sveglia con il rintocco delle campane a morto. I fiorentini sanno perfettamente di cosa si tratta e un po' alla volta cominciano a sciamare verso Piazza della Signoria... Alla salma di John Hawkwood -il condottiero inglese ribattezzato Giovanni Acuto- la città tributa l'onore di un vero e proprio funerale di stato. Quello che era stato il più grande e temuto capitano al soldo dei fiorentini, costato uno sproposito da vivo, nemmeno da morto era stato a buon mercato...»

Guida al cinema Oxford University Press
First volume in a trilogy about Alexander the Great.

Dizionario parmigiano-italiano Ilario Peschieri Public Affairs
Edinburgh, 1844. Beautiful Aileana Kameron only looks the part of an aristocratic young lady. In fact, she's spent the year since her mother died developing her ability to sense the presence of Sithichean, a faery race bent on slaughtering humans. She has a secret mission: to destroy the faery who murdered her mother. But when she learns she's a Falconer, the last in a line of female warriors and the sole hope of preventing a powerful faery population from massacring all of humanity, her quest for revenge gets a whole lot more complicated. The first volume of a trilogy from an exciting new voice in young adult fantasy, this electrifying thriller blends romance and action with steampunk technology and Scottish lore in a deliciously addictive read.

La Civiltà cattolica Chronicle Books

'It is impossible to say just what I mean!'

Prufrock's frustration in Eliot's celebrated poem underlines the pessimistic view of language at the heart of much Modernist poetry. Locating the greatest Italian poet of the twentieth century, Eugenio Montale, firmly within European Modernism, this book examines the struggle with language that is central to his work. What can a poet do when words fail him? Does he put down his pen, retreat into silence? Does he seek instead to push language towards its limits, and, if so, what tools can he employ? What part does metaphor, the via negativa, allusive or understated writing have in this process? These are just some of the issues that Clodagh J. Brook seeks to address. In its unravelling of the inexpressibility paradox, her book offers a new reading of Montale's early verse, and reveals how in articles and metapoetic comments Montale gives us insights into both his poetics and the whole process of expression.

The Beast of Gévaudan Sperling & Kupfer editori

A breathtaking thriller, employing both history and mystery, capturing the attention of the reader from the first to the last page and which illuminating the darkest scenarios of the history of Christianity and Judaism. A novel about men ready to do anything, interested not in the truths of their faith, but in protecting some of the greatest mysteries of humanity. What is the Ark of the Covenant, really? What is hidden inside? Who was Moses, really? What if, despite the millennial tradition of the Promised Land, Moses had been no one other than a warrior in search of the power and fame he hadn't found in the Egyptian court? What if he ran away from Egypt to fulfill his dreams of glory elsewhere, setting on fire anyone who got in the way of his plans? Was Joshua, the putative son of the carpenter Joseph, really the only begotten son of God? What was the actual role of the twelve apostles? What if the dogma in which we believe was only the consequence of their betrayal, artfully designed to make Jewish prophecies about the Messiah converge on Joshua in order to achieve their great purpose? Did the twelve apostles so want to give birth to a new religion that they sent their Master to

be crucified and made him appear to be resurrected? Plausible? Maybe ...The centuries pass and the temporal power of the Church of Rome grows. Marco Polo, a rich and famous Venetian merchant, establishes himself as an ambassador for the Khan, the emperor of Cathay. But who was this merchant actually? And what was the relationship between his family and the apostles? Nowadays, we wonder what might have been behind the tragic death of Pope Luciani after only thirty-three days? Maybe someone feared that his ideas of innovation would shake the millennial sand foundations of the Vatican? What is pushing the current Pastor of Christians to act so differently from his predecessors? His wonderful ideas of renewal are changing the face of the Catholic Church. What is behind all this? Joshua and the Brotherhood of the Ark is a thriller that unfolds over the centuries with secrets, power games and mysteries. Those who read it in preview, judged it to be "...a novel that insinuates itself through the dark paths of the history of the great monotheistic religions." Marcella Nardi knows how to use, with great skill and preparation, not only her imagination, but above all, the theories of many scholars regarding the figure of Joshua, the son of the carpenter Joseph. How did one of the greatest religions of all time arise from a good and meek man, who had no interest in power? Joshua and the Brotherhood of the Ark is a novel to be read page by page, leaving the mind free to fly through time, as the writer did.

La chiave del tempo Lampi di stampa MAFIA. CAMORRA. 'NDRANGHETA. The Sicilian mafia, known as Cosa Nostra, is far from being Italy's only dangerous criminal fraternity. The country hosts two other major mafias: the camorra from Naples; and, from the poor and isolated region of Calabria, the mysterious 'ndrangheta, which has now risen to become the most powerful mob group active today. Since they emerged, the mafias have all corrupted Italy's institutions, drastically curtailed the life-chances of its citizens, evaded justice, and set up their own self-interested meddling as an alternative to the courts. Yet each of these brotherhoods has its own methods, its own dark rituals, its own style of ferocity. Each is uniquely

adapted to corrupt and exploit its own specific environment, as it collaborates with, learns from, and goes to war with the other mafias. Today, the shadow of organized crime hangs over a country racked by debt, political paralysis, and widespread corruption. The 'ndrangheta controls much of Europe's wholesale cocaine trade and, by some estimates, 3 percent of Italy's total GDP. Blood Brotherhoods traces the origins of this national malaise back to Italy's roots as a united country in the nineteenth century, and shows how political violence incubated underworld sects among the lemon groves of Palermo, the fetid slums of Naples, and the harsh mountain villages of Calabria. Blood Brotherhoods is a book of breathtaking ambition, tracing for the first time the interlocking story of all three mafias from their origins to the present day. John Dickie is recognized in Italy as one of the foremost historians of organized crime. In these pages, he blends archival detective work, passionate narrative, and shrewd analysis to bring a unique criminal ecosystem—and the three terrifying criminal brotherhoods that have evolved within it—to life on the page.

Le lettere spirituali e familiari di S. Caterina de' Ricci Rizzoli

"Eccoli ai miei piedi gli uomini migliori della Grecia. In futuro, mi avrebbero ricordata e adorata come una divinità: ero colei che aveva dato la propria vita perché loro potessero inseguire la morte". Circe, Ifigenia, Dafne e Cassandra. Maghe, sorelle, amanti. Cosa sappiamo davvero di loro? Di come hanno amato e vissuto conosciamo quello che i protagonisti maschili ci raccontano. Ma i miti sono come un prisma, che riverbera storie diverse, a seconda della luce a cui lo rivolgi. E allora, se indaghi, scopri che queste quattro magnifiche figure femminili sono vincolate tra di loro da legami invisibili e che si proteggono a vicenda, si ascoltano, soccombono o vincono davanti alla prepotenza degli uomini e degli dei. Circe, Ifigenia, Dafne e Cassandra sono creature solitarie che si battono per affermare la propria libertà di amare. Perché quando si è divine si ama con il tormento che sia per sempre e quando si è umane con lo strazio che sia per poco, qui e ora...

La Bete du Gevaudan was a real wolf-like monster living in the Auvergne from 1764 to 1767. She killed about one hundred people. Prowling Catholic pre-Revolutionary France, she spread terror among the aristocrats and peasants of the beautiful Auvergne countryside. Her story beats most mystery novels in false trails, horror and atmosphere. The big difference is La Bete was real, not fiction, and leaves for ever the unanswered question, "What was she?" All efforts to stop her failed and she became infamous throughout France. The king - Louis XV - took a personal interest in her activities and how to destroy her. Many explanations - alien, prehistoric beast, mutant etc. - were put forward at the time and during the two centuries since but none have ever been widely accepted. A mass of evidence remains that La Bete did exist and was not just a legend. Compared with other monster mysteries she is unique, leaving graves, witnessed parish records, and archives of official documents, many of them included in this book, proving her real and guilty beyond doubt. Read Pourcher's book carefully and draw your own conclusions. Even if you arrive at a conventional solution to the mystery, doubts might linger as darkness falls. If twigs crack, don't whistle."

Garibaldi

Tra storia e geopolitica il meglio del Khayyam's Blog: un viaggio unico tra articoli, recensioni, biografie e interventi raccolti per la prima volta in un solo volume. Sei anni di analisi socio-economiche e suggestioni culturali che raccontano tra mito e realtà - oggi come ieri -, due mondi di una ricchezza intellettuale inestimabile. Un diario «in picciol campo di ristretto foglio» dalle infinite suggestioni, anche letterarie.
