### Historical Dictionary of the Berbers

(**Imazighen**) Cambridge University Press  
Focusing on conversion as one of early modern Europe's most pressing issues, the present book offers a comprehensive

reading of artistic and literary ways in which spiritual transformations and exchanges of religious identities were given meaning.

- Divine Intervention: Christian and Islamic -- Conversion and Resistance -- Ransom and Return -- Captivity of Books -- Epilogue:  
Esclaves turcs in

Sculpture -- Postscript: How Should the Sculptures Be Treated? *Grand dictionnaire universel du 19. siecle francais, historique ... comprenant: la langue francaise; la prononciation ...* SUNY Press  
Napoleon Bonaparte dominated the public life of Europe like no other individual before him. Not surprisingly, the story of the man himself has usually swamped he stories of his subjects. This book looks at the history of the Napoleonic Empire from an entirely

new perspective – that of the ruled rather than the ruler. Michael Broers concentrates on the experience of the people of Europe – particularly the vast majority of Napoleon's subjects who were neither French nor willing participants in the great events of the period – during the dynamic but short-lived career of Napoleon, when half of the European continent fell under his rule.

Towards the end of her life, the French philosopher and mystic Simone Weil (1909-43) was working on a tragedy, *Venice Saved*. Appearing here in English for the first time, this play explores the realisation of Weil's own thoughts on tragedy. A figure of affliction, a central theme in Weil's religious metaphysics, the central character offers a unique insight into Weil's

broader philosophical interest in truth and justice, and provides a fresh perspective on the wider conception of tragedy itself. The play depicts the plot by a group of Spanish mercenaries to sack Venice in 1618 and how it fails when one conspirator, Jaffier, betrays them to the Venetian authorities, because he feels compassion for the city's beauty. The edition includes notes on the play by the translators as well as introductory material

on: the life of Weil; the genesis and purport of the play; Weil and the tragic; the issues raised by translating Venice Saved. With additional suggestions for further reading, the volume opens up an area of interest and research: the literary Weil.

Histoire de l'Empire de Russie, par M. Karamsin; traduite par mm. St.-Thomas et Jauffret. Tome premier [-onzieme]  
Rowman & Littlefield  
Both Sides Now is a thought-provoking collection of short stories

by Vancouver Island writers Derek Hanebury, Vicki Drybrough, and Libbie Morin. Ranging in time from the 1950s to the present, these stories will draw the reader in to the world of a boy and his younger brother who struggle to find the perfect gift for their ailing grandfather, a troubled veteran who tries to escape the past by settling in a small community, and a young girl who goes to the circus alone and encounters more than she imagined. From beginning to end,

you will enjoy stories that are crafted with empathy and insight to give the reader a satisfying experience.

"The War Chief of the Six Nations: A Chronicle of Joseph Brant" tells the story of Joseph Brant, a Mohawk military and political leader closely associated with Great Britain during and after the American Revolution. Brant was famous for leading Mohawk and colonial Loyalists known as "Brant's Volunteers" against the rebels in a bitter partisan war on the New York frontier. He was considered a strong

political leader who met with George Washington and King George III.

This second edition of Historical Dictionary of the Berbers contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 200 cross-referenced entries on important personalities, places, events, institutions, and aspects of culture, society, economy, and politics.

*Anthropology today*

Bloomsbury Publishing

In a series of intimate and searing portraits, Nathan Wachtel traces the journeys of the seventeenth- and eighteenth-century Marranos—Spanish and Portuguese Jews who were forcibly converted to Catholicism but secretly retained their own faith. Fleeing persecution in their Iberian homeland, some sought refuge in the Americas, where they established transcontinental networks linking the New World to

the Old. The Marranos—at once Jewish and Christian, outsiders and insiders—nurtured their hidden beliefs within their new communities, participating in the economic development of the early Americas while still adhering to some of the rituals and customs of their ancestors. In a testament to the partial assimilation of these new arrivals, their faith became ever more syncretic, mixing elements of Judaism with Christian practice and theology. In many cases,

the combination was fatal. Wachtel relies on inquisitorial archives of trials and executions to chronicle legal and religious prosecutions for heresy. From the humble Jean Vicente to the fabulously wealthy slave trafficker Manuel Bautista Perez, from the untutored Theresa Paes de Jesus to the learned Francisco Maldonado de Silva, each unforgettable figure offers a chilling reminder of the reach of the Inquisition. Sensitive to the lingering tensions within the Marrano communities,

Wachtel joins the concerns of an anthropologist to his skills as a historian, and in a stunning authorial move, he demonstrates that the faith of remembrance remains alive today in the towns of rural Brazil.
