Becoming the Woman God Wants Me to Be FaithWords
A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church
What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left

wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Christians often hear the idea that following Jesus means that we should be living a life of full satisfaction. How many of us actually experience that kind of life? Amy Simpson wants to debunk this satisfaction myth in the church. After forty years of walking with Jesus, she writes, "I am deeply unsatisfied not only with my ability to reflect Jesus, but also with the very quality of my intimacy with him. I strongly suspect that the abyss of my nature has not been entirely satisfied by Jesus." Hers is a freeing confession for us all. Simpson explains that our very dissatisfaction indicates a longing for God, and understanding those longings can bring us closer to relationship with him. And that is where true spiritual health and vitality reside. Read on to discover anew what it truly means to be satisfied in Christ.

Nearly everything we do in life is the result of our habits. The good ones bring peace, joy and power into our lives, and the bad ones steal our peace and joy and prevent our success. In this book, Joyce Meyer explains how to develop good habits -- the things you really want to do -- and break the bad ones, putting an end to frustration, discouragement and stress that drains your energy. The most important habit comes first: the God habit. Next comes a willingness to work for the results you want. Joyce reminds us that, "if we don't pay the price for freedom, we will end up paying the price for bondage". Next comes the power of our words. Our words and the thoughts that propel them have tremendous power over our actions, and repeated actions are the basis of our habits. There are eleven more habits that Joyce discusses in depth, including the habits of happiness, faith, excellence, responsibility, generosity, discipline, decisiveness and confidence. "Choose one area and begin," she urges. "Don't feel overwhelmed by all the changes that are needed. One thing at a time, one day at a time is the best plan. Celebrate every day of success, and when you make mistakes, shake off the disappointment and keep going forward." You can transform your life, one habit at a time.

What keeps women from being their best? Joyce has been helping women better themselves by helping identify emotional barriers and physical, mental, and spiritual obstacles in their lives for years. Now she provides another answer-confidence. Our society has an insecurity epidemic, women in particular. Compensating by pretending to be secure-a common response-only leads to

feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds, and in marriage instances can even lead to divorce. In *THE CONFIDENT WOMAN*, Joyce explores the seven characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith, in God and in ourselves.

Drawing on her own experiences of trauma and difficulties, renowned Bible teacher and bestselling author Joyce Meyer shares her expertise on how to grow and live a happy and joyous life. Joyce Meyer is probably better equipped than anyone when it comes to never giving up. She overcame an abused childhood, a bad marriage and extremely limited opportunities to become one of the most popular author/speakers in the world.

JoyceMeyerMinistries was the first ministry in America to be headed by a woman, and it's one of the largest in the world. If anyone knows how to hold on to a dream and realize it, it's her. Packed with examples of people who pursued their goals relentlessly, the book profiles nearly fifty individuals who prevailed against all odds. From the builder of the Brooklyn Bridge to the chemists who invented Post-It notes we meet people like Bessie Coleman, an African-American who had to go to flight school in Paris in order to learn how to fly. But she did, becoming the first woman in America to earn her pilot's license in 1920.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I have a speech impediment that makes me feel pretty insecure. I remember how my third-grade teacher made me walk to the front of the classroom and then ridicule me in front of my classmates. That was decades ago, but Satan still uses that memory to trigger anxiety attacks in my mind. #2 God has a good plan for your life, but the devil also has a plan, and it is not a good one. You must choose one or the other. If you make right choices according to God's will, you experience blessing. But if you choose what you know is wrong, you will face consequences you won't like or enjoy. #3 The good life is not guaranteed, and you must choose it. You must choose God's ways, and He will always be drawing you toward His will.

But remember that your actions affect the people around you as well as your own life. #4 We can conquer fear, but only with faith. When the devil tells us we can't, we should remember that God tells us we can. Even though we may feel fear, we can move forward in faith.

Building on her signature message of using the mind to master difficult emotions, Joyce Meyer focuses on the most destructive, insidious one of all: anger. It is responsible for broken relationships, sleepless nights, high blood pressure and ulcers. It destroys friendships, marriages and families, not to mention peace of mind. Anger is especially hard to handle for many Christians who have learned from childhood that "good Christians don't get angry." Meyer argues that properly handled, anger is an alert system that something is wrong and needs to be resolved. In her latest book, she delves into the important process of forgiving, explaining its positive impact on the roots, the forms and the results of anger. Why forgive? Joyce explains that forgiving is the only thing that can free one from the terrible turmoil that anger causes to spill over into every part of life.

Meyer understands that life will never be fair, but that is not a reason to let anger destroy our well-being and health. This is her guide to navigating that thorny territory and finding true peace.

Jesus said, "You must love the Lord your God with all your soul and with all your strength and with all your mind; and your neighbor as yourself." - Luke 10:27 If one had to choose a single verse in the Bible that is a formula for successful living, this would be the one to live by, says Joyce Meyer: love God, yourself and others - in that order. Many Christians get mixed up about love. They know they should love God and others, but many do not understand that loving oneself is one-third of God's equation. They mistakenly think of it as selfishness or self-aggrandizement. Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey. Loving oneself in a balanced, healthy manner is essential in order to have healthy

relationships with God, ourselves and others. Drawing upon her previous work and teaching series as well as original devotions, the author of *Power Thoughts* examines the three loves that we've been commanded to exhibit.

Can this undercover agent save the woman he loves—or is her heart as counterfeit as the money he's been sent to track down? After all that Grandfather has sacrificed to raise her, Theresa Plane owes it to him to save the family name—and that means clearing their debt with creditors before she marries Edward Greystone. But when one of the creditors' threats leads her to stumble across a midnight meeting, she discovers that the money he owes isn't all Grandfather was hiding. And the secrets he kept have now trapped Theresa in a life-threatening fight for her home—and the truth. After months of undercover work, Secret Service operative Broderick Cosgrove is finally about to uncover the identity of the leader of a notorious counterfeiting ring. That moment of triumph turns to horror, however, when he finds undeniable proof that his former fiancée is connected. Can he really believe the woman he loved is a willing participant? Protecting Theresa and proving her innocence may destroy his career—but that's better than failing her twice in one lifetime. They must form a partnership, tentative though it is. But there's no question they're both still keeping secrets—and that lack of trust, along with the dangerous criminals out for their blood, threatens their hearts, their faith, and their very survival.

We were made for intimacy--spiritual intimacy with God that brings oneness and bears powerful fruit. We were made to know Him and be known by Him, fully. So why do we often feel burnt-

out, distant, and disheartened in our journey of faith? How do we cultivate true intimacy with God? And what does His design of physical, sexual intimacy unveil of the full gospel story? Sharing Word-backed, Holy Spirit-breathed revelation with humility and openhanded honesty, New York Times bestselling author Mo Aiken walks alongside us through the beauty and power of life lived in active communion with God, rather than the self-seeking, counterfeit faith we've settled for. Unpacking eternity-defining concepts that have become confusing, offensive, or altogether ignored--like submission, repentance, sanctification, holiness, and discipline--Mo shows us how God has given us a physical model of spiritual intimacy through His design of marriage, sex, and family. Exposing many roots of selfishness and perversion we see so often in our relationships, both human and divine, she invites us to pure-hearted and transformational communion with our Creator. If you've felt far from God, caught in broken relationships, dead in religion, and longing to be fully known, join Mo on this journey of return to right-natured intimacy with our First Love.
