Adolf Hitler was an unlikely leader “ fuelled by hate, incapable of forming normal human relationships, unwilling to debate political issues “ and yet he commanded enormous support. So how was it possible that Hitler became such an attractive figure to millions of people? That is the important question at the core of Laurence Rees’s new book. The Holocaust, the Nazi invasion of the Soviet Union, the outbreak of the Second World War “ all these cataclysmic events and more can be laid at Hitler’s door. Hitler was a war criminal arguably without precedent in the history of the world. Yet, as many who knew him confirm, Hitler was still able to exert a powerful influence over the people who encountered him. In this fascinating book to accompany his new BBC series, the acclaimed historian and documentary maker Laurence Rees examines the nature of Hitler’s appeal, and reveals the role Hitler’s supposed “charisma” played in his success. Rees’s previous work has explored the inner workings of the Nazi state in *The Nazis: A Warning from History* and the crimes they committed in *Auschwitz: The Nazis and the Final Solution*. The Charisma of Adolf Hitler is a natural culmination of twenty years of writing and research on the Third Reich, and a remarkable examination of the man and the mind at the heart of it all.

This is a dramatic retelling of true events in the life of Francisco Boix, a Spanish press photographer and communist who fled to France at the beginning of World War II. But there, he found himself handed over by the French to the Nazis, who sent him to the notorious Mauthausen concentration camp, where he spent the war among thousands of other Spaniards and other prisoners. More than half of them would lose their lives there. Through an odd turn of events, Boix finds himself the confidant of an SS officer who is documenting prisoner deaths at the camp. Boix realizes that he has a chance to prove Nazi war crimes by stealing the negatives of these perverse photos—but only at the risk of his own life, that of a young Spanish boy he has sworn to protect, and, indeed, that of every prisoner in the camp.
