Yogananda was one of the most significant spiritual teachers of the 20th century. Since his classic, Autobiography of a Yogi, was first published in 1946, its popularity has increased steadily throughout the world. The Essence of Self-Realization is filled with lessons and stories that Yogananda shared only with his closest disciples, this volume offers one of the most insightful and engaging glimpses into the life and lessons of a great sage. Much of the material presented here is not available anywhere else.

Rumi's Little Book of Life Islamic Foundation

Rarely in a lifetime does a new spiritual classic appear that has the power to change people's lives and transform future generations. This is such a book. The Essence of the Bhagavad Gita Explained by Paramhansa Yogananda shares the profound insights of Paramhansa Yogananda, author of Autobiography of a Yogi, as remembered by one of his few remaining direct disciples, Swami Kriyananda. This revelation of India's best-loved scripture approaches it from an entirely fresh perspective, showing its deep allegorical meaning and also its down-to-earth practicality. The themes presented are universal: how to achieve victory in life in union with the divine; how to prepare for life's "final exam," death, and what happens afterward; how to triumph over all pain and suffering. This book is itself a triumph. Swami Kriyananda worked with Paramhansa Yogananda in 1950 while the Master completed his commentary. At that time Yogananda commissioned him to disseminate his teachings world-wide. Kriyananda has in his lifetime lectured, taught, and written eighty-five books based on Yogananda's teachings. The Essence of the Bhagavad Gita, Kriyananda's eighty-sixth book, is the crowning achievement of his highly productive life. In this, his masterpiece, he declares, "Yogananda's insights into the Gita are the most amazing, thrilling, and helpful of any I have ever read."

Zero-day vulnerabilities--software vulnerabilities for which no patch or fix has been publicly released-- and their exploits are useful in cyber operations--whether by criminals, militaries, or governments--as well as in defensive and academic settings. This report provides findings from real-world zero-day vulnerability and exploit data that could augment conventional proxy examples and expert opinion, complement current efforts to create a framework for deciding whether to disclose or retain a cache of zero-day vulnerabilities and exploits, inform ongoing policy debates regarding stockpiling and vulnerability disclosure, and add extra context for those examining the implications and resulting liability of attacks and data breaches for U.S. consumers, companies, insurers, and for the civil justice system broadly. The authors provide insights about the zero-day vulnerability research and exploit development industry; give information on what proportion of

zero-day vulnerabilities are alive (undisclosed), dead (known), or somewhere in between; and establish some baseline metrics regarding the average lifespan of zero-day vulnerabilities, the likelihood of another party discovering a vulnerability within a given time period, and the time and costs involved in developing an exploit for a zero-day vulnerability"--Publisher's description.

Summary of The 5 AM Club by Robin Sharma Hachette UK

Life as a Dalit looks at caste society from the point of view of the Dalits, focusing on their worldview, emotions, and critical appraisal of their own position and of the higher groups. It is a volume based on the critical perspectives provided by scholars who have turned around the more acclaimed and accepted theories of caste society privileging the Brahmanical and textual interpretations of caste. It shows that those at the bottom have their own interpretations and follow a rationality that is tutored by their own life conditions and not what is fed to them from the top. These views from the bottom are indicative of the way in which the oppressed live their lives, make critical judgments, and also stage protests, both symbolic and based on real violence against the oppressive system. The focus is more experiential and based on ground-level data-based chapters. It foregrounds the fact that history is created from the bottom of society as well as from the top and those at the bottom are their own agents and well aware of their subject positions.

Ari Gold is known for his ruthless approach to deal-making and client relationships that made him one of, if not the, most powerful and sought-after agents in Hollywood until he retired in 2011. In his new book THE GOLD STANDARD, Gold will illuminate, for the first time, his unique, effective and, some would say, outrageous philosophies on running a successful business, client management, employee motivation, keeping a happy home life, and other keys to his many successes. Brash, emphatic, instructive and always wise, Gold's book will rival business and leadership bestsellers the world over. In his own words and with his trademark enthusiasm, Gold's tome will be the only book anyone wanting to make something of him or herself will ever need. Ari Gold says: "In my humble opinion, if you want to run a successful business this is the only book you'll ever have to read. And my humble opinion is never wrong."

The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they’d read a hundred Holocaust stories or none.”—Graeme Simsion, internationally-bestselling author of The Rosie Project In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, The Tattooist of Auschwitz is also a testament to the endurance of love and humanity under the darkest possible conditions.

New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith’s diaries “offer the most complete picture ever published” of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of “our greatest modernist writers” (Gore Vidal). Beloved by fans who

were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith’s personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath’s journals and Simone de Beauvoir’s writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman’s rise against the conventional tide to unparalleled literary prominence.

Featured in a New York Times article titled "Teach Your Kids to Resist Hatred Toward Asians" A young boy wrestles with his Muslim identity until a compassionate teacher helps him to understand more about his heritage. After a family move, Bilal and his sister Ayesha attend a new school where they find out that they may be the only Muslim students there. Bilal sees his sister bullied on their first day, so he worries about being teased himself, thinking it might be best if his classmates didn't know that he is Muslim. Maybe if he tells kids his name is Bill, rather than Bilal, then they will leave him alone. But when Bilal's teacher Mr. Ali, who is also Muslim, sees how Bilal is struggling. He gives Bilal a book about the first person to give the call to prayer during the time of the Prophet Muhammad. That person was another Bilal: Bilal Ibn Rabah. What Bilal learns from the

book forms the compelling story of a young boy grappling with his identity.

Ambedkar was a prolific student, earning doctorates in economics from both Columbia University and the London School of Economics, and gained a reputation as a scholar for his research in law, economics and political science. In his early career he was an economist, professor, and lawyer. His later life was marked by his political activities; he became involved in campaigning and negotiations for India's independence, publishing journals, advocating political rights and social freedom for Dalits, and contributing significantly to the establishment of the state of India. In 1956 he converted to Buddhism, initiating mass conversions of Dalits.

The EIB Group Activity Report Lulu.com

Smuggling, gun-running, drugs, terrorism for many decades, Mumbai has lived under the shadow of the Underworld. Dawood Ibrahim, Karim Lala, Varadara- jan Mudaliar: these are names that any Indian would recognise. Analysed in print, immortalised on film, their lives, their gangs, More ... their 'businesses' are out there for anyone who wants the information. But there have been women, too, who have been part of this murky side of the city, walking along side, sometimes leading and manipulating men in the Underworld to run their own illegal businesses. Here, for the first time, crime journal- ists S. Hussain Zaidi and Jane Borges explore the lives of some of these women, and how, in cold blood, they were able to make their way up in what was certainly a man's world. From Kamathipura to Dongri, from assassins to molls, this is a collection that tells the

stories of women who have become legend in Mumbai’s streets, lanes and back-alleys. Absorbingly told, impeccably researched, *Mafia Queens of Mumbai* reveals a side of Mumbai’s Underworld that has never been seen before.

Summary of Surrounded by Idiots by Thomas Erikson HarperCollins

The fast-consolidating identities along religious and ethnic lines in recent years have considerably ‘minoritised’ Muslims in India. The wide-ranging essays in this volume focus on the intensified exclusionary practices against Indian Muslims, highlighting how, amidst a politics of violence, confusing policy frameworks on caste and class lines, and institutionalised riot systems, the community has also suffered from the lack of leadership from within. At the same time, Indian Muslims have emerged as a ‘mass’ around which the politics of ‘vote bank’, ‘appeasement’, ‘foreigners’, ‘Pakistanis within the country’, and so on are innovated and played upon, making them further apprehensive about asserting their legitimate right to development. The important issues of the double marginalisation of Muslim women and attempts to reform the Muslim Personal Law by some civil society groups is also discussed. Contributed by academics, activists and journalists, the articles discuss issues of integration, exclusion and violence, and attempt to understand categories such as ‘identity’, ‘minority’, ‘multiculturalism’ and ‘nationalism’ with regard to and in the context of Indian Muslims. This second edition, with a new introduction, will be of great interest to scholars and researchers in sociology, politics, history, cultural studies, minority studies, Islamic studies, policy studies and development studies, as well as policymakers, civil society activists and those in media and journalism.

Sabka Saath Sabka Vikas: May 2015-April 2016 Rand Corporation

Illustrations: 2 colour and 1 B/w illustration, 2 Maps Description: This work seeks to study Sufism as a psycho-historical phenomenon. The author finds it efficacious to combat social and political upheavals which are brought about by prolonged political revolutions, associated with autocratic oppression and economic deprivation. It is divided into two volumes. The present volume outlines the history of Sufism before it was firmly established in India and then goes on to discuss the principal trends in sufi developments therefrom the thirteenth to the beginning of the sixteenth centuries. Chronologically it is concerned with sufi history from the establishment of the Delhi Sultanate to the beginning of the Mughal Empire. Naturally it lays great emphasis on the Chishtiyya, Suhrawardiyya, Firdausiyya and Kubrawiyya orders, but the contributions made by qalandars and legendary and semi-legendary saints have also not been neglected. A detailed discussion of the interaction of medieval Hindu mystic traditions and Sufism shows a unique polarity between the intolerant rigidity of the orthodox and the flexibility of the Sufis in India. The present volume starts with a brief discussion of the mystical philosophy of Ibn 'Arabi, which played a pivotal role in the development of sufi thought and practices in India, as it did in other Islamic countries. The work then deals with the Qadiriyya, Shattariyya, Naqshbandiyya and the Chishtiyya orders. It also analyses the role of Indian Sufis in the wider Islamic world, as well as sufi perception of politics and Hinduism.
