Pearson Higher Ed
Stress is a problem in almost all the countries of the world, irrespective of the fact whether the economy is strong or weak. In today's changing and competitive work environment, stress plays a crucial role among the gold collar employees. Knowledge is considered to be the only source of competitive advantage for an organization in the highly competitive current scenario. Knowledge work is typically characterized by high decision latitude and classified as an active job. This book titled "Strategic Stress Management of Gold collars" is an empirical study carried out to find the various factors that influence stress among the knowledge workers termed as the gold collar employees. This book emphasizes on the various coping strategies resorted by the gold collars to combat stress and throws light on the extent of effectiveness of the strategies resorted. The study was carried out among various Professionals like doctors, professors, software professionals, executives, engineers etc. The stress level of gold collar

employees depends especially on the fact that how intense the stress is, how long it lasts, and how well an individual copes with the situation. The stress level of gold collar employees depends especially on the fact that how intense the stress is, how long it lasts, and how well an individual copes with the situation. Gold collars are also of the opinion that stress can be managed. This positive attitude may be helpful for the gold collars in alleviating stress to a very great extent.

ORGANIZATIONAL BEHAVIOUR, SECOND EDITION Pearson Higher Ed

This book on organization theory adopts a distinctive stance. In contrast to the traditional rational approach, it develops a transformational perspective which focuses on the organizational world as a projection of each organizational

member's consciousness. While covering all the basic topics of organization theory, the author's approach reflects today's changing management paradigms.

Fundamentals of Management Kogan Page Publishers
 CD-ROM based, the unique resource includes 45 exercises divided into three parts: What About Me? Working With Others. Life in Organizations. Each exercise is automatically graded. Exercises are self scoring and generate individual analysis that can be saved for future reference, or printed as a homework assignment. International Bibliography of Sociology Prentice Hall
 Directed primarily toward undergraduate Management or Business college/university majors, this text also provides practical content to current and aspiring industry professionals. This bestselling text vividly illustrates management theories by incorporating the perspectives of real-life managers. Throughout this text, readers will see and experience management in action, helping them understand how the concepts they're reading about work in today's business world.

Essentials of Organizational Behavior Excel Books India

For creating a balance in the organizational environment, harmony amongst the employees and the employer is a prerequisite. The factors that help in determining an organizational balance are the sociology of an environment, psychology of the people working there, channels of communication along with a sound and rational management. The book highlights the fundamental concepts of organizational behaviour, and its applications in the Indian organizational scenario. The second edition of the book, maintaining the same chapters' organization as in the previous edition, comprises 28 chapters based on the fundamental concepts of organizational behaviour, and case studies from various Indian industry verticals. These case studies reveal the authors' experience in real-life scenario as consultants as well as their observations pertaining to the concepts of organizational behaviour. Besides, the text lays emphasis on some modern tools of management such as

TQM, BPR and Knowledge Management, which is a unique feature of this book. The book is designed for the students of management and psychology. Moreover, it is useful for the postgraduate students of commerce as well as it is of immense use to the personnel associated with technical, commercial and IT-based industries requiring human resource management. **KEY FEATURES** • Every chapter is concluded with a real-life case study. • Appendices added to most of the chapters contain research-based questionnaire instruments. • Discussion Questions on Case studies enhance learning among students. **NEW TO THE SECOND EDITION** Includes three new sections on 'Case Study Method as an Important Pedagogy', 'Classification of Case Studies' and 'Steps of Solving a Case'. Incorporates 29 new short and sharp cases at the end of the book to make the reader aware of real-life situations. **TARGET AUDIENCE** • MBA / PGDM / BBA • BA (Hons.)
