students the motivation to learn the confidence to succeed in English.

New Inside Out Longman

"Necessary for all of humankind, Under the Broken Sky is a breathtaking work of literature."—Booklist, starred review A beautifully told middle-grade novel-inverse about a Japanese orphan's experience in occupied rural Manchuria during World War II. Twelve-year-old Natsu and her family live a quiet farm life in Manchuria, near the border of the Soviet Union. But the life they've known begins to unravel when her father is recruited to the Japanese army, and Natsu and her little sister, Cricket, are left orphaned and destitute. In a desperate move to keep her sister alive, Natsu sells Cricket to a Russian family following the 1945 Soviet occupation. The journey to redemption for Natsu's broken family is rife with struggles, but Natsu is tenacious and will stop at nothing to get her little sister back. Literary and historically insightful, this is

one of the great untold stories of WWII. Much like the Newbery Honor book *Inside Out and Back Again* by Thanhha Lai, Mariko Nagai's *Under the Broken Sky* is powerful, poignant, and ultimately hopeful. Christy Ottaviano Books
