THE LOUDER THAN WAR #1 BOOK OF THE YEAR A ROUGH TRADE, THE TIMES, MOJO, UNCUT, THE HERALD BOOK OF THE YEAR This is not a book about a rock band. This is not even a book about Mark E Smith. This is a book about The Fall group - or more precisely, their world. 'To 50,000 Fall Fans: please buy this inspired & inspiring, profound & provocative, beautiful & bonkers Book of Revelations.' DAVID PEACE 'Mind blowing . . . there is so much to enjoy in this brilliant book.' TIM BURGESS 'A container sized treasure trove . . . I strongly advise you to buy it.' MAXINE PEAKE 'The most wonderful, unashamedly intellectual, pretentious, ridiculous, exciting hymn to this incredible group.' ANDY MILLER, BACKLISTED Over a prolific forty-year career, the Fall created a world that was influential, idiosyncratic and fiercely original - and defied simple categorisation. Their frontman and lyricist Mark E. Smith spun opaque tales that resisted conventional understanding; the Fall's worldview was an education in its own right. Who wouldn't want to be armed with a working knowledge of M. R. James, shipping-dock procedures, contemporary dance, Manchester City and Can? The group inspired and shaped the lives of those who listened to and tried to make sense of their work. Bringing together previously unseen artwork, rare ephemera and handwritten material, alongside essays by a slate of fans, EXCAVATE! is a vivid, definitive record - an illumination of the dark corners of the Fall's wonderful and frightening world.

#1 NEW YORK TIMES BESTSELLER • A thrilling and emotionally powerful novel from the author of the Jane Hawk series "A literary miracle . . . a tapestry of intrigue and suspense."—The Boston Globe His birth was marked by wonder and tragedy. He sees beauty and terror beyond our deepest dreams. His story will change the way you see the world. Bartholomew Lampion is born on a day of tragedy and terror that will mark his family forever. All agree that his unusual eyes are the most beautiful they have ever seen. On this same day, a thousand miles away, a ruthless man learns that he has a mortal enemy named Bartholomew. He embarks on a relentless search to find this enemy, a search that will consume his life. And a girl is born from a brutal rape, her destiny mysteriously linked to Barty and the man who stalks him. At the age of three, Barty Lampion is blinded when surgeons remove his eyes to save him from a fast-spreading cancer. As he copes with his blindness and proves to be a prodigy, his mother counsels him that all things happen for a reason and that every

person's life has an effect on every other person's, in often unknowable ways. At thirteen, Bartholomew regains his sight. How he regains it, why he regains it, and what happens as his amazing life unfolds and entwines with others results in a breathtaking journey of courage, heart-stopping suspense, and high adventure.

LONGLISTED FOR THE 2014 WINTON ROYAL SOCIETY PRIZE FOR SCIENCE BOOKS As troubling as we pattern-seeking humans may find it, modern science has repeatedly shown us that randomness is the underlying heartbeat of nature. In Dice World, acclaimed science writer Brian Clegg takes readers on an incredible trip around our random universe, uncovering the truths and lies behind probability and statistics, explaining how chaotic intervention is behind every great success in business, and demonstrating the possibilities quantum mechanics has given us for creating unbreakable ciphers and undergoing teleportation. He explores how the 'clockwork universe'

imagined by Newton, in which everything could be predicted given enough data, was disproved bit by bit, to be supplanted by chaos theory and quantum physics. Clegg reveals a world in which not only is accurate forecasting often impossible but probability is the only way for us to understand the fundamental nature of things. Forget the clockwork universe. Welcome to Dice World, a unique portrait of a startlingly complex cosmos, from the bizarre microscopic world of the quantum to the unfathomable mechanics of planetary movements, where very little is as it seems...

"Everyone gets mad at hustlers, especially if you're on the victim side of the hustle. And Miles knew hustling was in his veins." Miles Morales is just your average teenager. Dinner every Sunday with his parents, chilling out playing old-school video games with his best friend, Ganke, crushing on brainy, beautiful poet Alicia. He's even got a scholarship spot at the prestigious Brooklyn Visions Academy. Oh yeah, and he's Spider Man. But lately, Miles's spidey-sense has been on the fritz. When a misunderstanding leads to his suspension from school, Miles begins to question his abilities. After all, his dad and uncle were Brooklyn jack-boys with criminal records. Maybe kids like Miles aren't meant to be superheroes. Maybe Miles should take his dad's advice and focus on saving himself. As Miles tries to get his school life back on track, he can't shake the vivid nightmares that continue to haunt him. Nor can he avoid the relentless buzz of his spidey-sense every day in history class, amidst his teacher's lectures on the historical "benefits" of slavery and the importance of the modern-day prison system. But after his scholarship is threatened, Miles uncovers a chilling plot, one that puts his friends, his neighborhood, and himself at risk. It's time for Miles to suit up.

From Andrew Dice Clay, the "Undisputed Heavyweight Comedy King," comes the unapologetic and uncensored autobiography fans have been waiting for. Andrew Dice Clay's raw and uncensored stand-up comedy has shocked and entertained audiences for decades and continues to do so to this day. When he released his debut album, *Dice*, in 1989, the parental advisory label simply read "Warning: This album is offensive." His material stretched the boundaries of decency and good taste to their breaking point, and in turn he became the biggest stand-up comic in the world. But Dice's meteoric rise and spectacular fame brought on a furious backlash from the media and critics. By the mid-nineties, though still playing to packed audiences, the turmoil in his personal life, plus attacks from every activist group imaginable, led him to make the decision to step out of the spotlight and put the focus on raising his boys. The Diceman was knocked down, but not out. Taking inspiration from what Frank Sinatra once told him—"You work for your fans, not the media. The media gets their tickets for free"—Dice has bounced back with critically acclaimed roles and is once again playing to

sold-out audiences. Filled with no-holds-barred humor and honesty, *The Filthy Truth* sets the record straight and gives fans plenty of never-before-shared stories from his career and his friendships with Howard Stern, Sam Kinison, Mickey Rourke, Sylvester Stallone, Axl Rose, and countless others.

NATIONAL BESTSELLER • NOW A MAJOR MOTION PICTURE starring Abigail Cowen, Tom Lewis, Nina Dobrev, with Logan Marshall Green and Eric Dane, special appearance by Famke Janssen.

Distributed by Universal Pictures with a screenplay by Francine Rivers and D.J. Caruso. California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel's every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, *Redeeming Love* is a life-changing story of God's unconditional, redemptive, all-consuming love. Includes a six-part reading group guide!

A compelling guide to ethical thinking for everyday life In *How to Make Good Decisions and Be Right All the Time* Iain King presents an introduction to moral philosophy from the ancient Greeks to the Enlightenment and beyond. He argues that right and wrong need a Newtonian revolution so that they are no longer a matter of judgment or guesswork and presents a system of simple formulas for solving difficult moral quandaries. Clearly argued, the book combines new ideas with old and rips apart traditional tenets of morality, dismantling even the golden rule that you should "do unto others as you would have done unto you." In their place, the author constructs a new, comprehensive system of ethics, identifying the basic DNA of right and wrong and offering clear advice on how to be good in today's complicated and challenging world. Sometimes controversial and thoroughly engaging throughout, *How to Make Good Decisions and Be Right All the Time* is required reading for anyone with a difficult decision to make.

In the long, fabled history of Rome, never was there one more adored -- yet more feared -- than Gaius Julius Caesar. Invincible on the field of battle, he commands the love and loyalty of those who fight at his side and would gladly give their lives for his glory. Yet in Rome there are enemies everywhere orchestrating his downfall and disgrace. Fanatical rivals like Cato and Bibulus would tear Rome asunder just to destroy her greatest champion -- using their wiles, position, and false promises to seduce others into the fold: vacillating Cicero, the spineless Brutus ... even Pompey the Great,

Caesar's former ally. But only ill fortune can come to the "Good Men" who underestimate Caesar. For Rome is his glorious destiny -- one that will impel him reluctantly to the banks of the Rubicon ... and beyond, into triumphant legend.

"The rules are all around you. The rules that stop you seducing your neighbour downstairs, that stop you hitting your boss, that stop you leaving your family and leaving the country. The rules that stop you living. The dice don't do rules; the dice do life. Luke Rhinehart is a psychiatrist, a husband and a father, his life locked down by routine and order - until he picks up the dice. The dice govern his every decision and each throw takes him further into a world of risk, discovery and freedom. As the cult of the dice grows around him the old order fades: chance becomes his religion, the dice his god. If you haven't lived the life of the dice, you haven't lived at all. Let the dice decide. And roll with it."-- Cover.

The Dice Man's son must roll the dice himself as his neat and orderly world begins to crumble. Larry Rhinehart is the son of the renegade psychiatrist Luke Rhinehart, who introduced the world to dice-living and dice therapy, where decisions are made not by the self but by the roll of a die. Since his father deserted him when he was still a child, Larry has bitterly rejected everything his father stood for. He has embraced order and control. Now a wealthy Wall Street analyst, he is about to marry the boss's daughter, and become a good deal wealthier. Then Homeland Security shows up in Larry's office searching for his father, who is suspected of being behind acts of cyber warfare against government, banking and Wall Street interests. Larry's carefully organized world begins to crumble. Forced to try find his father before the government can, his search is made in the company of Kim, a sexy admirer of Luke's. His quest takes him to Lukedom, a Dice Commune where everyone changes roles every day—to Larry's own dicing, which leads to love, a broken engagement, rigging the stock market—and total chaos. Larry's search is by turns funny, moving, and erotic. By the time he finally confronts his father he has been profoundly and hilariously changed and his previously successful, conservative life has been turned on its head.
