The story focuses around a boy named Patrick. One day he was

so bored that he even picked up his Bible. "Why would anyone read this?" he wonders. "Good question!" boomed a deep voice. "Let the adventure begin!" Suddenly he is yanked off of his bed and into the first book in the Bible called Genesis. So goes the tale as he bounces into each book of the bible learning from the characters the Big Idea of each of their books. This book is not another children's Bible storybook but a book about the Big Idea of each of the Bible books. It comes with a bookmark so the kids can check off the books as they journey with Patrick book by book. "Hooked On The Book" will give kids the framework for all of the Bible stories that they will learn in their lifetime.

#### Discovering the City of Sodom Harvest House Publishers

Meir Sternberg's classic study is "an important book for those who seek to take the Bible seriously as a literary work." (Adele Berlin, Prooftexts) In "a book to read and then reread" (Modern Language Review), Meir Sternberg "has accomplished an enormous task, enriching our understanding of the theoretical basis of Biblical narrative and giving us insight into a remarkable number of particular texts." (Journal of the American Academy of Religion). The result is a "a brilliant work" (Choice) distinguished "both for his comprehensiveness and for the clearly-avowed faith stance from which he understands and interprets the strategies of the biblical narratives." (Theological Studies). The Poetics of Biblical Narrative shows, in Adele Berlin's words, "more clearly and emphatically than any book I know, that the Bible is a serious literary work—a text manifesting a highly sophisticated and successful narrative poetics."

#### **The Poetics of Biblical Narrative** Heart of Wisdom Publishing Inc

In this groundbreaking work that sets apart fact and legend, authors Finkelstein and Silberman use significant archeological

discoveries to provide historical information about biblical Israel and its neighbors. In this iconoclastic and provocative work, leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors. They argue that crucial evidence (or a telling lack of evidence) at digs in Israel, Egypt, Jordan, and Lebanon suggests that many of the most famous stories in the Bible—the wanderings of the patriarchs, the Exodus from Egypt, Joshua's conquest of Canaan, and David and Solomon's vast empire—reflect the world of the later authors rather than actual historical facts. Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel, *The Bible Unearthed* offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today.

#### *A to Zoo* Scandinavia Publishing House

The fascinating, true account of the quest for one of the Old Testament's most infamous cities. Like many Christians today in the academic world, Dr. Steven Collins felt pulled in different directions when it came to apparent conflicts between the Bible and scholarly research and theory—an intellectual crisis that inspired him to lay it all on the line as he set off to locate the lost city of Sodom. Recounting Dr. Collins's quest for Sodom in absorbing detail, this adventure-cum-memoir reflects the tensions that define biblical archaeology as it narrates a tale of discovery. Readers follow "Dr. C" as he tracks down biblical, archaeological, and geographical clues to the destruction of Sodom and Gomorrah, narrowing the list of possible sites as he

weighs evidence and battles skeptics. Finally, he arrives at a single location that looms as the only option: a massive ancient ruin called Tall el-Hammam in the Hashemite Kingdom of Jordan. Many scholars who were initially opposed to Dr. Collins's theory now concede that history books may need to be rewritten in light of his groundbreaking discovery. It—along with several other recent finds—is challenging the assumptions of academics and asserting a new voice in the controversy of biblical archaeology and the dispute over using the Bible as a credible historical source. \*\*\* From respected archaeologist Dr. Steven Collins and award-winning author Dr. Latayne C. Scott comes the fascinating, true account of the frustrating search and exciting excavation of the city the Bible calls Sodom, which scholars and others had “misplaced” for hundreds of years. Like many modern-day Christians, Dr. Collins struggled with what seemed to be a clash between his heritage of belief in the Bible and the research regarding ancient history and human evolution. This crisis of faith led him to embark on a quest to put both his archaeological education and the Bible to the test by seeking out the lost ancient city, an expedition that has led to one of the most exciting finds in recent archaeology. Challenging the assumptions of academics around the world, *Discovering the City of Sodom* may well inspire a revision of the history books. Dr. Collins has become a new voice in the controversy over using the Bible as a credible source of understanding the past—and opened a new chapter in the struggle over the soul of biblical archaeology. *Abraham--God's Brave Explorer* Bloomsbury Publishing USA Sold in more than 2 million copies! Translated into more than 45 languages! Now babies and toddlers can have their very own

Bible! They will love to carry around this handy edition, beautifully illustrated and retold in simple sentences. Here are all the great Bible stories from Genesis to Revelation, all faithful to the original Scriptures.

The exciting *Discover 4 Yourself Inductive Bible Studies* series invites children to solve great mysteries about God's Word using the inductive study method and the power of a fun story.

**Discover 4 Yourself(r) Teacher Guide** Harvest House Publishers

When we think of a detective story, we often think of murder mysteries. But the Bible contains some different kinds of detective stories. How is it, for instance, that some of the key personalities in the Bible story slip into the story almost unnoticed—like Judah, for example, an ancestor of King David and Jesus Christ. How did the symbolism of blood in Communion get started? When Cain was warned that the ground would no longer yield for him because he had killed his brother—did that

set a precedent for connecting moral behavior with environmental harshness? These themes and many others are investigated in this study, accompanied by a discussion guide.

**A Stepping-stone Year** Harvest House Publishers

In this exciting addition to Kay Arthur and Janna Arndt's Discover 4 Yourself® Inductive Bible Studies for Kids series characters Max, Molly, and Sam (the great detective beagle) help young faith adventurers explore the feats and faith of three fascinating men from the Bible: Isaac, Jacob, and Esau. The Good Book CF4Kids

Why is there crime-scene tape on my Bible? Elementary, my dear reader. There is an element of detective work to biblical scholarship that entails sniffing out and interpreting clues that often escape the notice of readers. John Kaltner and Steven L. McKenzie introduce the art of sleuthing the Bible, providing the necessary training to hunt for clues and piece them together to understand the larger picture. Sleuthing the Bible helps answer questions that occur during thoughtful examination of the Bible and provides exercises enabling readers to work through biblical passages on their own. Kaltner and McKenzie analyze two kinds of clues: (1) Smoking Guns— those that are obvious upon any close reading of biblical texts, and (2) Dusting for Prints—those that are more subtle or hidden from nonspecialists because of their unfamiliarity with the languages, culture, and larger content of the Bible. Written in a jargon-free and accessible style, Sleuthing the Bible is an ideal resource for anyone who wants to

dig deeper into the biblical text.

[A Detection of the Trinity](#) Indiana University Press

This exciting addition to Kay Arthur's and Janna Arndt's Discover 4 Yourself Inductive Bible Studies series invites children to solve great mysteries about the future using the inductive study method and the power of a fun story. Young explorers can join the dynamic Bible detective team of Max, Molly, and Sam—the amazing beagle—for an adventure they will never forget. Through Bible word studies, activities, and clever investigation, kids will discover the secrets of Revelation's first 7 chapters including: God's special messages to the churches why the future is exciting how their faith today relates to end times Excellent stories and lots of action create a child-friendly study of end times ideal for Sunday school classes, Bible studies, and independent study.

**How to Study Your Bible for Kids** Wm. B. Eerdmans Publishing  
Based on Kay Arthur's bestselling How to Study Your Bible (390,000 copies sold), this easy-to-use Bible study combines a serious commitment to God's Word with fun illustrations, games, puzzles, and activities that reinforce biblical truth. How to Study Your Bible for Kids introduces the basics of inductive Bible study—observation, interpretation, and application—to children ages 9 to 12. As they learn about the people in the Bible, the way things were done in biblical times, the amazing miracles performed, and numerous terrific adventures found in the Bible, young people will discover that God's Word speaks to them right

where they're at. They'll come away from this study with a deeper understanding of God's love and care for them.
