With epic sweep and breathtaking adventure, Sara Donati's bestselling saga of an Early American family's struggle for survival in the Northeast wilderness continues with the story of an indomitable woman and an unforgettable journey of redemption across a young nation threatened by the flames of war. The year is 1812 and Hannah Bonner has returned to her family's mountain cabin in Paradise. But Nathaniel and Elizabeth Bonner can see that Hannah is not the same woman as when she left. For their daughter has come home without her husband and without her son...and with a story of loss and tragedy that she can't bear to tell. Yet as Hannah resumes her duties as a gifted healer among the sick and needy, she finds that she is also slowly healing herself. Little does she realize that she is about to be called away to face her greatest challenge ever. As autumn approaches, news of the latest conflict with Britain finds the young men of Paradise—including eighteen-year-old Daniel Bonner—eager to take up arms. Against their better judgment, Nathaniel and Elizabeth must let him go, just as they must let his twin sister Lily, a stubborn beauty, pursue her independence in Montreal. But on the eve of the War of 1812, an unexpected guest arrives from Scotland: It is the Bonners' distant cousin, the newly widowed Jennet Scott of Carryckcastle. Far from home, Lily and Jennet will each learn the price of pursuing their dreams and the possibility of true love. But it's Hannah herself who must risk everything once more—this time to save Daniel, who's been taken prisoner by the British. As the distant thunder of war threatens Paradise, Hannah may learn to live—and maybe love—again in one final act of courage, duty, and sacrifice. A gifted writer, a master storyteller, and a first-rate historian, Sara Donati has written a powerful, poignant, and movingly romantic novel that chronicles the lives and adventures of a family as compelling and unforgettable as any in American fiction.

The Last Boleyn Penguin

"An exceptional and compelling biography about one of the Tudor Age's most complex and controversial figures." —Alison Weir Thomas Cromwell has long been reviled as a Machiavellian

schemer who stopped at nothing in his quest for power. As King Henry VIII's right-hand man, Cromwell was the architect of the English Reformation; secured Henry's divorce from Catherine of Aragon and plotted the downfall of his second wife, Anne Boleyn; and was fatally accused of trying to usurp the king himself. In this engrossing biography, acclaimed British historian Tracy Borman reveals a different side to one of history's most notorious characters: that of a caring husband and father, a fiercely loyal servant and friend, and a revolutionary who was key in transforming medieval England into a modern state. Thomas Cromwell was at the heart of the most momentous events of his time—from funding the translation and dissemination of the first vernacular Bible to legitimizing Anne Boleyn as queen—and wielded immense power over both church and state. The impact of his seismic political, religious, and social reforms can still be felt today. Grounded in excellent primary source research, Thomas Cromwell gives an inside look at a monarchy that has captured the Western imagination for centuries and tells the story of a controversial and enigmatic man who forever changed the shape of his country. "An intelligent, sympathetic, and well researched biography." —*The Wall Street Journal* "Borman unravels the story of Cromwell's rise to power skillfully . . . If you want the inside story of Thomas Cromwell . . . this is the book for you." —*The Weekly Standard* "An engrossing biography. . . . A fine rags-to-riches-to-executioner's-block story of a major figure of the English Reformation." —*Kirkus Reviews* "An insightful biography of a much-maligned historical figure." —*Booklist*
