MORENO DEREK

The Rule of St. Benedict Liturgical Press

For some thirty years Eric Dean, as a layman, husband, parent, Presbyterian minister, LaFollette Professor of Humanities at Wabash College, and as an ecumenical oblate of a Benedictine abbey has reflected on and put into practice the Rule of St. Benedict. In Saint Benedict for the Laity he comments on how the Rule "has important things to say even to those of us who - because we are already committed to lives in the secular sphere - can never think of a monastic vocation. The rule can speak to us of values which, even apart from the daily structures of monastic life, are relevant to our own lives in 'the outside world.' "

How to Be a Monastic and Not Leave Your Day Job Liturgical Press
Fifteen centuries after it was written, the Rule of St. Benedict still provides a deep and practical spirituality that helps lay people cope with everyday problems and challenges.

Work of God Lulu.com

Through the ages many commentaries have been written on the Rule of Benedict. Usually these books were the practical reflections of a busy abbot, and they tended to concentrate on a few favorite chapters and verses of the Rule. Now, however, scholars are applying literary and historical criticism to studies of the Rule with impressive results. For the past fifteen years, Fr. Terrence Kardong, O.S.B., has written monographs on important parts of the Rule. Now in Benedict's Rule he has completed a line-by-line exegesis of the entire Rule - the first such in the English language. This commentary is based on a new translation, and it is accompanied by essays on Benedict's spiritual doctrine. The Latin texts of the Rule, as published in RB 1980 (The Liturgical Press, 1981), are included. The book also has a massive bibliography of current scholarship on the Rule.

Regula monachorum. English Vintage

For fifteen centuries Benedictine monasticism has been governed by a Rule that is at once strong enough to instill order and yet flexible enough to have relevance fifteen hundred years later. This unabridged edition includes the Latin and English translation with commentary. The paperback version has facing page translation.

The Old English Rule of Saint Benedict Harper Collins

Awarded 2019 Best Edition or Translation of an Anglo-Saxon (or Anglo-Latin) Text by the International Society of Anglo-Saxonists
St. Æthelwold (904/9 -984), abbot of Abingdon and bishop of Winchester, made the first translation of the Rule of Saint Benedict into English (or, indeed, into any vernacular language) as part of the tenth-century English Benedictine Reform. This movement dramatically affected the trajectory of religious life in early medieval England and influenced the ways in which secular power was conceived and wielded in the kingdom. Æthelwold's translation into Old English reworks Benedict's Latin text through

numerous silent additions, omissions, and instances of explanatory material, revealing an Anglo-Saxon ecclesiastical and political reformer intent on making this foundational Latin text more readily accessible to the new monks and nuns of the Reform and to the laity. Presented with related texts composed in Old English, this volume makes Æthelwold's transformation of Benedict's Rule available in Modern English translation for the first time.

The Rule of Benedict for Beginners Liturgical Press

This new edition of a classic religious text combines the timeless wisdom of Benedict of Nursia's Rule with the perceptive commentary of a renowned Benedictine mystic and scholar. In her new introduction to the Rule, the author boldly claims that Benedict's sixth-century text is the only one of great traditions that directly touches the contemporary issues facing the human community—stewardship, conversion, communication, reflection, contemplation, humility, and equality. Tracing Benedict's original Rule paragraph by paragraph, it expands its principles into the larger context of spiritual living in a secular world and makes the seemingly archaic instructions relevant for a contemporary audience. A new foreword, updated content, an appendix, and a recommended calendar for reading the entries and commentaries make this an invaluable resource for solitary or communal contemplation.

Perspectives on the Rule of St. Benedict Liturgical Press

"A commentary on parts of the Rule of St. Benedict (prologue and chapters 53, 58, 72, and 73)"--Provided by publisher.

Saint Benedict Canterbury Press

Formulated as guidelines for monks in the sixth century A.D., Benedict's injunctions to obedience, humility, and contemplation also provide an invaluable model for anyone who wishes to live more simply, more humbly, and in greater accord with the impulses of the heart and spirit.

The Rule of Saint Benedict Penguin

This work holds the first place among monastic legislative codes, and was by far the most important factor in the organization and spread of monasticism in the West. St. Benedict's rules of obedience, humility, and contemplation are not only prerequisites for formal religious societies, they also provide an invaluable model for anyone desiring to live more simply.

Wisdom from the Monastery Hidden Spring

people beyond those who dwell in monasteries. For those looking for an everyday grounding in Benedictine spirituality and who wish to pray according to the Benedictine style of liturgy of the hours, "The Work of God" is an ideal resource. Beautifully bound with gilt-edged pages and one ribbon marker, it is a handsome addition to any book shelf.

The Rule of St Benedict Canterbury Press

Wise and enduring spiritual guidelines for everyday living -- as relevant today as when The Rule was originally conceived by St. Benedict in fifth century Rome.

A Jesus-Shaped Life Bloomsbury Publishing

The famous, classic life of St. Benedict, filled with miracles, holy stories and inspiring idealism. Delightful reading for all ages.

Describes much of what is known about St. Benedict, including the founding of the Benedictine order.

RB 1980: The Rule of St. Benedict Liturgical Press

Though nearly 1500 years old, The Rule of St. Benedict remains one of the most influential texts in the Western monastic movement. It offers a unique insight into the early development of Christian monasticism and for believers, continues to offer guidance about incorporating meditation and prayer into devotions.

The Rule of Saint Benedict St. Martin's Essentials

For all who are on a spiritual journey or starting out on a search for meaning in their lives, there is a vast array of competing belief systems, therapies, and guides available. Above the noise and clamor of this busy marketplace, a centuries-old voice speaks words of invitation: Who is there with a love of true life and a longing for days of real fulfillment? If you should hear that call and answer 'I, ' this is the answer that you will receive from God. . .

So begins the ancient Rule of St. Benedict, written fifteen hundred years ago as a simple manual for monks living in community together. Because of its gentle wisdom, realism, and depth, the Rule has always stretched beyond the walls of monasteries. Today, growing numbers of men and women are discovering that it can teach them something invaluable about themselves and how to live meaningful lives. Wisdom from the Monastery contains a contemporary translation of the Rule of St. Benedict and short reflections on the seven basic elements of Benedictine spirituality that are a tried and true recipe for healthy, balanced, and purposeful living. An ideal place to begin a lifetime of exploration and discovery, Wisdom from the Monastery is an excerpt from The Benedictine Handbook, also available from Liturgical Press.

A Life-Giving Way Liturgical Press

Translators work from the finest available critical scholarship and strive to strike a balance between fidelity to the original and contemporary ways of expression.

The Rule of St. Benedict in English PURE SNOW PUBLISHING

With typical eloquence and wisdom, in The Way of St Benedict Rowan Williams explores the appeal of St Benedict's sixth-century Rule, showing it to be a document of great relevance to present day Christians and non-believers at our particular

moment in history. For over a millennium the Rule – a set of guidelines for monastic conduct – has been influential on the life of Benedictine monks, but has also served in some sense as a 'background note' to almost all areas of civic experience: artistic, intellectual and institutional. The effects of this on society have been far-reaching and Benedictine communities and houses still attract countless visitors, testifying to the appeal and continuing relevance of Benedict's principles. As the author writes, the chapters of his book, which range from a discussion of Abbot Cuthbert Butler's mysticism to 'Benedict and the Future of Europe', are 'simply an invitation to look at various current questions through the lens of the Rule and to reflect on aspects of Benedictine history that might have something to say to us'. With Williams as our guide, The Way of St Benedict speaks to the Rule's ability to help anyone live more fully in harmony with others whilst orientating themselves fully to the will of God.

St. Benedict's Rule for Monasteries TAN Books

The Rule of Saint Benedict is a book of precepts written by Benedict of Nursia for monks living communally under the authority of an abbot. Sections are dated so that the Rule may be read three times a year.

Ever Ancient, Ever New New City Press

You don't have to live in a monastery in order to live like a monk. Oblates are everyday people with jobs, families, and other responsibilities. Sometimes they are Catholic, sometimes not. In today's hectic, changing world, being an oblate offers a rich spiritual connection to the stability and wisdom of an established monastic community.

The Way of St Benedict Purdue University Press

The single most important document on monastic life that helped to shape Western society Composed in Italy around 530 AD but based on earlier compilations, The Rule of St Benedict has been the defining guide to daily prayer and work for Benedictine communities for fifteen centuries. The Rule also embodies the idea of a written constitution, authority limited by law and under the law, and the right of the ruled to review the legality of their superiors' actions-ideas at the heart of the West's most treasured civic institutions. This is a fundamental contribution to the tradition of simple living that continues to experience a renaissance.
