Now a Major Motion Picture, Starring Simon Baker, Elizabeth
 Debicki, and Richard Roxburgh *Breath* is a story of risk, of
 learning one's limits by challenging death. On the wild, lonely
 coast of Western Australia, two thrill-seeking teenage boys fall
 under the spell of a veteran big-wave surfer named Sando. Their
 mentor urges them into a regiment of danger and challenge, and

the boys test themselves and each other on storm swells and over shark-haunted reefs. The boys give no thought to what they could lose, or to the demons that drive their mentor on into ever-greater danger. Venturing beyond all caution--in sports, relationships, and sex--each character approaches a point from which none of them will return undamaged.

An astonishing novel that seizes the heart, and sets age-old conflicts against modern life. All the Living has the timeless quality of a parable, evoking a time and place with such beauty and power that it is unforgettable. It's a hot, dry summer and a young woman travels to Kentucky with her lover, Orren, to the isolated tobacco farm he has inherited after his family dies in a terrible accident. As he works through the drought, Aloma struggles to find her way in a combative, erotically charged relationship with this taciturn man. Her growing friendship with a local charismatic preacher further complicates her sense of lonely dissatisfaction as she grapples with the eternal question of whether it is better to fight for freedom or submit to desire. Excerpt: At first she could see his figure only as a dark shape and the sun firing on the watch on his right arm as he turned the wheel. Then when he was finally before her, braking and leaning in slightly under the shade of the visor to pull the keys from the ignition, she found the broad contours of his face and the color of

his skin, much browner than the last time she had seen him, the day after the funeral three weeks ago when he came down to the school and sat beside her and set a question to her. He said, You'll come up? And she said, Yes, yes. And it don't matter if it's all out of order like it is? And she shook her head and took his blanched face in her hands and kissed him, and that had struck her later as an odd reversal, he usually being the one to reach out and pull her to him.

Sometimes it seems like there are as many definitions of poetry as there are poems. Coleridge defined poetry as "the best words in the best order." St. Augustine called it "the Devil's wine." For Shelley, poetry was "the record of the best and happiest moments of the happiest and best minds." But no matter how you define it, poetry has exercised a hold upon the hearts and minds of people for more than five millennia. That's because for the attentive reader, poetry has the power to send chills shooting down the spine and lightning bolts flashing in the brain — to throw open the doors of perception and hone our sensibilities to a scalpel's edge. *Poetry For Dummies* is a great guide to reading and writing poems, not only for beginners, but for anyone interested in verse. From Homer to Basho, Chaucer to Rumi, Shelley to Ginsberg, it introduces you to poetry's greatest practitioners. It arms you with the tools you need to understand and appreciate poetry in all its forms, and to explore your own talent as a poet. Discover how to: Understand poetic language and forms Interpret poems Get a handle on poetry through the ages Find poetry readings near you Write your own poems Shop

your work around to publishers Don't know the difference between an iamb and a trochee? Worry not, this friendly guide demystifies the jargon, and it covers a lot more ground besides, including: Understanding subject, tone, narrative; and poetic language Mastering the three steps to interpretation Facing the challenges of older poetry Exploring 5,000 years of verse, from Mesopotamia to the global village Writing open-form poetry Working with traditional forms of verse Writing exercises for aspiring poets Getting published From Sappho to Clark Coolidge, and just about everyone in between, *Poetry For Dummies* puts you in touch with the greats of modern and ancient poetry. A thoroughly revised and expanded edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes and contexts, that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. *How to Read Literature Like a Professor* helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader, the college professor. What does it mean when a literary hero is traveling along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface and epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a “strong man” of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its

classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.

Emily Bronte was an English novelist & poet, who is best known

for her only novel, "Wuthering Heights: She has written poems also such as - 'Poems by Currer, Ellis and Action Bell', 'A Death Scene', 'To a Wreath of Snow, and lots Many. 'Wuthering Heights' is a highly imaginative work of passion and hate. Author was interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the main character, Heathcliff. Wuthering Heights is his farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at Wuthering Heights, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of Wuthering Heights and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show due to her social statue. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to getup without reading the novel - fully.
