From Augustine to Mother Teresa, officially canonized as St. Teresa of Calcutta, discover seventy of the best-known and best-loved saints and read their riveting stories. Meet Joan of Arc, whose transcendent faith compelled her to lead an army when the king's courage failed. Francis of Assisi, whose gentleness tamed a man-eating wolf. Valentine, a

bishop in the time of ancient Rome, who spoke so often of Christ's love that his saint's day, February 12, has been associated with courtly love since the Middle Ages. St. Thomas Aquinas, the great teacher. Peter Claver, who cared for hundreds of thousands of people on slave ships after their voyage as captives. And Bernadette, whose vision of Mary instructed her to dig the spring that became the

healing waters of Lourdes. Each saint is illustrated in a dramatic and stylized full-color portrait, and included in every entry are the saint's dates, location, emblems, feast days, and patronage. Taken together, these stories create a rich, inspiring, and entertaining history of faith and courage. For kids age 10 and up. A perfect gift for Confirmation.

The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and the joy we can find in him. But so often, these Saints seem distant—impossibly holy or

dull or unlike us in race and age and state in life. In *Saints Around the World*, you'll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with

Jesus. Each story in this book is written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints. There are stories in *Saints Around the World* for when you feel like life isn't fair, when people are being unkind to you, when you've made a terrible mistake, when you're struggling at school, when prayer is hard. And there are stories of shouting down

Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed Saints, disabled Saints—and the point of every one of them is the love of God. Whether you're checking the map to find

Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you'll find countless stories in this book that remind you how very possible holiness is. It consisted of a courtyard, a couple of stalls, a coach-house, a shed, and two tiny

The Stable was in charge of Bert, the Senior Sixer, and in his stall he had Bunny (a Second), Dick (a big Cub very nearly ready to go up to the Scouts), and Patsy, a small but lively Irishman. Sam, another Sixer, had in his stall four young terrors-Terry, Wooler, Jack, and "Spongey" Ward. Then there was the coach-house. This was in

Miracles of the Saints

Workman Publishing Company Gathered from many lands and times, here are delightful tales for children: some true, others improbable, and many simply fantastic. You'll meet the saint who spent seven Easters on a whale's back and the amiable lion who was St. Jerome's friend. You'll see St. George fight the dragon, and you'll read about the

fierce wolf St. Francis of Assisi converted. But many of these stories have in them scarcely a wave of the fairy wand. So you'll also find here true tales of great saints such as St. Louis of France, St. Vincent de Paul, St. Francis Xavier, and St. Elizabeth of Hungary -- souls marked by courage, kindness, and piety. These marvelous legends and exciting true stories of Christian saints and heroes will

provide many hours of delightful reading to believers and non-believers alike! Stories of the Saints Unbridled Books Inspirational tales of remarkable people, especially selected for their appeal and relevance to children aged about 7 to 11. The lives of the saints, throughout the ages, have inspired admiration and worship. Stories and legends of these men

and women, with their extraordinary devotion to God and humanity, were passed down from generation to generation as inspirational tales for adults. The stories of these remarkable people provide richly inspiring material for children to read, or listen to. This selection of tales and legends comes from the writer's many years of teaching children, taking into

account what young listeners have enjoyed or responded to, and the questions they've asked. The stories are suitable for children aged between about seven and eleven. The book includes over forty saints, ranging from well-known heroes like St Francis and Joan of Arc, to less known but equally colorful characters from a wide range of periods and places." *Stories of the Saints for*

The Book of Saints and Heroes Sophia Institute Press
. . . we move to the town of Aconchi on the Río Sonora, where the mission church once contained a

life-sized crucifix with a black corpus, known both as Nuestro Señor de Esquipulas . . . and El Cristo Negro de Aconchi . . . So describes well-known and beloved folklorist James S. Griffith as he takes us back through the decades to a town in northern Sonora where a statue is saved—and in so doing, a community is saved as well. In *Saints, Statues, and Stories* Griffith shares stories of nearly sixty years of

traveling through Sonora. As we have come to expect through these journeys, “Big Jim”—as he is affectionately known by many—offers nothing less than the living traditions of Catholic communities. Themes of saints as agents of protection or community action are common throughout Sonora: a saint coming out of the church to protect the village, a statue having a say in where

it resides and paying social calls to other communities, or a beloved image rescued from destruction and then revered on a private altar. A patron saint saves a village from outside attackers in one story—a story that has at least ten parallels in Sonora’s former mission communities. Details may vary, but the general narrative remains the same: when hostile nonbelievers attack the

village, the patron saint of the church foils them. Griffith uncovers the meanings behind the devotional uses of religious art from a variety of perspectives—from artist to audience, preservationist to community member. The religious artworks transcend art objects, Griffith believes, and function as ways of communicating between this world and the next. Setting

the stage with a brief geography, Griffith introduces us to roadside shrines, artists, fiestas, saints, and miracles. Full-color images add to the pleasure of this delightful journey through the churches and towns of Sonora.
