Seven Dials  
"What can I  
do?" That was  
the question  
Diane Latiker  
asked of  
herself as she  
watched the  
teens in her  
Chicago  
neighborhood  
succumb at an  
alarming rate  
to gangs and  
gun violence.  
Her answer  
started small,  
inviting ten  
kids into her  
living room to  
talk about  
their struggles  
and dreams.  
But over the  
years it grew.  
With the help  
of God, her  
family, and

many other people along the way, Diane's Kids Off the Block morphed from a personal crusade to do what she could into a nationally known program that has helped more than 3,000 at-risk Chicago teens. In this powerful, energizing book, she tells her incredible story to men and women who are sick of sitting behind their keyboards watching the world crumble and are ready to do

something to make a difference. Through doubt, financial strain, and deep grief over lives lost, Diane has never lost her faith that God called her to this life-transforming work. In these pages she'll show you that God is calling you to do something too. Maybe something that feels small . . . definitely something that will change the world.

 "Be the kind of woman who, When Her Feet Hit The Floor, the devil says "Oh no! She's up!"...The kind of woman who stands strong in her own truth, unconquerable, untamable and unapologetic in her quest

for self. Be the kind of woman who knows who she is, what she wants and is determined to chase her every dream. Be that woman, and inspire others to be that woman. That's what this book is all about...  
 Wild Woman Inspiration for when YOUR feet hit the floor. Beautiful and inspiring quotes of strength, love and laughter...  
 Read them, share them, live them!  
 From the author :Too often women beat

themselves  
up, allowing  
others to  
define them,  
trample them  
or rob them of  
their strength.  
It's absolutely  
heartbreaking  
to me,  
especially  
since I was  
one of those  
women many  
many years  
ago. Lost and  
broken,  
abused and  
weak, allowing  
others to tell  
me what I  
should and  
shouldn't do,  
defining and  
judging me.  
But I learned  
to master my  
own self over  
the years,  
tossing aside  
the rules that  
others kept,

because I  
refused their  
cages...squash  
ing misguided  
judgments,  
because I  
knew my own  
truth without  
doubt... and  
taking back  
my strength  
with every  
negative tie  
that I gladly  
severed along  
the way. I  
became  
fierce,  
uninhibited,  
unbreakable,  
fearless and  
completely  
free. Since  
then, I have  
always done  
everything  
that I can, in  
my little  
corner of the  
world, to lift  
my sisters  
(and brothers)

up... to hold a  
mirror that  
they may see  
themselves  
once more...  
truly SEE  
themselves,  
and not  
through  
anyone's eyes  
but their own.  
There is no  
better feeling  
than to know  
that you  
touched  
someone's  
heart, saved  
someone's  
soul from the  
clutches of  
darkness. This  
is our sacred  
duty as  
human  
beings... to  
love one  
another, to lift  
one another,  
to light one  
another's fire  
and harm

none along the way. With that, I come humbly before you now, speaking my own truth in sharing the strength that I have found. I hope that at least some of these words will find you, my beautiful friend, and reignite your fire, your strength and your soul. You are an amazing facet of creation, a valuable part of this universe. And I sincerely hope that this book reminds you of that!

Emma Gatewood told her family she was going on a walk and left her small Ohio hometown with a change of clothes and less than two hundred dollars. The next anybody heard from her, this genteel, farm-reared, 67-year-old great-grandmother had walked 800 miles along the 2,050-mile Appalachian

Trail. And in September 1955, having survived a rattlesnake strike, two hurricanes, and a run-in with gangsters from Harlem, she stood atop Maine's Mount Katahdin. There she sang the first verse of "America, the Beautiful" and proclaimed, "I said I'll do it, and I've done it." Grandma Gatewood, as the reporters called her, became the first woman to hike the entire Appalachian Trail alone, as well as the first

person—man or woman—to walk it twice and three times. Gatewood became a hiking celebrity and appeared on TV and in the pages of *Sports Illustrated*. The public attention she brought to the little-known footpath was unprecedented. Her vocal criticism of the lousy, difficult stretches led to bolstered maintenance, and very likely saved the trail from extinction. Author Ben

Montgomery was given unprecedented access to Gatewood's own diaries, trail journals, and correspondence, and interviewed surviving family members and those she met along her hike, all to answer the question so many asked: Why did she do it? The story of Grandma Gatewood will inspire readers of all ages by illustrating the full power of human spirit and

determination. Even those who know of Gatewood don't know the full story—a story of triumph from pain, rebellion from brutality, hope from suffering. Woman, why are You Greatly Deceived? Booksales A New York Times, USA Today, Wall Street Journal, and Amazon Charts Bestseller! For fans of Hidden Figures, comes the incredible true story of the women heroes who were exposed to

radium in factories across the U.S. in the early 20th century, and their brave and groundbreaking battle to strengthen workers' rights, even as the fatal poison claimed their own lives... In the dark years of the First World War, radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion to tonic

water, the popular new element shines bright. Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive — until they begin to fall mysteriously ill. And, until they begin to come forward. As the women

start to speak out on the corruption, the factories that once offered golden opportunities ignore all claims of the gruesome side effects. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come. A

timely story of corporate greed and the brave figures that stood up to fight for their lives, these women and their voices will shine for years to come. Written with a sparkling voice and breakneck pace, *The Radium Girls* fully illuminates the inspiring young women exposed to the "wonder" substance of radium, and their awe-inspiring strength in the face of almost impossible circumstances

. Their courage and tenacity led to life-changing regulations, research into nuclear bombing, and ultimately saved hundreds of thousands of lives...

Dear readers

and friends, it

was so

wonderful to

share this

story of what

God gave me

to write about

in the creation

of woman in

our life with

you. Many

years ago I

woke up one

morning with

a feeling that

told me I

should start

putting the

things about  
His  
Masterpiece of  
creation on  
paper. I had  
no idea how to  
do it. I just  
started by  
jotting down  
the main  
highlights of  
all the things  
based on my  
experience  
that happened  
in my life over  
the years.  
Then I asked  
the Holy Spirit  
to inspire me  
as He inspired  
the people  
who wrote the  
Bible. This is  
why this story  
I call "God  
Masterpiece of  
creation  
woman" It  
amazed me  
how i never  
knew how to

write and  
especially  
something or  
someone to  
write until  
now. Every  
day when I sat  
down in my  
lazy boy to  
write, or laid  
in bed, the  
words just  
flowed. It was  
an amazing  
experience, I  
know that this  
is not my  
doing; it is the  
Lord's doing. I  
know a few  
more stories  
will come as  
God continues  
to do His  
work.  
Specifically,  
this is why I  
think you (the  
reader) would  
like my novel.  
I have taken  
time to carry

out my  
research on  
what you seek  
or need to  
know. I have  
also included  
comparison  
titles to give  
you a feel of  
the book to  
prove that I  
know my  
target  
audience. I am  
an interesting  
and a likable  
person  
judging by my  
character. I  
want the  
readers to use  
the blank  
pages to take  
notes and tell  
me about  
each  
paragraph  
after each  
STORY. I do  
not have any  
publishing  
credits, but

experience in the subjects presented in the manuscript, included is a short biography. I'll also let you know if I'm working on something else to prove to you that I am not a one-hit-wonder. The #1 international best seller In Lean In, Sheryl Sandberg reignited the conversation around women in the workplace.  
Sandberg is chief operating officer of Facebook and coauthor of Option B with Adam Grant.  
In 2010, she gave an electrifying TED talk in

which she described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to “sit at the table,” seek challenges, take risks, and pursue their goals with gusto. Lean In continues that conversation, combining personal anecdotes,

hard data, and compelling research to change the conversation from what women can't do to what they can. Sandberg provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement

with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, Lean In is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.
