*Atlas ilustrado de la marina militar española* J.M Bosch

175.º ANIVERSARIO DE LA FUNDACIÓN DE LA GUARDIA CIVIL La Guardia Civil nació en 1844 como la anhelada solución que necesitaba España para acabar con la grave situación de inseguridad que arrastraba. La organización del nuevo cuerpo se encomendó al mariscal de campo Francisco Javier Girón, duque de Ahumada, personaje único que asumió con entusiasmo aquel reto, donde otros habían fracasado. El autor se adentra en la historia del fundador de la Guardia Civil, manejando con habilidad un lenguaje claro y preciso, así como valiosa documentación inédita, para desentrañar los aspectos y las claves que fueron perfilando la marcada personalidad de un hombre profundamente humano con grandes y extraordinarias cualidades y dotes de mando.

**Dialogues of Love** University of Oklahoma Press

The poems on these pages are centered on the golden age of Hollywood—the actors, actresses and movies. I was born on April 14. I did my military service as a paratrooper. I did not go into battle. Since 2006, I have been working at a stall in the street in Viamonte and Parana. I studied writing at workshops starting in 1990. It included topics such as narrative, neo tragedy and drama. They were coordinated by Hector Freire, Adriana Agrelo, Ariel Pytrell, Ruben de Leon and Luciano Borges."

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and

illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular *Daily Drop Cap* blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for Zafón. *Barcelona, 1945: A city slowly heals* in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets—an epic story of murder, madness, and doomed love.

La pandemia mundial ocasionada por la COVID-19 sin duda ha generado "Soledad, dolor y muerte", ruina social y económica y una gran variedad de calamidades que nos han tocado a todos de una forma u otra. Pero esta pandemia también ha generado cosas positivas, directamente vinculadas a esa virtud intrínsecamente humana que es la esperanza aplicada al esfuerzo por superar las adversidades, los malos momentos que a veces tiene nuestra vida, para llegar a un sitio mejor, un sitio que supera incluso el punto de partida. No podemos estar más orgullosos y agradecidos a nuestros compañeros profesores del Departamento de Trabajo Social de la UNED. En primer lugar, por su participación en el Seminario Internacional organizado en el seno del Departamento, bajo el título: Soledad, duelo, dolor y muerte en tiempos de pandemia: una perspectiva desde la profesión Trabajo Social. En segundo lugar, por ofrecernos

su posterior contribución escrita, que incluye en muchos casos la co-participación de los expertos externos al Departamento más reputados en la materia. Todas esas valiosas aportaciones se han impreso en este libro que el lector tiene en sus manos. Un libro que supera con creces las expectativas iniciales, resultado de la unión, la colaboración, el buen trabajo y la buena energía de los profesores e investigadores del Departamento de Trabajo Social de la UNED. ¡Orgullosos estamos!

*La necesidad de conocer África*. AF Editores

La situación, como ustedes verán, es crítica. Ha llegado el momento de sacrificarse por la patria. Que cada uno ocupe su puesto y cumpla con su deber». (TENIENTE CORONEL FERNANDO PRIMO DE RIVERA, JEFE DEL ALCÁNTARA). La gesta del regimiento de caballería Alcántara en la guerra del Rif, durante los trágicos días de Annual (verano de 1921), constituye un capítulo imborrable de la historia militar. Fieles a su lema: «Disipa como el sol las nubes a su paso», los jinetes del Alcántara cargaron repetidas veces contra las posiciones enemigas, sabiendo que les esperaba una muerte segura. Con su sangre aceptaron el sacrificio de sus vidas y dieron el mayor ejemplo de amor a España. A campo descubierto, para proteger a las tropas españolas perseguidas por el enemigo, los escuadrones del Alcántara llevaron a cabo una hazaña que tardaría más de noventa años en ser reconocida oficialmente, cuando al regimiento le fue otorgada la Cruz Laureada Colectiva de San Fernando.

Thirty-five years ago, Kamen wrote a study of the Inquisition that received high praise. This present work, based on over 30 years of new research, is not simply a complete revision of the earlier book. Innovative in its presentation, point of view, information, and themes, it will revolutionize further study in the field. *Panzer Iv* Stackpole Books Alfonso Ruiz de Aguirre y Luis Miguel Francisco nos ofrecen una visión exhaustiva y actualizada de la historia de la Legión, desde su creación como fuerza

de choque durante la guerra de Marruecos hasta las actuales misiones de paz. Todo ello sin pasar por

**The Shadow of the Wind** Penguin  
Marshal Georgi Konstantinovich Zhukov, hero of Leningrad, defender of Moscow and Stalingrad, commander of the victorious Red Army at Berlin, was the most decorated soldier in Soviet history. Yet for many years Zhukov was relegated to the status of "unperson" in his homeland. Now, following glasnost and the fall of the Soviet Union, Zhukov is being restored to his rightful place in history. In this completely updated version of his classic 1971 biography of Zhukov, Otto Preston Chaney provides the definitive account of the man and his achievements. Zhukov's career spanned most of the Soviet period, reflecting the turmoil of the civil war, the hardships endured by the Russian people in World War II, the brief postwar optimism evidenced by the friendship between Zhukov and Eisenhower, repression in Poland and Hungary, and the rise and fall of such political figures as Stalin, Beria, and Krushchev. The story of Russia's greatest soldier thus offers many insights into the history of the Soviet Union itself.

*Vehículos blindados españoles* La Esfera de los Libros

The acclaimed author and preeminent military historian John Keegan examines centuries of human conflict. From primitive man in the bronze age to the end of the cold war in the twentieth century, Keegan shows how armed conflict has been a primary preoccupation throughout the history of civilization and how deeply rooted its practice has become in our cultures. "Keegan is at once the most readable and the most original of living military historians . . . A History of Warfare is perhaps the most remarkable study of warfare that has yet been written."--The New York Times Book Review.

Atlas ilustrado de La Legión SUSAETA  
Este libro aborda el tratamiento policial y judicial del fenómeno de la criminalidad organizada, aunando el enfoque estrictamente jurídico con el criminológico para arrojar una visión práctica y clarificadora del panorama, que debido a las sucesivas reformas legales, la técnica legislativa empleada y la confluencia del ordenamiento español con el internacional, puede resultar confuso en muchos aspectos. Este estudio tiene en cuenta las disposiciones contenidas en las normas sustantivas y procesales españolas, así como la copiosa jurisprudencia que las desarrolla, pero también el contexto normativo de la Unión Europea y de las Naciones Unidas, dando

respuesta a cuestiones prácticas como la distinción entre los supuestos de mera codelincuencia y los de auténtica criminalidad organizada, distinguiendo dentro de ésta entre organizaciones y grupos criminales, estudiando las distintas agravaciones penológicas y fijando los criterios para la resolución de los problemas concursales que pueden surgir. Se estudian asimismo los puntos de confluencia y las diferencias entre criminalidad organizada y terrorismo, prestando especial atención al tratamiento procesal diferenciado que reciben estas figuras frente a la delincuencia ordinaria. La presente obra pretende por tanto ser interesante para el estudioso de estos fenómenos, pero también constituir un compendio útil para clarificar conceptos, pudiendo utilizarse a modo de guía práctica por los aplicadores de las normas jurídicas, como Fuerzas y Cuerpos de Seguridad, Jueces y Magistrados, Fiscales y, cómo no, Abogados penalistas.

Atlas ilustrado de la guerra civil española Penguin

This book is part a of new series coming to us from AF Editions in Spain. Published last year in Spanish, they are now appearing for the first time in English. The book features a comprehensive narrative text and a combination of exceptionally high quality 4 color black and white photos accompanied by spectacular full color profiles of each of the tanks-all custom created for these books. AF Editions have pioneered a system for producing profiles which produce a unique texture rich look and a level of detail that is unprecedented. This series and the books will be of great interest to all WWII enthusiasts and to modelers in particular.

*Little Women* America Star Books

This book is the first that describes the practices of any stock exchange; it makes evident a high development of practices, with puts, calls, pools, and manipulations; and it appeared as early as the seventeenth century. Not inappropriately the stock exchange described is that of Amsterdam, a city which at the date of the volume's publication —1688 — was still the leading financial center of the world. The book, to be sure, is hardly a systematic account of the institution; the author pursued moral, philosophical, and rhetorical objectives, and, while saying a lot that seems now to be of little value, manages somehow to leave unsaid a great deal that would be of interest for us. Nevertheless, it represents, even in its peculiar form, a really important source of information about the stock exchange, and indeed about the Dutch business world of that period.

*Criminalidad organizada* Q~Press

The fierce battle to capture the French village of Tilly-la-Campagne was an exceptionally bloody episode in the story of the allied breakout from Normandy in the summer of 1944. Small Allied infantry units faced an almost impossible mission, hampered by the proximity of the elite German 1st SS Panzer Division and 'friendly fire' from the erratic USAAF bombing raids. If that was not enough, appalling tactical errors by Allied commanders resulted in infantry attacks which were as costly pro rata as the losses suffered on the first day of the Somme. Drawing on vivid eyewitness accounts and the recollections of many who were there in 1944, Ken Tout's masterly portrayal of the bloody battle is a fitting tribute to the British and Canadian youth, who fought, and the many who died, during the breakout from Normandy in the last summer of the war in Europe. Kent Tout, PhD, served as an NCO with the 1st Northants Yeomanry during the Second World War, fighting in Sherman tanks and saw action at Operation 'Totalize'. He now lives in West Sussex.

**The Independence of Spanish America** SUSAETA

Visual Propaganda, Exhibitions, and the Spanish Civil War is a history of art during wartime that analyzes images in various media that circulated widely and were encountered daily by Spaniards on city walls, in print, and in exhibitions. The book draws on extensive archival research, brings to light unpublished documents, and examines visual propaganda, exhibitions, and texts unavailable in English. It engages with questions of national self-definition and historical memory at their intersections with the fine arts, visual culture, exhibition history, tourism, and propaganda during the Spanish Civil War and immediate post-war period, as well as contemporary responses to the contested legacy of the Spanish Civil War. It will be of interest to scholars in art history, visual and cultural history, history, and museum studies.

Atlas Ilustrado de La Guerra Civil Española La presencia continua de la Guerra Civil en el discurso político actual y la avalancha de libros sobre el tema causan inevitablemente una gran confusión en el lector no especialista, qu

**Anarchism in Latin America** SUSAETA

First published in Rome in 1535, Leone Ebreo's Dialogues of Love is one of the most important texts of the European Renaissance. Well known in the Italian academies of the sixteenth century, its popularity quickly spread throughout

Europe, with numerous reprintings and translations into French, Latin Spanish, and Hebrew. It attracted a diverse audience that included noblemen, courtesans, artists, poets, intellectuals, and philosophers. More than just a bestseller, the work exerted a deep influence over the centuries on figures as diverse as Giordano Bruno, John Donne, Miguel de Cervantes, and Baruch Spinoza. Leone's Dialogues consists of three conversations - 'On Love and Desire,' 'On the Universality of Love,' and 'On the Origin of Love' - that take place over a period of three subsequent days. They are organized in a dialogic format, much like a theatrical representation, of a conversation between a man, Philo, who plays the role of the lover and teacher, and a woman, Sophia, the beloved and pupil. The discussion covers a wide range of topics that have as their common denominator the idea of Love. Through the dialogue, the author explores many different points of view and complex philosophical ideas. Grounded in a distinctly Jewish tradition, and drawing on Neoplatonic philosophical structures and Arabic sources, the work offers a useful compendium of classical and contemporary thought, yet was not incompatible with Christian doctrine. Despite the unfinished state and somewhat controversial, enigmatic nature of Ebreo's famous text, it remains one of the most significant and influential works

in the history of Western thought. This new, expertly translated and annotated English edition takes into account the latest scholarship and provides an invaluable resource for today's readers. The Spanish American Reader Games Workshop

*Confusion de Confusiones [1688]* Dykinson S.L.  
Ahora que se plantea un nuevo modelo de Selectividad y que sigue abierto el debate sobre la necesidad de que las organizaciones políticas debatan y acuerden un nuevo modelo educativo, parece necesario que los profesores de Historia, Comunicación, Documentación y Lengua, y también otros profesionales vinculados a la Universidad, reflexionemos y aportemos ideas sobre los contenidos de los planes de estudio y los manuales utilizados por los alumnos. Y también que ofrezcamos al alumnado contenidos relacionados con la España del Presente que no han sido atendidos, o no de forma suficiente, durante el período lectivo. Por eso nuestro deseo de atender a la realidad de España en África y a la importancia de las relaciones políticas, económicas, culturales y en materia de seguridad de España con el resto de África.  
*Atlas ilustrado de la Guardia Civil*  
University of New Orleans Press

The available material in English discussing Latin American anarchism tends to be fragmentary, country-specific, or focused on single individuals. This new translation of Ángel Cappelletti's wide-ranging, country-by-country historical overview of anarchism's social and political achievements in fourteen Latin American nations is the first book-length regional history ever published in English. With a foreword by the translator. Ángel J. Cappelletti (1927-1995) was an Argentinian philosopher who taught at Simon Bolivar University in Venezuela. He is the author of over forty works primarily investigating philosophy and anarchism. Gabriel Palmer-Fernandez is Distinguished Professor of Philosophy and Religious Studies at Youngstown State University. Conquistadores SUSAETA  
The Condor Legion was the expeditionary force of soldiers and airmen sent by Hitler to aid Franco's Nationalists in the Spanish Civil War. The Germans used the war as an opportunity to develop equipment and tactics, and their force included not only instructors, but also combat units of artillery, tanks and aircraft. These units tested guns, tanks and planes and perfected techniques which were used in the 1940 Blitzkrieg. Many of officers prominent in the early campaigns of World War II won their first successes in Spain. This book details the Legion and its unique uniform and insignia.
