BYRON BURNS

Ten Little Pirates Chicago Review Press

The author believes the period of our lives that has the greatest impact on disease and personality formation is our gestation and birth. Recent studies provide evidence that fetal imprinting, an evolutionary strategy to prepare children to cope with life, establishes a permanent set-point in a child's physiology. Mothers highly anxious during pregnancy may give birth to babies prone to mental illness and disease in later life. Low oxygen at birth, drugs taken during pregnancy, and a lack of parental affection in the first years of life may have similar adverse affects. The author puts a case for a reorientation of our approaches to pregnancy and the use of drugs, and above all, to the modes of psychotherapy we implement to treat everything from phobias and compulsions to anxiety and depression.--From book jacket.

Pirate Women Bucket Fillers

'With one's face in the wind you were almost burned with a shower of Firedrops' A selection from Pepys' startlingly vivid and candid diary, including his famous account of the Great Fire

Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Samuel Pepys (1633-1703). The Diary of Samuel Pepys: A Selection is available in Penguin Classics

Hugo's Runaway Legs Oxford University Press, USA

Helps demonstrate how to run Forest School sessions with a wide range of different age groups and in many different settings.

Grace O'Malley HarperCollins

The first ever in-depth study of the role played by the nobility in the Nazi rise to power in interwar Germany, this is a fascinating portrait of an aristocratic world teetering on the edge of self-destruction.

T. K. Whitaker: Portrait of a Patriot Tate

In the sixteenth century, Granuaile, the Pirate Queen, warrior and leader, was the terror of the North Atlantic and the most feared woman in Ireland. Heading a large army and a fleet of ships, she lived by trading and raiding and demanding tribute from all who sailed through her territory. Told partly through letters written to her son Tibbot, it charts the gradual decline of the Gaelic chieftains and traditions of Ireland as Elizabeth Tudor, the 'Virgin Queen' of England, extended her power throughout Ireland by bribery and slaughter. It is a story of immense bravery and daring, as Granuaile takes on the great Norman lords, smuggles weapons and mercenaries for the Ulster Gaelic O'Donnell and O'Neill clans and finally goes to confront Elizabeth Tudor herself. Some of the great figures of Irish history feature, including Red

Hugh O'Donnell, Hugh O'Neill, Hugh Dubh O'Donnell, and Richard Bingham.

Grania Orchard Books

"Here's a delightful little book to warm the hearts of young children and teach them how to experience the joy of giving and receiving. Just think of all the little buckets this book will fill with love and encouragement." - Dr. Kevin Leman, author of *Have a New Kid by Friday* While using a simple metaphor of a bucket for happiness, authors Carol McCloud and Katherine Martin, M.A. show young children how our positive behavior and interactions increase happiness. This sweet book shows how we can fill each other's buckets by being kind, loving, and caring. It also teaches the importance of filling other people's buckets as well as our own. Fill a Bucket is perfect for children, parents, grandparents, teachers and people who want to teach empathy, nurture kindness, and create a positive environment in their home, classroom, and community. Fill a Bucket is a successful followup to the bestselling book, *Have You Filled a Bucket Today?* (3 million copies sold worldwide!) Fill a Bucket introduces the bucket filling concept in simple ways that makes it easy to understand for younger children. & Publications by Bucket Fillers: ·Have You Filled a Bucket Today? ·Fill a Bucket ·Growing Up with a Bucket Full of Happiness ·My Bucketfilling Journal ·Will You Fill My Bucket? ·Bucket Filling from A to Z ·Bucket Filling from A to Z Poster Set ·My Very Own Bucket Filling from A to Z Coloring Book ·BABY'S BUCKET Book ·Buckets, Dippers, and Lids

Good Practice In Science Teaching: What Research Has To Say Penguin UK

There are qualities we all yearn to experience in our lives—peace, simplicity, grace, connection, clarity. Yet these qualities evade us because each of them arises from an experience of wholeness, and we live in a culture that enforces divisions within each of us. In *Radical Wholeness*, Philip Shepherd shows the countless ways in which we are persuaded to separate from the body and live in the head. Disconnected from the body's intelligence, we also disconnect from the wholeness of the present. This schism within us is the primary source of stress not just in our personal lives, but for the systems of the planet. Drawing from neuroscience, anthropology, physics, the arts, myth, personal stories and his experiences helping people around the world to experience wholeness, Philip Shepherd illuminates what true wholeness means and offers practices designed to help readers soften into the intelligence of the body. *Radical Wholeness* is a call to action: to recover wholeness and experience a new way of being.

Pirate Queen A&C Black

In the first-ever Seven Seas history of the world's female buccaneers, *Pirate Women: The Princesses, Prostitutes, and Privateers Who Ruled the Seven Seas* tells the story of women, both real and legendary, who through the ages sailed alongside—and sometimes in command of—their male counterparts. These women came from all walks of life but had one thing in common: a desire for freedom. History has largely ignored these female swashbucklers, until now. Here are their stories, from ancient Norse princess Alfhild and warrior Rusla to Sayyida al-Hurra of the Barbary corsairs; from Grace O'Malley, who terrorized shipping operations around the British Isles during the reign of Queen Elizabeth I; to Cheng I Sao, who commanded a fleet of four hundred ships off China in the early nineteenth century. Author Laura Sook Duncombe also looks beyond the stories to the storytellers and mythmakers. What biases and agendas motivated them? What did they leave out? *Pirate Women* explores why and how these stories are told and passed down, and how history changes depending on who is recording it. It's the most comprehensive overview of women pirates in one volume and chock-full of swashbuckling adventures that pull these unique women from the shadows into the spotlight that they deserve.

Pirate Gran SAGE Publications

The real-life swashbuckling adventure story of a 16th-century Irish woman who rose to power in piracy and politics. In a life stranger than any fiction, Grace O'Malley, daughter of a clan chief in the far west of Ireland, went from marriage at fifteen to piracy on the high seas. She soon had a fleet of galleys under her commander, but her three decades of plundering, kidnapping, murder and mayhem came to a close in 1586, when she was captured and sentenced to hang. Saved from the scaffold by none other than Queen Elizabeth herself—another powerful woman in a man's world—Grace's life took another extraordinary turn, when it was rumoured she had become intelligencer for the queen's spymaster, Sir Francis Walsingham. Was this the price of her freedom? Judith Cook explores this and other questions about the life and times of this remarkable woman in a fascinating, thrilling and impeccably researched book.

Gracie the Lighthouse Cat Little, Brown

Rebel Girls Lead: 25 Tales of Powerful Women celebrates the incredible and inspiring stories of 25 women leaders in politics, business, sports, activism, and more, all written in fairy tale form. It is illustrated by female and nonbinary artists from around the world.

Fill a Bucket Gill & Macmillan Ltd

Grace O'Malley is the story of one remarkable woman's quest for survival and fulfilment, by land and by sea. In 1979, Anne Chambers' original biography of Ireland's pirate queen, airbrushed from historical record over the centuries, put her on the map once again. The biography became a milestone in Irish publishing and the catalyst for the restoration of Grace O'Malley to political, social and maritime history, as well as establishing her as an inspirational female role model. In the 40th anniversary edition of this international bestselling biography, drawn from rare contemporary manuscript records, the author presents Ireland's great pirate queen not as a vague mythological figure but as one of the world's most extraordinary female leaders. Political pragmatist and tactician, rebel, intrepid mariner and pirate, wife, lover, mother, grandmother and matriarch, the 'most notorious woman in all the coasts of Ireland', Grace O'Malley challenged and triumphed over the social and political barriers she encountered in the course of her long, pioneering life. This updated edition brings one of the world's first recorded feminist trailblazers to a new generation awakened to the global focus on gender equality as well as positive ageing. Praise for Anne Chambers' *Granuaile*: 'Draws a vivid picture of the trailblazing pirate queen.' *Irish Examiner* 'You cannot be what you cannot see, and with women all too often airbrushed from history, the importance of this biography cannot be underestimated.' Orla O'Connor, Director, National Women's Council of Ireland 'A superbly researched work ... it salvages the 16th century Mistress of the Western Waves from the rather frivolous folklore which surrounds her.' *The Irish Times* 'A historical reality which is equally if not more compelling than the legend.' *Sunday Tribune* 'Grace O'Malley ... a woman who can truly claim to have been 400 years before her time ... and Anne Chambers' biography is as innovative as its subject.' Enda Kenny, former Taoiseach of Ireland

Ranji, Maharajah of Connemara Birlinn

Prince Siddhartha sees a wounded swan fall from the sky with an arrow in its side. He wants to save the bird, but his cousin Devadatta, who shot the swan, claims it as his property. Who will win? A tale of the young Buddha's compassion for all living things, beautifully illustrated by Miss Swanne.

Plasma Kinetics in Atmospheric Gases Andersen Press USA

This volume provides a summary of the findings that educational research has to offer on good practice in school science teaching. It offers an overview of scholarship and research in the field, and introduces the ideas and evidence that guide it.
