SUMMARY - 7 Strategies For Wealth: Happiness Power Ideas From America's Foremost Business Philosopher By Jim Rohn The Power of Mentorship

A concise survey of the culture and civilization of mankind, The Lessons of History is the result of a lifetime of research from Pulitzer Prize-winning historians Will and Ariel Durant. With their accessible compendium of philosophy and social progress, the Durants take us on a journey through history, exploring the possibilities and limitations of humanity over time. Juxtaposing the great lives, ideas, and accomplishments with cycles of war and conquest, the Durants reveal the towering themes of history and give meaning to our own.

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will discover how to transform your life and become rich and prosperous. You will also discover : that working hard all your life is not necessarily enough to secure your old age; that it is very simple to succeed in life, if you apply the right method; that you must learn to distinguish between the price and the value of things; that without goals, a life cannot be successful; that discipline, curiosity and generosity are imperative to progress; that a person who is given a large sum of money is likely to lose it if he or she is not prepared to be a millionaire. Jim Rohn was an optimistic young man, ready to take a bite out of life. After graduating from high school, he dropped out after a year and looked for a job. At the age of 25, he became a father. He works hard but struggles to make ends meet. His meeting with John Earl Shoaff turned his life upside down and gave him an entirely different path, paved with success. Jim Rohn decided to share this philosophy so that everyone could take charge of their own destiny. *Buy now the summary of this book for the modest price of a cup of coffee!
