A rich anthology of pre-Islamic and early Islamic poetry on the beauties and perils of the hunt In the poems of Fate the Hunter, many of them translated into English for the first time, trained cheetahs chase oryx, and goshawks glare from falconers' arms, while archers stalk their prey across the desert plains and mountain ravines of the Arabian peninsula. With this collection, James E. Montgomery, acclaimed translator of War Songs by 'Antarah ibn Shaddād, offers a new edition and translation of twenty-six early works of hunting poetry, or ṭarḍīyyāt. Included here are poems by pre-Islamic poets such as Imru' al-Qays and al-Shanfarā, as well as poets from the Umayyad era such as al-Shamardal ibn Sharīk. The volume concludes with the earliest extant epistle about hunting, written by 'Abd al-Ḥamīd al-Kātib, a master of Arabic prose. Through the eyes of the poet, the hunter's pursuit of the quarry mirrors Fate's pursuit of both humans and nonhumans and highlights the ambiguity of the encounter. With breathtaking descriptions of falcons, gazelles, and saluki gazehounds, the poems in Fate the Hunter capture the drama and tension of the hunt while offering meditations on Fate, mortality, and death. A bilingual Arabic-English edition.

An Aid to Shakespearean Study

Maybe an elephant can't run like a cheetah...Maybe a dog can't fly like a bird above the beach...Maybe a baby owl can't stay awake all day like a squirrel.....but each of them has something that makes them unique and special in their own beautiful way. Just like you! "If I Have to be an Elephant" is a celebration of what makes each of us ourselves, and a reminder to enjoy those things that make us unique.

Jalilyah

An Entertaining Tale of Quadrupeds is the first English verse translation of the Greek satirical poem

Diegesis Paidiophrastos ton Zoon ton Tetrapodon. Written by an anonymous author in fourteenth-century Byzantium, this vernacular allegorical poem has long been recognized as a unique document, one that appears to have originated independently of comparable works in other traditions. A medieval Animal Farm, the story describes a convention of animals in which each beast vaunts its uses to humanity while denigrating others, resulting in a cataclysmic battle. The authors provide extensive textual analysis and notes on the form, style, and context of the poem.
