**Noah's Ark** Cambridge University Press  
Ottmar Ette's *TransArea* proceeds from the thesis that globalization is not a recent phenomenon, but rather, a process of long duration that may be divided into four main phases of accelerated globalization. These phases connect our present, across the world's widely divergent modern eras, to the period of early modern history. Ette demonstrates how the literatures of the world make possible a tangible perception of that which constitutes Life, both of our planet and on our planet, which may only be understood through the application of multiple logics. There is no substitute for the knowledge of literature: it is the knowledge of life, from life. This English translation will be of great interest to English-speaking scholars in the fields of Global and Area Studies, Literary Studies, Cultural Studies, History, Political Science, and many more. About the author Ottmar Ette has been Chair of Romance Literature at the University of Potsdam, Germany, since 1995. He is Honorary Member of the Modern Language Association of America (MLA) (elected in 2014), member of the Berlin-Brandenburg Academy of Sciences and Humanities (elected in 2013), and regular member of the Academia Europaea (since 2010).

**Sophist** Cambridge University Press  
First published in 1964, Ruth Harrison's book *Animal Machines* had a profound and lasting impact on world agriculture, public opinion and the quality of life of millions of farmed animals. Concerned with welfare standards at a time when animal production was increasing in scale and mechanization, Ruth Harrison set about investigating the situation in a fair and even-handed way. Reporting her findings in this book, Harrison alerted the public to the undeniable suffering of calves living in veal crates and birds in battery cages. Written at the beginning of the intensive farming movement, which promised progress but in reality worsened conditions for domesticated animals, *Animal Machines* provides a fascinating insight into the system we are living with today and must continue with as the global population increases. Harrison's work brought about legal reforms, a greater understanding of farm conditions for animals and increased public awareness. *Animal Machines* is reprinted here in its entirety, accompanied by new chapters by world-renowned experts in animal welfare discussing the legacy and impact of *Animal Machines* 50 years on.  
**Blast Furnace and Steel Plant** Baen Books  
When fifteen-year-old Anna begins receiving messages from another time, her parents take her to the doctor. But he can find nothing wrong; in fact he believes there may be some truth to what she is seeing. Anna is haunted by visions of the desolate world of 2082. She sees her great-granddaughter, Nova, roaming through wasteland with a band of survivors, after animals and plants have died out. The more Anna sees, the more she realises she must act to prevent the future in her visions becoming real. But can she act quickly enough? 'Compelling'

**Legends and Stories of Ireland** IAP

Early modern Germany saw the dissemination of vast quantities of information at unprecedented speed. Popular knowledge, scientific inquiry, and scholarship influenced the political order,

poetic expression, public opinion, and mechanisms of social control. This collection presents twelve essays by distinguished scholars regarding the transcendent nature of the Divine, the natural world, the body, sexuality, intellectual property, aesthetics, demons, and witches. The contributors are Thomas Cramer, Walter Haug, C. Stephen Jaeger, Thomas DaCosta Kaufmann, Jan-Dirk Maller, James A. Parente, Jr., Stephan K. Schindler, Gerhard F. Strasser, Lynne Tatlock, Elaine Tennant, Horst Wenzel, and Gerhild Scholz Williams.

**A History of Balance, 1250-1375** Gareth Stevens Publishing LLLP

An illustration-heavy exploration of the types and characteristics of sharks.

**Wind Energy and Wildlife Impacts** Wide Eyed Editions

Three complete novels, one of them a Hugo Award finalist, with a number of short stories.

**Bird Bingo** Penguin UK

A beautifully illustrated children's Bible for families to enjoy together. This collection of influential and inspiring stories from the Old and New Testaments helps children learn and interpret the messages and meanings of the Bible. Major events, including the Creation, the Nativity, and the Resurrection, are covered in depth and detail. The classic stories are retold in simple, accessible language for children, while beautiful illustrations bring the words to life. The book also introduces younger readers to sacred sites of religious significance, from the peak of Mount Sinai to the shores of the Sea of Galilee. Colorful photographs and illustrations of key people and places, together with geographical maps of locations in the Bible, provide fresh insight and aid understanding. Important quotations from the King James Bible are included with useful references to chapter and verse. This family favorite is a perfect gift for children and a continuing source of learning to return to time and time again.

**War and Children** Narr Francke Attempto Verlag

Looks at seven field animals, including moles, hares, and snails, with basic facts about the way each animal behaves.

**Automatismen** Walter de Gruyter GmbH & Co KG

A movement must be set in motion

...Henry, a little orangutan, lives happily and in content with his mother in the rainforests of the island of Borneo. But he has to learn soon enough that his home and his fellow orangutans are threatened by deforestation as well as land clearance by slash-and-burn. In order to find allies and protect his habitat, Henry sets off on a long journey around the globe. But will this help him save his beloved rainforest?

**TransArea** Penguin

A fluent and accurate new translation of the dialogue that, of all Plato's works, has seemed to speak most directly to the interests of contemporary and analytical philosophers. White's extensive introduction explores the dialogue's central themes, its connection with related discussions in other dialogues, and its implication for the interpretation of Plato's metaphysics.

**Oskar and Mo** Walter de Gruyter GmbH & Co KG

From Africa to Asia, the elephant makes its home. Light on their feet, despite their great weight, these magnificent creatures appear light and graceful because they're always walking on their tip-toes. They have excellent hearing and can detect the rumblings of other elephants from six miles away. And, just like humans being right handed or left handed, elephants can be right tusked or left tusked!

**Great Scientists** Dorling Kindersley Ltd

Über die Epochen hinweg haben sich literarische Werke und Genres explizit oder implizit mit dem Kapitalismus auseinandergesetzt. Doch gerade die vergangenen Jahrzehnte, in welchen der Kapitalismus nach Mark Fisher zum ausweglosen Vorstellungshorizont

avanciert ist, zeugen von einer vermehrten Infragestellung des Kapitalismus in der literarischen Produktion sowie der Literaturwissenschaft. Vor diesem Hintergrund vereint der interdisziplinäre Sammelband Beiträge aus der Germanistik, Romanistik, Amerikanistik und Anglistik, die den Blick auf verschiedene zeitgenössische Manifestationen des globalen Kapitalismus und deren literarische oder filmische Repräsentationen richten.

**A Logic Named Joe** Holiday House

Jarek und seine Freunde fliehen mit den befreiten Gefangenen vom Volk der Peco. Unter der Führung der jungen Ainas versuchen sie, die Stadt des Clans zu erreichen. Aber sie sehen sich schnell mit Hindernissen und Gefahren konfrontiert, von denen Jarek nicht einmal ahnte, dass es sie gibt. Furchtbare Kälte und Erschöpfung machen ihnen schwer zu schaffen. Doch als es ihnen am Ende ihrer Kräfte gelingt, den gesuchten Ort zu erreichen, will der Älteste der Peco Jarek und seine Freunde zwingen, mit ihm in einen Krieg zu ziehen. Er will die Feinde besiegen, die seine Siedlung überfallen und so viele Menschen getötet haben. Jarek ist klar, dass ein solcher Kampf mit der Vernichtung des ganzen Clans enden muss. Jarek sieht nur einen Ausweg, das Blutbad zu verhindern.
