""Have you heard of Hermès? What about Birkin and Kelly bags? What's that? Oh, you're a super freak fan?? You bought a separate house just to store your Birkin and Kelly bags collections? Excellent. This book is for you. Come along on a journey with a couple of Birkin and Kelly bags resellers into the mystical world of Hermès; the crack for the high society, the heroin for the exclusive. Read the swashbuckling duo's adventures and struggles as they established Hermès Temptation, an online forum to re-sell the beautiful and rare bags, and laugh and cry as they tell their ups and downs in running the business, weathering criticism, warding off scams and turning France upside down in search of the elusive Birkins and Kellys-and found Mickey Mouse underwear instead. %%% ""This book is a pure pleasure to read; filled to the brim with humor and I love the wittiness of Alexandra Dewi and the sincerity of fierce yet darling Fifi. Hermès Temptation is a celebration of all women. The dynamic duo's passions, sensitivities and measured ways of dealing with the intricacies of this tough business and of course the many temptations in LIFE warrant a thorough read."" Cathy Sharon. Model, Presenter, Actress ""I can't stop smiling reading Hermès Temptation... this book is not too lengthy but definitely interesting to read all the way through! It is amazing to read how some people can be so superficial for something so artificial, for a piece of (what we believe) a branded bag. This book is an eye-opener for all of us."" Becky Tumewu. Presenter & Founder of TalkInc. ""Well, here we have one intriguing book..... It makes you wonder, doesn't it, 'Are you what you wear'... or 'Do you wear what you want to be?"" Susan Bachtiar. Model, Presenter, Actress""

With the recent news that is hitting the cyberspace about BlackBerry making available their most sought after BlackBerry Messenger popularly known as BBM to Android, iPad and iPhone users, how prepared are you to monetized your BBM and to take your ministry and business to the next level. I guess somebody is scratching his/her eyes saying I never thought of that. Yes, is true you can reach out to more souls and also monetize your BBM instead of burning your precious megabytes for unnecessary chats. Think out of the box and turn your BBM into a goldmine. Technology suppose to be a blessing but instead is becoming a curse to many. Relationships are being shattered because of technology. Many are cheating on their spouses, fiance and fiancee through BBM and WhatsApp because unlike Facebook it is on your phone and many password their phones, BBM and their WhatsApp and other messengers so that the hidden things they are doing might not be exposed to prying eyes. And the sad part of this is that many so called believers are caught up in this web of display of shame. Many have lost their consecrations because of technology! Lets wake up to realities and give God praise for giving us technology because it is not Devil's invention. I know the question in your mind now is how can i reach out to more souls or take my business and ministry to the next level with my BBM. You can discover the possibility of it by getting this new ebook: **TURNING YOUR BBM INTO A GOLDMINE**. It will definitely blow your mind by the discovery you will make because i will take you step by step in getting total understanding of the BlackBerry Messenger and how it can work for you. The definitive account of the rise and fall of the ultimate narco, "El Chapo," from the New York Times reporter whose coverage of his trial went viral Joaquin "El Chapo" Guzman is the most legendary of Mexican narcos. As leader of the Sinaloa drug cartel, he was one of the most dangerous men in the world. His fearless climb to power, his brutality, his charm, his taste for luxury, his penchant for disguise, his multiple dramatic prison escapes, his unlikely encounter with Sean Penn—all of these burnished the image of the world's most famous outlaw. He was finally captured by U.S. and Mexican law enforcement in a daring operation years in the making. Here is that entire epic story—from El Chapo's humble origins to his conviction in a Brooklyn courthouse. Longtime New York Times criminal justice reporter Alan Feuer's coverage of his trial was some of the most riveting journalism of recent years. Feuer's mastery of the complex facts of the case, his unparalleled access to confidential sources in law enforcement, and his powerful understanding of disturbing larger themes—what this one man's life says about drugs, walls, class, money, Mexico,

and the United States—will ensure that El Jefe is the one book to read about “El Chapo.”

to Signal? This book has got you covered! Many users are moving to Signal as WhatsApp has updated its privacy policy. But what is Signal? And how does the messaging app work? What makes it different and better than WhatsApp? We take a look at that in this book. Signal is a privacy-focused messaging app that has been available since 2014. Whether eliminating operational privacy issues or securing communications on principle, Signal is the go-to app for secure messaging for those in tech and journalism. Signal introduces an “unexpected emphasis on privacy” in a world where privacy breaches and the unauthorized collection of user data have become routine. If you care about privacy when it relates to chatting, Signal is the way to go, and this book provides enough coverage on Signal’s privacy features.

Care to know how to do the following on Signal: Install Signal on iOS and Android devices as well as on PC? Make encrypted audio and video calls? Turn off screenshot function to protect your chats (chat privacy)? Activate disappearing pictures and messages? Turn Signal to a note-taking app? Conceal your IP when making calls (IP privacy)? Delete old messages automatically (chat decluttering)? Edit pictures on Signal (image editing)? Hide your face before sharing your picture (facial privacy)? This book covers these and more... If you’re following the transitory wave, you could end up being clueless with Signal. This book solves the cluelessness by providing the best user tips for using Signal Messenger like a pro. To enjoy the privacy benefits of this app, this book discusses the best Signal tips that can enhance your messaging experience. Here, you will find all the best Signal features that will allow you to use the messaging service to your full advantage. With that said, click the BUY button to make your onboarding a breeze.
