SASHA GRIMES

Reign of a King Houghton Mifflin Harcourt

The "unputdownable" (Dave Eggers, National Book award finalist) story of the most infamous American con man you've never heard of: James Strang, self-proclaimed divine king of earth, heaven, and an island in Lake Michigan, "perfect for fans of *The Devil in the White City*" (Kirkus) A New York Times Book Review Editors' Choice Longlisted for the 2021 Andrew Carnegie Medal for Excellence in Nonfiction Finalist for the Midland Authors Annual Literary Award A Michigan Notable Book A CrimeReads Best True Crime Book of the Year "A masterpiece." —Nathaniel Philbrick In the summer of 1843, James Strang, a charismatic young lawyer and avowed atheist, vanished from a rural town in New York. Months later he reappeared on the Midwestern frontier and converted to a burgeoning religious movement known as Mormonism. In the wake of the murder of the sect's leader, Joseph Smith, Strang unveiled a letter purportedly from the prophet naming him successor, and persuaded hundreds of fellow converts to follow him to an island in Lake Michigan, where he declared himself a divine king. From this stronghold he controlled a fourth of the state of Michigan, establishing a pirate colony where he practiced plural marriage and perpetrated thefts, corruption, and frauds of all kinds. Eventually, having run afoul of powerful enemies, including the American president, Strang was assassinated, an event that was frontpage news across the country. *The King of Confidence* tells this fascinating but largely

forgotten story. Centering his narrative on this charlatan's turbulent twelve years in power, Miles Harvey gets to the root of a timeless American original: the Confidence Man. Full of adventure, bad behavior, and insight into a crucial period of antebellum history, *The King of Confidence* brings us a compulsively readable account of one of the country's boldest con men and the boisterous era that allowed him to thrive.

America's Inadvertent Empire Scribner

Fans of Stephen King's *The Dark Tower* will definitely want this picture book about a train engine and his devoted engineer. Engineer Bob has a secret: His train engine, Charlie the Choo-Choo, is alive...and also his best friend. From celebrated author Beryl Evans and illustrator Ned Dameron comes a story about friendship, loyalty, and hard work.

The King at the Edge of the World Little, Brown

WINNER OF A CORETTA SCOTT KING HONOR AND THE JANE ADDAMS PEACE AWARD! Each kindness makes the world a little better This unforgettable book is written and illustrated by the award-winning team that created *The Other Side* and the Caldecott Honor winner *Coming On Home Soon*. With its powerful anti-bullying message and striking art, it will resonate with readers long after they've put it down. Chloe and her friends won't play with the new girl, Maya. Every time Maya tries to join Chloe and her friends, they reject her. Eventually Maya stops coming to school. When Chloe's teacher gives a lesson about how even small acts of kindness can change the world, Chloe is stung by the lost opportunity for friendship, and thinks about how much better it could have been if she'd shown a little kindness toward Maya.

Half a King Yale University Press

On April 17, 1975, the Khmer Rouge entered Phnom Penh to open a new and appalling chapter in the story of the twentieth century. On that day, Pin Yathay was a qualified engineer in the Ministry of Public Works. Successful and highly educated, he had been critical of the corrupt Lon Nol regime and hoped that the Khmer Rouge would be the patriotic saviors of Cambodia. In *Stay Alive, My Son*, Pin Yathay provides an unforgettable testament of the horror that ensued and a gripping account of personal courage, sacrifice and survival. Documenting the 27 months from the arrival of the Khmer Rouge in Phnom Penh to his escape into Thailand, Pin Yathay is a powerful and haunting memoir of Cambodia's killing fields. With seventeen members of his family, Pin Yathay were evacuated by the Khmer Rouge from Phnom Penh, taking with them whatever they might need for the three days before they would be allowed to return to their home. Instead, they were moved on from camp to camp, their possessions confiscated or abandoned. As days became weeks and weeks became months, they became the "New People," displaced urban dwellers compelled to live and work as peasants, their days were filled with forced manual labor and their survival dependent on ever more meager communal rations. The body count mounted, first as malnutrition bred rampant disease and then as the Khmer Rouge singled out the dissidents for sudden death in the darkness. Eventually, Pin Yathay's family was reduced to just himself, his wife, and their one remaining son, Nawath. Wracked with pain and disease, robbed of all they had owned, living on the very edge of dying, they faced a future of escalating horror. With Nawath too ill to travel, Pin Yathay and his

wife, Any, had to make the heart-breaking decision whether to leave him to the care of a Cambodian hospital in order to make a desperate break for freedom. "Stay alive, my son," he tells Nawath before embarking on a nightmarish escape to the Thai border. First published in 1987, the Cornell edition of *Stay Alive, My Son* includes an updated preface and epilogue by Pin Yathay and a new foreword by David Chandler, a world-renowned historian of Cambodia, who attests to the continuing value and urgency of Pin Yathay's message.

Stay Alive, My Son Cornell University Press

King Bhumibol Adulyadej of Thailand is the world's longest reigning monarch. Indeed, his 65-year reign is one of the longest in world history, an achievement few would have predicted when the Thai king acceded the throne after the mysterious death of his brother in 1946. How did King Bhumibol revive the sinking fortunes of the Thai monarchy? Why has he become arguably the most revered king in Thai history? This illustrated biography tells that remarkable story. Beginning with an introduction explaining the unique history and traditions of the Thai monarchy, *King Bhumibol Adulyadej: A Life's Work* offers a fresh and insightful account of his life, from his birth in America and education in Europe to his unexpected accession to the throne. Following him through the Cold War and Indochina War periods, the book shows how the king has used his position to help develop the country and its people while at the same time securing the status of the monarchy itself. *King Bhumibol Adulyadej: A Life's Work* also includes insightful chapters on the often-misunderstood institutions that support the crown the Crown Property Bureau and Privy Council as well as essays on the controversial lese-majeste law and the issue of succession."

The Last King of America Penguin

Nothing is fair in war. Jonathan King is every bit his last name. Powerful. Untouchable. Corrupted. He's also my dead sister's husband and way older than me. When I first met him as a clueless child, I thought he was a god. Now, I have to confront that god to protect my business from his ruthless grip. Little did I know that declaring a war on the king will cost me everything. When Jonathan covets something, he doesn't only win, he

conquers. Now, he has his sights on me. He wants to consume not only my body, but also my heart and my soul. I fight, but there's no escaping the king in his kingdom... Reign of a King is the first part of a duet and is not standalone.

Charlie the Choo-Choo Bloomsbury Publishing

'Perhaps the best introduction yet to the roots of Thailand's present political impasse. A brilliant book.' Simon Long, *The Economist* Struggling to emerge from a despotic past, and convulsed by an intractable conflict that will determine its future, Thailand stands at a defining moment in its history. Scores have been killed on the streets of Bangkok. Freedom of speech is routinely denied. Democracy appears increasingly distant. And many Thais fear that the death of King Bhumibol Adulyadej is expected to unleash even greater instability. Yet in spite of the impact of the crisis, and the extraordinary importance of the royal succession, they have never been comprehensively analysed – until now. Breaking Thailand's draconian lese majeste law, Andrew MacGregor Marshall is one of the only journalists covering contemporary Thailand to tell the whole story. Marshall provides a comprehensive explanation that for the first time makes sense of the crisis, revealing the unacknowledged succession conflict that has become entangled with the struggle for democracy in Thailand.

Each Kindness Thomas & Mercer

1601. Queen Elizabeth I is dying. With no heir for the kingdom, potential successors secretly maneuver to be in position when the inevitable occurs. The leading candidate is King James VI of Scotland, but there is a problem. The queen's spymasters fear that James' claim to be a Protestant are untrue. If he secretly shares his family's Catholicism, then forty years of religious war will have been for nothing, and a bloodbath will ensue. It falls to Geoffrey Belloc to devise a test to discover the true nature of King James's soul. Belloc enlists Mahmoud Ezzedine, a Muslim physician from the Ottoman Empire, as his undercover agent. -- adapted from jacket

The Man Who Laughs Penguin

The enchanting and bloodthirsty sequel to the New York Times bestselling novel *The Cruel Prince*. You must be strong enough to strike and strike and strike again without tiring. The first lesson is to make yourself strong. After the jaw-dropping revelation that Oak is the heir to Faerie, Jude must keep her brother safe. To do

so, she has bound the wicked king, Cardan, to her, and made herself the power behind the throne. Navigating the constantly shifting political alliances of Faerie would be difficult enough if Cardan were easy to control. But he does everything in his power to humiliate and undermine her even as his fascination with her remains undiminished. When it becomes all too clear that someone close to Jude means to betray her, threatening her own life and the lives of everyone she loves, Jude must uncover the traitor and fight her own complicated feelings for Cardan to maintain control as a mortal in a Faerie world.

Coup, King, Crisis Springer Nature

The author humorously recounts her life growing up in the South, and comments on southern men, women, and traditions

Never Smile at Strangers Less Than Three Press, LLC

From legendary master storyteller Stephen King, a riveting story about "an ordinary man in an extraordinary condition rising above hatred" (*The Washington Post*) and bringing the fictional town of Castle Rock, Maine together—a "joyful, uplifting" (*Entertainment Weekly*) tale about finding common ground despite deep-rooted differences, "the sign of a master elevating his own legendary game yet again" (*USA TODAY*). Although Scott Carey doesn't look any different, he's been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn't want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King's most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott's lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott's affliction bring out the best in people who have indulged the worst in themselves and others. "Written in masterly Stephen King's signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences" (*Booklist*, starred review). Elevation is an antidote to our divisive culture, an "elegant whisper of a story" (*Kirkus Reviews*, starred review),

“perfect for any fan of small towns, magic, and the joys and challenges of doing the right thing” (Publishers Weekly, starred review).

King of Bangkok Routledge

div The United States finds itself at the center of a historically unparalleled empire, one that is wealth-generating and voluntary rather than imperialistic, say the authors of this compelling book. William E. Odom and Robert Dujarric examine America’s unprecedented power within the international arenas of politics, economics, demographics, education, science, and culture. They argue persuasively that the major threat to this unique empire is ineffective U.S. leadership, not a rising rival power center. America cannot simply behave as an ordinary sovereign state, Odom and Dujarric contend. They describe the responsibilities that accompany staggering power advantages and explain that resorting to unilateralism makes sense only when it becomes necessary to overcome paralysis in multilateral organizations. The authors also offer insights into the importance of liberal international institutions as a source of power, why international cooperation pays, and why spreading democracy often inhibits the spread of constitutional order. If the United States uses its own power constructively, the authors conclude, the American empire will flourish for a long time. /DIV

Kingdom of the Wicked Little, Brown Books for Young Readers
Chronicles the experiences of Ditie, who rises from busboy to hotel owner in World War II Prague, and whose life is shaped by the fate of his country before, during, and after the conflict.

What Changed When Everything Changed The Floating Press
This book examines two aspects of the abbreviated reign of King Ananda Mahidol (1935-1946), or King Rama VIII, of the current Chakri dynasty of Thailand. First, it discusses the royal family’s plot to thwart a romantic relationship between the young king, Ananda, and his Swiss girlfriend, Marileine Ferrari, a daughter of a famous pastor of Lausanne, Switzerland. Interracial marriage, particularly with Westerners, has been strictly forbidden for Thai kings or heirs apparent. The restriction stems from the interwoven connection between sexual relationship and the security of the throne. The second part investigates the mysterious death of King Ananda, a long-held taboo topic in Thailand. Although the two events were not specially related, both in their own way served to unavoidably shake the position of the

monarchy and hence threaten its existence. The palace’s reactions to these events demonstrated its continuous search to maintain its power and ultimately to warrant its survival.

The Wicked King Little, Brown Books for Young Readers

The English translation of this best-selling graphic novel tells the story of Nok, an old blind man who sells lottery tickets in Bangkok, as he decides to leave the city and return to his native village. Through reflections on contemporary Bangkok and flashbacks to his past, Nok reconstructs a journey through the slums of migrant workers, the rice fields of Isaan, the tourist villages of Ko Pha Ngan, and the Red Shirt protests of 2010. Based on a decade of anthropological research, *The King of Bangkok* is a story of migration to the city, distant families in the countryside, economic development eroding the land, and violent political protest. Ultimately, it is a story about contemporary Thailand and how the waves of history lift, engulf, and crash against ordinary people.

The King Yale University Press

Written by renowned royal biographer, Robert Hardman, and with privileged access to the Royal Family and the Royal Household, this is a brilliant new portrait of the most famous woman in the world and her place in it. On today’s world stage, there is one leader who stands apart from the rest. Queen Elizabeth II has seen more of the planet and its people than any other head of state and has engaged with the world like no other monarch in modern history. The iconic monarch never ventured further than the Isle of Wight until the age of 20 but since then has now visited over 130 countries across the globe in the line of duty, acting as diplomat, hostess and dignitary as the world stage as changed beyond recognition. It is a story full of drama, intrigue, exotic and sometimes dangerous destinations, heroes, rogues, pomp and glamour, but at the heart of it all a woman who’s won the hearts of the world.

Anna and the King of Siam Orbit

Thailand’s Bhumibol Adulyadej, the only king ever born in the United States, came to the throne of his country in 1946 and is now the world’s longest-serving monarch. This book tells the unexpected story of his life and 60-year rule: how a Western-raised boy came to be seen by his people as a living Buddha; and how a king widely seen as beneficent and apolitical could in fact be so deeply political, autocratic, and even brutal. Paul Handley

provides an extensively researched, factual account of the king’s youth and personal development, ascent to the throne, skilful political maneuverings, and attempt to shape Thailand as a Buddhist kingdom. Blasting apart the widely accepted image of the king as egalitarian and virtuous, Handley convincingly portrays an anti-democratic monarch who, together with allies in big business and the corrupt Thai military, has protected a centuries-old, barely-modified feudal dynasty. When at nineteen Bhumibol assumed the throne after the still-unsolved shooting of his brother, the Thai monarchy had been stripped of power and prestige. Over the ensuing decades, Bhumibol became the paramount political actor in the kingdom, crushing critics while attaining high status among his people. The book details this process and depicts Thailand’s unique constitutional monarch in the full light of the facts.

A 2021 Coretta Scott King Honor Book! Winner of the 2020 National Book Award for Young People’s Literature! Winner of the 2020 Boston Globe-Horn Book Award for Fiction and Poetry! In a small but turbulent Louisiana town, one boy’s grief takes him beyond the bayous of his backyard, to learn that there is no right way to be yourself. FOUR STARRED REVIEWS! Booklist School Library Journal Publishers Weekly The Horn Book Twelve-year-old Kingston James is sure his brother Khalid has turned into a dragonfly. When Khalid unexpectedly passed away, he shed what was his first skin for another to live down by the bayou in their small Louisiana town. Khalid still visits in dreams, and King must keep these secrets to himself as he watches grief transform his family. It would be easier if King could talk with his best friend, Sandy Sanders. But just days before he died, Khalid told King to end their friendship, after overhearing a secret about Sandy—that he thinks he might be gay. “You don’t want anyone to think you’re gay too, do you?” But when Sandy goes missing, sparking a town-wide search, and King finds his former best friend hiding in a tent in his backyard, he agrees to help Sandy escape from his abusive father, and the two begin an adventure as they build their own private paradise down by the bayou and among the dragonflies. As King’s friendship with Sandy is reignited, he’s forced to confront questions about himself and the reality of his brother’s death. *The Thing About Jellyfish* meets *The Stars Beneath Our Feet* in this story about loss, grief, and finding the courage to

discover one's identity, from the author of Hurricane Child.

King and the Dragonflies (Scholastic Gold) Yale University Press

Provides a detailed analysis of Thailand's political development since 1932, when Thailand became a constitutional monarchy,

until the present. It examines the large number of different versions of the constitution which Thailand has had since 1932, and explains why the constitution has been subject to such frequent change, and why there have been so many outbursts of violent, political unrest. It explores the role of the military, and, most importantly, discusses the role of the monarchy, which, as

the author shows, has been crucial in holding Thailand together through the various changes of regime. The author brings to light original and largely unseen documents from the Public Records Office and US National Archives, as well as drawing upon her extensive knowledge of politics in Thailand.
