Johnny Cash Anthology (Songbook) Cornell University Press

Steiner is regarded as one of the most influential reformers of the twentieth century. He created extraordinary furniture designs and initiated a building style that seems to prefigure contemporary architecture. At the same time, he advocated a holistic view of humanity which shows its influence in many areas of our lives today, and he inspired artists such as Piet Mondrian, Wassily

Kandinsky and Joseph Beuys. This book is the first presentation of Steiner's work in its full breadth. Numerous scholarly essays discuss the origins, context and influence of Steiner's work, complemented by over 500 illustrations, including both new and historical photographs, architectural plans, notebook sketches and artworks. This material is supplemented by comparisons with current design trends, from works by Olafur Eliasson and design objects by Konstantin Grcic to the architecture of Herzog & de Meuron. With texts by Philip Ursprung, Paul Virilio, Mateo Kries, Walter Kugler, Markus Bruderlin, Wolfgang Pehnt, Julia Althaus, Wolfgang Zumdick and others.

The beginning of the end/after the end Hal Leonard Corporation (Instrumental Jazz). This book, written by Benny Goodman himself, has been out of print for many years. It teaches the beginning student clarinet tone, style, technique and musicianship. It covers such basics as assembling and tuning the clarinet, proper position, scales, expression and many exercises. Features 11 tunes and includes a biography of his career up to 1940.

La zingara Alfred Music

Originally composed for three wind instruments, these popular piano transcriptions were first published in the early 1800s. Easier than Mozart's piano sonatas, they remain favorite teaching pieces and are beautiful examples of the composer's mature classical style. Unlike other editions, this carefully edited volume restores Mozart's articulation markings and the original pairing of several menuet and trio movements that were previously mismatched. A discussion of Mozart's ornamentation and articulation is also included.

**Baroque Music for Clarinet** Hal Leonard Corporation

The clarinetist Rebecca Rischin has written a captivating book.... Her research dispels several long-cherished myths about the 1941 premiere.... Rischin lovingly brings to life the other musicians-- tienne Pasquier, cellist; Henri Akoka, clarinetist; and Jean Le Boulaire, violinist--who played with Messiaen, the pianist at the premiere."--Alex Ross, *The New Yorker* "This book offers a wealth of new information about the circumstances under which the Quartet was created. Based on original interviews with the performers, witnesses to the premiere, and documents from the prison camp, this first comprehensive history of the Quartet's composition and premiere held my interest from beginning to end.... For the End of Time touches on many things: faith, friendship, creativity, grace in a time of despair, and the uncommon human alliances that wartime engenders."--Arnold Steinhardt, *Chamber Music* "The clarification of the order of composition of the movements is just one of the minor but cumulatively significant ways in which Rischin modifies the widely accepted account of the events at Stalag VIII A.... For the End of Time is a thorough and readable piece of investigative journalism that clarifies some important points about the Quartet's genesis."--Michael Downes, *Times Literary Supplement* The premiere of Olivier Messiaen's Quartet for the End of Time on January 15, 1941, has been called one of the great stories of twentieth-century music. Composed while Messiaen (1908-1992) was imprisoned by the Nazis in Stalag VIII A, the work was performed under the most trying of circumstances: the temperature, inferior instruments, and the general conditions of life in a POW camp. Based on testimonies by the musicians and their families, witnesses to the premiere, former prisoners, and on documents from Stalag VIII A, *For the End of Time* examines the events that led to the Quartet's composition, the composer's interpretive preferences, and the musicians' problems in execution and how they affected the premiere and subsequent performances.

Rebecca Rischin explores the musicians' life in the prison camp, their relationships with each other and with the German camp officials, and their intriguing fortunes before and after the momentous premiere. This paperback edition features supplementary texts and information previously unavailable to the author about the Quartet's premiere, Vichy and the composer, the Paris premiere, a recording featuring Messiaen as performer, and an updated bibliography and discography.

**6 Sonatinas** Faber & Faber

These early keyboard works by Haydn were originally called *Divertimentos* or *Sonatas*, but because of their form and brevity were later renamed. Containing two to four movements each, they include much that is the essence of the Haydn style. The "Sonatina in G Major," Hob. XVI/8 is perhaps the best known of the set, yet all are worthy of study as preparation for Mozart and Haydn sonatas.
