EZRA BRYNN

Get Knitting! Macmillan

Lace gets a whole new look! Lace has traditionally been knit in finer weight yarns to create airy, delicate designs. But when knit in bulky yarns, lace becomes bold, graphic, and dramatic. Working with thicker yarns also makes the projects move along more quickly and the lace repeats shorter, so it's easy to learn new stitches and techniques. For those new to bulky yarns, Barbara Benson shows you how these yarns work best in lace designs and provides tips and tricks for reading and executing lace patterns. Then you are ready to knit any of the 20 patterns for

beautiful lacy shawls, mitts, hats, cowls, blankets, and more. Gorgeous photography by Gale Zucker shows the pieces to their full, stunning effect. Get those big needles and chunky yarn ready to roll!

Knitting Board Basics Stewart, Tabori and Chang

Love the look of lace but think it's too complicated for the average knitter? Think again! With this book, Anniken Allis throws wide the door to lace for all knitters. Utilizing simple, easy-to-learn lace patterns that fool the eye into thinking they are far more complex than they actually are, the patterns in this book are accessible to any knitter. Go ahead, give lace knitting a try! 20 gorgeous lace patterns any knitter can do Lace knitting

tips and techniques Instructions on how to work all of the basic lace stitches Beautiful shawls, tops, scarves, mittens, and more How to read and use lace charts

A beginner's guide to knitting on a loom.

[Last-Minute Knitted Gifts](#) Potter Craft

There's a new generation of knitters out there, turning the traditional image of

granny-knitters on its head. Everyone has heard the mantra 'knitting is the new yoga' but not everyone is lucky enough to have someone to show them the ropes and get them started on their very first row. Unless they have a friend or relative to teach them how to start, often would-be knitters turn to the so-called 'beginners patterns' but these can be confusing, difficult to follow, and more often than not written in 'knit' rather than English. Knitty Gritty is a tried-and-tested guide for people at the very beginning of their knitting lives, looking for guidance and patterns for projects that they can use to make that first all-important step 'Beyond the Scarf'.

Huck Lace Kalmbach Publishing, Co. Presents one hundred lace knitting projects, providing instructions for making such items as hats, scarves, shawls, stoles, socks, gloves, and cuffs. Sock Yarn One-Skein Wonders® Sterling Publishing Company, Inc. Illustrated with beautiful color photography, this pattern book offers fun and imaginative scarf designs for knitters of all levels. Scarves are often the first garments beginning knitters try. Then,

when they feel ready for a greater creative thrill, they move on to other types of garments. In *Knitting New Scarves*, Lynne Barr beckons all levels of knitters back to their humble beginnings and then wows them with 27 spectacularly modern designs, each created using an innovative new technique or a unique take on a traditional one. This novel approach, which dares knitters to rethink what is possible by simply manipulating knits and purls, leads to a collection of flattering, functional, and fun-to-make accessories. Imagine a scarf that looks like a strand of black pearls or unfolds like an accordion, one that playfully draws inspiration from the famed Chanel jacket or a twisting futuristic high-rise. Every scarf is shown in its finished form in beautiful still-lives by photographer Tyllie Barbosa, and, when unusual techniques are called for, up-close step-by-step photos are provided as well. This means every scarf in this masterful collection is both captivating and accessible for all levels of knitters. Men's wear. [semi-monthly] Simon and Schuster

Everything you need to get started

knitting--and progress to more challenging projects--can be found in this book.

Lace One-Skein Wonders Open Road Media

Newcomers to knitting finally have the book they require: an honest-to-goodness beginner's guide that provides basic visual instruction geared to a real novice's needs. *Get Knitting!* was written with the beginner in mind, and it addresses anyone who has never picked up a needle or held a skein of yarn. The introduction presents the basic tools, techniques, and materials. Lessons in the fundamentals include how to hold the needle and wool, cast the first row of stitches, and knit and purl. Through beautifully photographed projects of increasing complexity, more sophisticated techniques--including advanced stitches, reading patterns, and taking accurate measurements--gradually unfold. Soon anyone will have the skills to create a simple scarf, baby blanket, pillow cover, cardigans, and a handsome pullover complete with vee, crew, and turtleneck variations.
