### **Naaman Is Healed** Thomas Nelson

This book offers a probing, insightful look at the "outsider" motif running through the Bible. The biblical story about God's covenant with "insiders" -- with Israel as the chosen people -- is scandalous in today's cultural climate of inclusivity. But, as Frank Anthony Spina shows, God's exclusive election actually has an inclusive purpose. Looking carefully at the biblical narrative, Spina highlights in bold relief seven remarkable stories that treat nonelect people positively and, even more, as strategically important participants in God's plan of salvation. The stories of Esau, Tamar, Rahab, Naaman, Jonah, Ruth, and the woman at the well come alive in new ways as Spina discusses and examines them from an outsider-insider point of view.

*The Faith of the Outsider* Rourke Publishing (FL)

Much of the history of women, in religion as in other fields, is lost because it was overlooked or considered unimportant. It is

therefore surprising that so many fragments of women's stories survive in the New Testament texts composed by men. Why did they include so many references to women and why are women, as a group, treated so positively by the male New Testament writers? Women in the New Testament shows how the stories of women are an integral part of the Gospel and its meaning for us. It also relays how we can respond to the challenge these women represent, whether we are men trying to understand or women trying to find our voices within the tradition of faith found in the New Testament. Chapter one discusses three women of expectant faith. Chapters two and three deal with women who are changed by Jesus. Chapter four focuses on New Testament women of influence. Chapters five and six show how women disciples spread and gave shape to the gospel message. Chapters are "Women of Expectant Faith," "Women Changed by Jesus," "More Women Changed by Jesus," "Women of Prominence," "Women and Discipleship," and "More Women and Discipleship." Mary Ann Getty-Sullivan, PhD, teaches at St. Vincent College and St. Vincent Seminary, Latrobe, Pennsylvania.

She is the author of First and Second Corinthians from the Colledgeville Bible Commentary series, author of the God Speaks to Us series of children's books, and editor of the Zacchaeus Studies: New Testament series published by The Liturgical Press.

In no character of the Bible, perhaps, is the life of Jesus, the SON of God, so perfectly mirrored as in Elisha, the MAN of God. His gentleness of spirit and holiness of life; the patience and faithfulness which must have characterized his teaching; and, above all, the marvelous and beneficent character of his miraculous deeds; were a prophecy in actual life of him who spake as never man spake, "who went about doing good"; and

whose miracles proclaimed him to be "the Son of God with power." The desire to direct the attention of students of the word of God with deeper interest to the beautiful and Christ-like character of the son of Shaphat, and thus incite to greater holiness of life, a more perfect consecration to the service of God, has led to the preparation of these chapters... R. Clarence Dodds  
From the Preface

#### **The prophet's mantle, scenes from the life of Elisha** Good Press

Man's freedom--God's omnipotence: how can they be reconciled? That question is central to this penetrating study of political action and the prophetic function. Ellul's answer to that question, though based on events recorded in the Second Book of Kings, is immediately relevant to contemporary issues and to the church today. Emerging from these reflections is an eloquent testimony to the immense love of God--"which not only creates and saves, but which also in its incomprehensible humility wants to associate man with its work."

#### *Gospel in Life Discussion Guide* Zondervan

This book retells the story of Naaman, the Aramean general whose leprosy was cleansed by Elisha (2 Kings 5:1-19). The Arch? Book series tells popular Bible stories through fun-to-read rhymes and bright illustrations. This well-loved series captures the attention of children, telling scripturally sound stories that are enjoyable and easy to remember.

The Concise A to Z Guide to Finding It in the Bible Wm. B.

Eerdmans Publishing

"II Kings" (Volume 11 in the acclaimed Anchor Bible) is the chronicle of the raging conflicts that tore the United Kingdom of Israel apart, creating the rival nations of Israel to the north and Judah to the south. It tells of the time of the great prophecies of Elijah and Elisha, and of the legendary conquerors of not only the Jews, but the whole of the Middle East--Sennacherib, Hazeal, Tiglath-pileser III, Nebuchadnezzar, and Shalmaneser. The book of "II Kings" was written with a dual purpose. It provided a chronological history of the divided kingdoms of Israel, from the time of division, through the destruction of the city of Jerusalem, and the final exile of the Jews into Babylonia. It also served as a reminder to all Israelite monarchs that their loyalty to the God of Israel, as worshipped in Jerusalem, determined the course of history. In his telling of the story, the book's author emphasized to his contemporaries and future generations that in order to avert the calamities that befell the Chosen People (their conquest by nonbelievers, the destruction of Jerusalem, and their ignominious exile), they would have to avoid a repetition of the

misdeeds of the past. If they remained loyal to their God, their God would remain loyal to them. Complete with maps, charts, photographs, and extra-biblical documentation, "II Kings" presents an important and illuminating new translation which explores a tumultuous epoch of change that forever affected theological and world history

The Politics of God and the Politics of Man Wipf and Stock Publishers

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman

There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities.

*Easton's Bible Dictionary* David C Cook

The Olet Story of Naaman is based on Second Kings, Chapter Five of the Bible. Naaman was a captain of the Aramean army who had a skin disease. He goes to the prophet Elisha of Israel who cures him of his disease by having him wash in the Jordan river seven times. The prophet refuses to accept any payment for providing the cure because it was done in the service of God. But Elisha's greedy servant, Gehazi, runs after Naaman and demands payment instead. Elisha sees what Gehazi does and punishes him by inflicting the skin disease upon him and his family forever. The Olet Story of Naaman is one in a series of the Olet Bible Stories that are being brought to life through the unique artistry of Lea Frazier.

*One, Two, Three, Four* Thomas Nelson

*Easton's Bible Dictionary* is a classic book of definitions which serves to explain and clarify the meaning of the names, places, and words found in the Bible. Many Christians and scholars who read the Bible often remain unawares of the meanings or significance of the Holy Book's vocabulary. Such words are often derived from Ancient Hebrew or other old scripts, which makes it even more difficult for readers who only speak English to understand. Location names, in the context of ancient geography, are likewise hard to scrutinize - yet *Easton's Dictionary* not only explains what these places are, but their size and overall impact across the entire Bible. First published in 1893, this dictionary

uses the authoritative King James Bible as its source. As well as containing definitions and accounts of the many terms found throughout the Old and New Testaments, *Easton's Bible Dictionary* points out the significance of certain things and exactly where mentions of such phenomena appear in the Bible. The presence and significance of iron, for example, is noted in the Books of Genesis, Chronicles, Ezekiel, Deuteronomy, Isaiah, Job, Joshua, Kings and in the Psalms. Individuals in the Bible are also given biographical definitions. Through *Easton's* referencing of the names, we can discover the exact Bible passages where such figures are mentioned. Likewise we hear of terms relevant to the life of the ancient peoples; the term 'Levy' for instance is shown to equate to a form of involuntary recruitment which kings ordered. Words in frequent use today, such as 'Schism', are also shown to originate from the Bible. Other words we use today - such as 'Teeth', are shown to have been informal terms: 'cleanness of teeth' in Amos 4:6 denotes an outbreak of famine, for example. Many of the parables and tales of the Bible are retold in abbreviated form in *Easton's Bible Dictionary*. These retold anecdotes reference other relevant passages, further evidencing how the various portions of the Bible are interconnected and related to one another. Such a style also gives this unconventional dictionary a flowing quality, making it easier for the reader to enjoy large tracts of this text without pause. The ancient world of the Biblical canon is given life and color by *Easton's* descriptions. Primarily however, *Easton's* masterwork is designed for reference. Yet it not only defines the individual entries, but places these entries in their proper context throughout both the Old and New Testaments. Owing to this

wealth of information, the reader may perceive that Easton's Dictionary is not merely a book of definitions, but an authoritative and significant work of classic Christian literature.

**The History of the Prophet Elisha** CFCINDIA Bangalore

"Intricately Connected contains academic papers presented by Kim at various international conferences in the fields of biblical studies, literary criticism, and intertextuality. The articles examine the question of how various literatures connect to consciousness and culture at personal and collective levels. The

focus is on the functionality of literature across time and space and addresses such questions as: How do later books of the Bible, such as Jeremiah, utilize consciousness and ideas from earlier times, such as those found in the book Deuteronomy? How does Toni Morrison link African-American experience of today with experience of slavery hundreds of years ago? How does the film Da Vinci Code (2006) assess and manipulate the received tradition of the Lord's Supper?"--BOOK JACKET.
