Pratiyogita Darpan Upkar Prakashan

Ancient Indian history has always been mystical; more so a virtual utopia for historians and researchers. This scholarly text narrates the ancient Indian history from the genesis of

civilisations to the early middle ages. It examines the sources, chronology of civilisations and authoritatively details the facts, feats, triumphs and religious crusades of the period. It unveils the rich cultural, religious and social diversity that is uniquely and peculiarly Indian. The book is of immense use to students and scholars of history and for candidates preparing for civil services examinations.

Ramesh Publishing House  
This sixth edition of the book is thoroughly revised and enlarged according to the latest syllabi and trend of the various competitive exams and also taking into consideration the feedback from the readers. Chapters on Trigonometry and Geometry have been included in this edition. New and better short-cut methods, based on logics, to solve the questions have been explained in this edition. Important questions from various competitive exams have been included. This book will also be useful for many competitive exams having objective quantitative aptitude as one of the paper.
