Focuses on careful preparation as the key to academic success Brimming with practical ideas and useful resources, this book aims to prepare nurses at all levels to advance and attain their educational goals. Each chapter details how to prepare and stay motivated for the journey ahead, including how to stop contemplating the decision and move forward. The book addresses common barriers and fears about a return to school, such as how to handle multiple responsibilities, refresh writing skills, finance a college education, and deal with the fear of technology or being too old. Through real life examples from nurses who have faced the challenges of re-entering college, *Advancing Your Nursing Degree: The Experienced Nurse’s Guide to Returning to School*, details the process of selecting a program, completing an application, and orienting to college life. In a friendly and personal voice, this book describes the current academic environment and the expectations facing students today. Included are checklists on what to look for when deciding on a school and program, how to identify gaps in computer skills,

and what resources may help promote ultimate success. Each chapter builds on the previous one and contains resources and examples on preparing mentally for the rigors of school, getting family and other support systems onboard, balancing job responsibilities and schedules, sharpening academic and computer skills, setting up a study area that is conducive to success, and celebrating achievements along the way. The book also details ideas on how to finance a college education, including particular resources available to nurses. While written for nurses at all educational levels, each chapter includes specific information for graduate nurses. Key Features: Written by a nurse for nurses at all levels of education and experience Focuses on thoughtful preparation, an often overlooked strategy for success when re-entering the academic environment Addresses the fears frequently expressed by nurses when returning to school Provides practical ideas and real life examples from nursing students and faculty Includes a checklist of items to consider when exploring program choices Presents strategies and resources to fund nursing education

[How to Pass Nursing School](#) McGraw Hill Professional Peterson's Nursing Programs 2015 features profiles of more than 3,600 undergraduate, graduate, and postdoctoral programs at hundreds of institutions in the United States and Canada. [Resumes for Health and Medical Careers](#) Contemporary Books

Nursing Resume: A Job Guide for nurses is a complete book package to help nurses find a job. This book is short and to the point, and the entire package includes 10 premium resume templates (see inside book for a preview), 10 premium cover letter templates (they match the resume templates), a few basic traditional resume templates, and a sample resignation (or two weeks' notice) template. All templates are in .docx format and are best edited in the Microsoft Word software. If you do not have Microsoft Word, you can usually download a free trial. Google Docs may also work; however, formatting errors may occur if you use other programs other than Microsoft Word. These templates

must be downloaded online using information at the end of this book. Why Do You Need a Custom Resume Template? Your resume is the very first step in getting a job. When you begin searching for a job, you'll ultimately be uploading or submitting resumes to various employers. If you turn in a poorly constructed resume—it could get tossed in the trash. You want a resume that will stand out and grab the hiring manager's attention. That's why I contracted a graphic designer to create 10 professionally designed resumes—all with nursing/healthcare themes. These resumes include all of the major sections. All you have to do is fill in your own information. They are completely customizable, and you can edit the text, add sections, or change them any way you want. You also get the 10 beautifully designed cover letters that match the resumes. You also receive a resignation template—for occasions when you need to leave your current job for a better opportunity. One resume template alone would be worth the price. However, you're going to receive all 10 professionally designed resume covers, along with cover letters and this short job guide. About the Book This book was designed to give you the information you need to strategically find a job. You'll get information on compiling your resume, tips on how and where to submit your resume, tips when sitting for an interview, tips on leaving your old job, and tips on advancing your career. This is not just a book—this is a job tune-up. The guide is short and to the point, and focuses on the information you need to start finding a job immediately. The author, S.L. Page, shares her insights into getting a job. She combines her personal experiences along with the advice of nurse managers she's spoken with through the years. What This Book Package Includes:

-10 beautifully designed resume templates -10 matching cover letter templates -A resignation/two weeks' notice template -The paperback book (to help you find a job). Template Requirements Templates are in .docx format. It is best to use Microsoft Word to edit them. Google Docs, a free alternative, may work okay—but some minor formatting errors may occur. For absolute best results, we recommend using Microsoft Word to edit the templates. Template Licensing Terms The templates may be used an unlimited number of times for your own personal use. You may not resell, redistribute, or give away for free any of the templates included with this package.

#### **Transcultural Nursing Education Strategies**

NTC/Contemporary Publishing Company

"How to Pass Nursing School" is a comprehensive book that covers all of the important aspects of nursing school. Unlike other books on this topic, this book will tell you all about nursing school--from A to Z! Nursing students often enter nursing school not knowing what to expect, and sometimes find themselves struggling to pass. Some students even become discouraged to the point of questioning whether or not they should quit or pursue a different degree. This guide was written to give students tips to pass, and to tell them exactly what to expect when

attending nursing school. The author, S.L. Page, BSN, RN, currently works as a cardiac nurse, and graduated from nursing school with honors. She passed the NCLEX test on her first try, and later went on to start a popular website, where she's helped thousands of people learn more about nursing. In this book, Sarah guides the reader through what to expect in nursing school from beginning to end, covering all of the things students can expect to face, and sharing all the tips, tricks, and resources she used along the way. Whether you're a current nursing student looking for ways to boost your performance, a high school student interested in preparing for nursing school, an adult looking to return for a nursing degree, or a recent graduate looking for tips to transition into your first job--this book can equip you with the tools and resources to help you succeed. Aside from this nursing school guide, you'll also receive a bundle of professionally designed resume and cover letter templates for submitting resumes after graduation, a printable weekly planner template to help you stay organized, and a printable flashcard template for making flashcards. All templates are in .doc or .docx format, and must be downloaded separately following instructions in the book itself. All of these resources are included with your purchase of "How to Pass Nursing School." These resources alone are worth the purchase price, but you'll get them free as a special gift when you purchase this book. It doesn't matter whether you know nothing about nursing school, or whether you're already in nursing school--this book has something for everyone. To see all of the topics covered in this book, use the "Look Inside" feature on Amazon. Here's just a sample of some of the topics covered: How to prepare for nursing

school Tips for international students and returning adults Different types of nurses and degrees (LPN, RN, etc.) Sample curriculum and classes Paying for nursing school (scholarships, financial aid, etc.) Saving money on textbooks Information on care plans, clinicals, and nursing skills Nursing entrance, mid-curricular, and exit exams Studying and test-taking strategies NCLEX Nursing career information Common nursing specialties Preparing for interviews Preparing resumes and cover letters (you'll receive cover letter and resume templates) Tips to get a job and advance in your career and more Who will benefit most from this book? "How to Pass Nursing School" will best benefit the following readers: Adults or international student interested in returning to nursing school, or becoming a nurse in the U.S.(this guide will tell you what to expect) High school students planning to enter nursing school (you'll learn what to expect and how to prepare) For current nursing students, this guide will offer study tips, NCLEX tips, how to save money on books, scholarship resources, and more. If you're about to graduate nursing school (or a recent graduate)--you'll benefit from the professionally designed resume templates and cover letters, and advice on finding jobs and performing well in interviews.
