The book describes various facets of spirituality leading to the understanding of oneness,

self-illuminating God, the eternal divine mother nature (shakti), and realization of self, which is none else than a manifestation of God in various forms. It further enunciates that phenomenal world and the entire habitat, living/nonliving, is a manifestation of the same one source, that is, everlasting eternal existence, Brahman, the ultimate reality, the truth. It is a reference book for those who are keen to get an answer for the question "Who am I?" and

also for those who have the desire to know what spirituality naturally means. It provides understanding of the self, and once we come to know the self, nothing else remains to be known. It gives a lucid account of the self-directive of the inner self to know the truth. It provides novel and creative approach to tell the readers about the power of right understanding of the truth. It tells us that we can experience God in ourselves. It reveals various issues that can

take humankind to his original state of bliss. It is hoped that the book will enhance the spiritual knowledge of the readers and will reveal several aspects of practicing spirituality in daily life. His holiness Sadguru Sri Sri Arjun, a saint from

Odisha presented 'Divya Darshan' or the Philosophy Divine to the world in the year 1976. Born to a tribal family in the year 1933 in the hilly region of Rayagada District in Odisha and just a literate up to standard VIII, he got his enlightenment in the year 1967 and thereafter gave a very lucid and original elucidation of Truth, Consciousness, Creator and the Creation etc. He was working for Hindustan Aeronautics Limited at Sunabeda till he shed his mortal body in 1989.

Divya Darshan is neither any community nor any creed, neither any bloc nor any sect. The ultimate goal of man is to become divine and realise divinity. Divya Darshan is therefore a way of life, a way to true and divine life. It belongs to none and at the same time belongs to everybody. He, who knows it, owns it. According to Divya Darshan, "Ignorance is the cause of sufferings. Ignorance breeds sins and sins cause sufferings. If you want to live, be dutiful. If you want peace

and happiness, possess divine virtues. If you desire liberation, acquire self-knowledge. Love others if you yearn for good will; be truthful and humble if you want blessings; hold unto love if you want bliss; try to know your true self if you want liberation from all sufferings. God resides as all-pervasive, eternal and infinite Pure-consciousness. Possess divine qualities and realise Him to enjoy bliss. This is no life at all. To know Him who has infused life into this life is

true life which is the goal of every one. To know the Law of Eternity is knowledge and observing the same is Dharma. Whatever faith or religion you may belong to, liberation is unattainable without self-knowledge. Man being absolutely divine, he should pursue divine knowledge and acquire divine virtues.” Sadguru Sri Sri Arjun asserts that even a person leading a worldly life can perform spiritual practice to realise one’s true self.
Yoga e Mantra

This book is a compilation of the personal accounts of monastic and lay members who intimately knew Swami Brahmananda and had many occasions to closely observe his daily life and day-to-day dealings. These reminiscences record the charm of his unassuming personality,

the silent influence of his deep spirituality, his practical hints for living a spiritual life, and his keen sense of humour and insights into human mind. An unpublished letter and a couple of speeches of Swami Brahmananda and some remarkable articles on his life and precepts are included in this book. The impressive volume is interspersed with valuable illustrations. This book will be of immense help and inspiration to all spiritual seekers.

 SHAKTI MANTRAS Tapping into the Great Goddess Energy Within • Enhance your spiritual gifts • Lighten your karmic burden • Improve your health and increase prosperity • Live in harmony with the universe Now, with Shakti Mantras, we can all benefit from this ancient practice. Thomas Ashley-

Farrand, a Vedic priest, is an American expert in the intricacies of Sanskrit mantra. With nearly thirty years and thousands of hours of experience in chanting, he is supremely well-equipped to write the first book that teaches women (and men as well) to tap into the dynamic feminine energy of love in all its manifestations. By sharing enchanting Hindu myths and astonishing true stories from his own practice, Ashley-Farrand helps us to understand the real power that this age-old art awakens in

those who perform it. Through dozens of actual mantras—each one presented with phonetic spelling for easy pronunciation and recommendations for specific applications—he enables us to increase our “shakti” (power) and use it to solve problems, ensure abundance, create health and well-being, summon protection, and invoke personal and universal peace. Whether you’re new to chanting or an old hand, Shakti Mantras will take you places you’ve never been

before . . . and measurably enrich your life.

 Presents the mystery of the Divine Mother in all her manifold aspects •
 Explores more than 30 different goddess aspects of the Shakti force, both beneficial and malefic •
 Includes Sanskrit hymns and classic verses by Sri Auribindo for each of the goddesses Shakti is synonymous with the Devi, the Divine Mother or divine power that manifests, sustains, and

transforms the universe. She is the womb of all creatures, and it is through her that the One becomes the many. Our first and primary relationship to the world is through the mother, the source of love, security, and nourishment. Extending this relationship to worship of a cosmic being as mother was a natural step found not only in the Shakti cult of Hinduism but also in ancient Greek, Egyptian, and Babylonian cultures. Shakti presents more than 30 goddess incarnations

of the Divine Mother that represent both the beneficial and malefic aspects of the Shakti force. From Lakshmi, Parvati, and Saraswati to Durga, Chandika, and Kali--each of the different functions of the female goddesses in the Hindu pantheon is revealed, accompanied by traditional Sanskrit hymns, classic verses by Sri Auribindo, and discussions of tantric philosophy. The author draws from the Devi Bhagavatham, which describes all the stories of

Shakti, and the Devi Mahatmyam, the most powerful scriptural text that glorifies Shakti in her form as Durga. Using these texts she shows that through the power and grace of the Divine Mother we may be released from the darkness of ignorance and taken to the abode of knowledge, immortality, and bliss--the source from which we have come. *Abby Virtually* Srithi Publishers & Distributors Shri Mataji writes that "India is a very ancient country and it has been

blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one

should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”
