David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

Think Like a Monk Farrar, Straus and Giroux

Commentaries by top scholars alongside the most important documents and speeches concerning the Bretton Woods Conference of 1944 The two world wars brought an end to a long-standing system of international commerce based on the gold standard. After the First World War, the weaknesses in the gold standard contributed to hyperinflation, the Great Depression, the rise of fascism, and ultimately World War II. The Bretton Woods Conference of 1944 arose out of the Allies' desire to design a postwar international economic system that would provide a basis for prosperity, trade, and worldwide economic development. Alongside important documents and speeches concerning the adoption and evolution of the Bretton Woods system, this volume includes lively, readable, original essays on such topics as why the gold standard was doomed, how Bretton Woods encouraged the adoption of Keynesian economics, how the agreements influenced late-twentieth-century ideas of international development, and why the agreements ultimately had to give way to other arrangements.

The Story of Gold MacMillan

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

"No series since George R.R. Martin's A Song of Ice and Fire has quite captured both palace intrigue and the way that tribal infighting and war hurt the vulnerable the most." —Paste Magazine The final chapter in the bestselling, critically acclaimed Daevabad Trilogy, in which a con-woman and an idealistic djinn prince join forces to save a magical kingdom from a devastating civil war. Daevabad

has fallen. After a brutal conquest stripped the city of its magic, Nahid leader Banu Manizheh and her resurrected commander, Dara, must try to repair their fraying alliance and stabilize a fractious, warring people. But the bloodletting and loss of his beloved Nahri have unleashed the worst demons of Dara's dark past. To vanquish them, he must face some ugly truths about his history and put himself at the mercy of those he once considered enemies. Having narrowly escaped their murderous families and Daevabad's deadly politics, Nahri and Ali, now safe in Cairo, face difficult choices of their own. While Nahri finds peace in the old rhythms and familiar comforts of her human home, she is haunted by the knowledge that the loved ones she left behind and the people who considered her a savior are at the mercy of a new tyrant. Ali, too, cannot help but look back, and is determined to return to rescue his city and the family that remains. Seeking support in his mother's homeland, he discovers that his connection to the marid goes far deeper than expected and threatens not only his relationship with Nahri, but his very faith. As peace grows more elusive and old players return, Nahri, Ali, and Dara come to understand that in order to remake the world, they may need to fight those they once loved . . . and take a stand for those they once hurt.

WINNER OF THE 2021 INTERNATIONAL BOOKER PRIZE *A BARACK OBAMA SUMMER READING LIST SELECTION* Winner of the Los Angeles Times Book Prize for fiction "Astonishingly good." —Lily Meyer, NPR "So incantatory and visceral I don't think I'll ever forget it." —Ali Smith, The Guardian | Best Books of 2020 One of The Wall Street Journal's 11 best books of the fall | One of The A.V. Club's fifteen best books of 2020 | A Sunday Times best book of the year Selected by students across France to win the Prix Goncourt des Lycéens, David Diop's English-language, historical fiction debut *At Night All Blood is Black* is a "powerful, hypnotic, and dark novel" (Livres Hebdo) of terror and transformation in the trenches of the First World War. Alfa Ndiaye is a Senegalese man who, never before having left his village, finds himself fighting as a so-called "Chocolat" soldier with the French army during World War I. When his friend Mademba Diop, in the same regiment, is seriously injured in battle, Diop begs Alfa to kill him and spare him the pain of a long and agonizing death in No Man's Land. Unable to commit this mercy killing, madness creeps into Alfa's mind as he comes to see this refusal as a cruel moment of cowardice. Anxious to avenge the death of his friend and find forgiveness for himself, he begins a macabre ritual: every night he sneaks across enemy lines to find and murder a blue-eyed German soldier, and every night he returns to base, unharmed, with the German's severed hand. At first his comrades look at Alfa's deeds with admiration, but soon rumors begin to circulate that this super soldier isn't a hero, but a sorcerer, a soul-eater. Plans are hatched to get Alfa away from the front, and to separate him from his growing collection of hands, but how does one reason with a demon, and how far will Alfa go to make amends to his dead friend? Peppered with bullets and black magic, this remarkable novel fills in a forgotten chapter in the history of World War I. Blending oral storytelling traditions with the gritty, day-to-day, journalistic horror of life in the trenches, David Diop's *At Night All Blood is Black* is a dazzling tale of a man's descent into madness.

THE EAGLE HAS LANDED is probably the greatest World War II story ever written. Operation Eagle was to be the most daring enemy mission of the entire war. Himmler planned to kidnap Churchill on British soil in November 1943. But in that remote corner of Norfolk, an elite unit is also put together to begin the countdown to the invasion. A brilliant adventure in which the reader's sympathies are enlisted as much for the German heroes as for the English defenders.
