BRIGHT MARITZA

The Tao of Psychology

Simon and
Schuster

How to
enhance well-
being by
reconnecting
to sacred
womanhood •
Shares ways
to embody the
power,
wisdom, and
compassion of
the Great
Mother •
Reveals a
woman's
purpose is to
give birth not
only to new
life but also to
new levels of
consciousness
• Shows how

female
illnesses
represent a
disconnection
from our true
identity as
women Four
thousand
years ago,
women were
seen as living
representative
s of the Great
Mother, whose
cyclical and
potent energy
gave birth to
all existence.
Today, this
sacred
awareness has
been lost or
distorted,
causing a
collective
amnesia
among women
around the
world.
However,
there is one
symbol of the

Great
Mother's
loving
presence that
has remained
unchanged for
tens of
thousands of
years: the
physical body.
Its curves,
sensuality,
softness, and
monthly flow
are constant
reminders of
this deep
loving
connection.
When illness
appears,
especially
within the
breasts and
fertility
organs, a
woman is
being
reminded to
return to her
pure and
sacred

identity, where death and birth are essential for growth and love flows without expectations. Combining more than 30 years' experience in health care with in-depth research into the history and mythology of the divine feminine, Christine R. Page, M.D., reveals that women are the foundation of the birth of new levels of consciousness, without which the evolution of humanity will

become barren and dry. Yet, such birth can occur only when women have the courage to reject the beliefs and images of the feminine imposed upon them four thousand years ago and reclaim their true identity. Through a fascinating journey into the body, Dr. Page shows the importance of self-love and self-respect and explains how sex is a natural process of unification

where women take the lead, similar to the ancient sacred priestesses. Dr. Page reminds women to reconnect to the potent and creative energy of Mother Earth, which gives power to the intuitive voice of the heart and nurtures new seeds of inspiration and enlightenment through the womb. *Gods in Everyman* Monkfish Book Publishing Shows how the figure of Mary has shaped and

been shaped by changing social and historical circumstances and why for all their beauty and power, the legends of Mary have condemned real women to perpetual inferiority.

The Goddess Solution

Harper San Francisco
A masterful epic of magic, politics, war, and the power of love and hate—from the renowned author of *The Fionavar Tapestry* and *Children of Earth and Sky*. Tigana is the magical story

of a beleaguered land struggling to be free. It is the tale of a people so cursed by the black sorcery of a cruel despotic king that even the name of their once-beautiful homeland cannot be spoken or remembered.. . But years after the devastation, a handful of courageous men and women embark upon a dangerous crusade to overthrow their conquerors and bring

back to the dark world the brilliance of a long-lost name... Tigana . Against the magnificently rendered background of a world both sensuous and barbaric, this sweeping epic of a passionate people pursuing their dream is breathtaking in its vision, changing forever the boundaries of fantasy fiction. *The Healing Power of the Sacred Woman* Fisher King Press
In its original edition, this culmination of

Jean Shinoda Bolen's life's work sold over 25,000 copies. Now in paperback for the first time Urgent Message from Mother is a call to action for all the women of the world. This unique combination of visionary thinking and practical how-to seeks to galvanize the power of women acting together in order to save our world. Bolen outlines the lessons we can learn from the women's movement, draws on

Jungian psychology and the sacred feminine, and gives powerful examples of women coming together all over the globe and making a significant impact. Goddesses in Everywoman Penguin Learn about the ancient goddesses and how they can empower you, guide you, and help you achieve your own life goals. From Greek and Roman to Nordic mythology, the goddesses

often take center stage. Each goddess possesses her own strengths and traits that every woman can draw on for daily inspiration and guidance in their own life's journey. In Find Your Goddess, you'll learn the mythical origins of these powerful female figures and how their stories relate to modern times. From Aphrodite, the Greek goddess of love and fertility, to Kuan Yin, the Chinese

goddess of mercy and compassion, you'll discover the history of each unique goddess and how they can manifest their virtues into your own life. Whether you're looking for guidance in relationships, your career, personal development, or physical and emotional wellness, Find Your Goddess can help you identify and draw strength from the ancient wisdom of famous goddesses. Call on the

power of divine femininity and let your own goddess shine!

Tigana Hay House, Inc
Jean Shinoda Bolen's celebrated work of female psychology that uses seven archetypical goddesses to describing behavior patterns and personality traits, as relevant and timeless today as when it was first published thirty years ago. Myths are fascinating stories that

become even more intriguing when we realize that they can reveal intimate truths about ourselves and others. Jean Shinoda Bolen brings the Greek pantheon to life as our inner archetypes and applies the power of myth to our personal lives. Once we understand the natural progression from myth to archetype to personal psychology, and realize that positive

gifts and negative tendencies are qualities associated with a particular goddess within, we gain powerful insights. Depending on which goddess is more active within, one woman might be more committed to achieving professional success, while another more fulfilled as a wife and mother. From the autonomous Artemis and the cool Athena to the nurturing Demeter and

the creative Aphrodite, she teaches women how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better “heroine” in their own life story.

Magical Women

Harper In ancient times, the Greeks created the gods and goddesses to represent the various personalities of human nature. In

Gods and Goddesses in Love, Agapi Stassinopoulou tells the stories of the primary goddesses and gods, and how their myths can provide insight into your own romantic relationships. Included are two fun and fascinating quizzes: one for women to determine their own dominant personality type and which goddess she most embodies; and a second that will help every woman

understand more about the "god" she is involved with, or searching for. In the book, the seven archetypal goddesses are portrayed in modern terms, highlighting not only each goddess's unique strengths but also the pitfalls or stumbling blocks she is likely to encounter in a relationship with her partner. Also included are interviews with real couples who reveal how they

overcame obstacles to find true love. For anyone who desires the self-knowledge and empowerment to find their ideal other, *Gods and Goddesses in Love* is an uplifting, instructive, and enlightening guide for achieving greater fulfillment in love. **Artemis**

Bolen's

extraordinary memoir celebrates the pilgrimage that heralded her spiritual awakening and leads readers down the path of self-discovery. In this account of her journey to Europe **Labor Like a Goddess**
Penguin
A classic work of female psychology that uses seven archetypal goddesses as a way of describing behavior patterns and personality traits is being introduced to the next

generation of readers with a new introduction by the author. Psychoanalyst Jean Bolen's career soared in the early 1980s when *Goddesses in Everywoman* was published. Thousands of women readers became fascinated with identifying their own inner goddesses and using these archetypes to guide themselves to greater self-esteem, creativity, and

happiness. Bolen's radical idea was that just as women used to be unconscious of the powerful effects that cultural stereotypes had on them, they were also unconscious of powerful archetypal forces within them that influence what they do and how they feel, and which account for major differences among them. Bolen believes that an understanding of these inner patterns and their

interrelationships offers reassuring, true-to-life alternatives that take women far beyond such restrictive dichotomies as masculine/feminine, mother/lover, careerist/housewife. And she demonstrates in this book how understanding them can provide the key to self-knowledge and wholeness. Dr. Bolen introduced these patterns in the guise of seven archetypal

goddesses, or personality types, with whom all women could identify, from the autonomous Artemis and the cool Athena to the nurturing Demeter and the creative Aphrodite, and explains how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better "heroine" in one's own life story.

--	--	---

Mother. At the final gate, she must surrender to the ultimate sacrifice—spiritual death—so she can be reborn into motherhood. Each gate perfectly illustrates the 7 emotional, psychological, and often subconscious sacrifices that every laboring woman experiences, whether willingly or not. This book is a guide to help pregnant women understand birth as a divine journey and master how to walk

through each gate with empowered sacrifice, purpose, and zeal through tools, rituals, and integrative practices. [Goddesses in Everywoman: Thirtieth Anniversary Edition](#) Penguin
At some point after fifty, every woman crosses a threshold into the third phase of her life. As she enters this uncharted territory -- one that is generally uncelebrated in popular culture -- she

can choose to mourn what has gone before, or she can embrace the juicy-crone years. In this celebration of Act Three, Jean Shinoda Bolen, Jungian analyst and bestselling author of *Goddesses in Everywoman*, names the powerful new energies and potentials -- or archetypes -- that come into the psyche at this momentous time, suggesting that women getting older have profound and exciting

reasons for welcoming the other side of fifty.

centuries that

when you follow the path of Shakti — the sacred feminine principle personified by the goddesses of yoga — these gifts can manifest spontaneously. Yet most of us, women as well as men, have yet to experience the full potential of our inner feminine energies. In *Awakening Shakti*, you will learn how to recognize and invite: • Kali, bringer of strength, fierce love, and untamed freedom •

Lakshmi, who confers prosperity and beauty • Saraswati, for clarity of communication and intuition • Radha, who carries the divine energy of spiritual longing • Bhuvaneshvari, who creates the space for sacred transformation • Parvati, to awaken creativity and the capacity to love With a wealth of meditations, visualizations, mantras, teachings, and beautifully told stories, *Awakening Shakti*

provides a practical guide for activating the currents of the divine feminine in every aspect of your life. Sally Kempton has been studying and teaching the wisdom of yoga for 45 years. A highly regarded teacher of meditation and spiritual philosophy, she writes the popular Yoga Journal column "Wisdom." Sally teaches retreats, teleclasses and workshops internationally. She resides

in Carmel Valley, California. Illustrator Ekabhumi Charles Ellik is a poet, artist, husband, student, and teacher of Classical Tantric Hatha Yoga. A student of Nepalese master painter Dinesh Charan, he also studied painting in the lineage of Harish Johari. Like a Tree Harper Paperbacks More Than 1,000 Goddesses & Heroines from around the World Groundbreaki

ng scholar Patricia Monaghan spent her life researching, writing about, and documenting goddesses and heroines from all religions and all corners of the globe. Her work demonstrated that from the beginning of recorded history, goddesses reigned alongside their male counterparts as figures of inspiration and awe. Drawing on anthropology, folklore, literature, and

psychology, Monaghan's vibrant and accessible encyclopedia covers female deities from Africa, the eastern Mediterranean, Asia and Oceania, Europe, and the Americas, as well as every major religious tradition.

Water Goddess

Simon and Schuster At some point after fifty, every woman crosses a threshold into the third phase of her life. As she enters this uncharted

territory -- one that is generally uncelebrated in popular culture -- she can choose to mourn what has gone before, or she can embrace the juicy crone years. In this celebration of Act 3, Jungian analyst Jean Shinoda Bolen names the powerful new energies and potentials, or archetypes, that come into the psyche at this momentous time, suggesting that women getting older have profound and exciting

reasons for welcoming the other side of fifty. As Bolen has explained in her remarkable body of work, there are goddesses in every woman, deep archetypal sources of wisdom, authenticity and spirituality that, once tapped, energize us and give us a sense of meaning and self-acceptance. The knowledge of which archetypes are active within us at

each phase of life—maiden, mother (or matron), and crone—supports us in making choices that are true to who we are instead of conforming to others' ideas of who we should be. In Bolen's bestselling *Goddesses in Everywoman*, the classic work of the women's spirituality movement, the Greek goddesses personified these archetypes as they affected the first two phases of a woman's adult

life. Now she explains that in the third stage, marked physiologically by menopause, there emerges a whole new cast of inner archetypes that a woman can draw on for guidance, creativity, personal integration, and joy. Once we learn to recognize these forces, we can feel empowered and wise, introspective and spiritual, sexually bold and full of mirth. For it is in the "wisewoman" years, when a

woman has lived long enough to resolve the tasks of younger and middle adulthood, that she can fully and authentically become who she deeply is. The generation of women who are approaching or who have reached the crone years is historically unique. Influenced by the women's movement, they have benefited from educational opportunities, women's support

networks, and economic resources as excellent preparation for decades of active postmenopausal life. By recognizing the goddess archetypes that emerge in this phase, women of this special generation will be enabled to transform the crone years into the best years of their lives.

Brotherhood of Saints

Simon and Schuster
A weaver is initiated into the ancient art of bringing a

universe into existence. A demon hunter encounters an unlikely opponent. Four goddesses engage in a cosmic brawl. A graphic designer duels with a dark secret involving a mysterious tattoo. A defiant chudail makes a shocking announcement at a kitty party. A puppet seeking adventure discovers who she really is. A young woman's resolute choice leads

her to haunt Death across millennia. . . A compelling collection of stories that speak of love, rage, rebellion, choices and chances, Magical Women brings together some of the strongest female voices in contemporary Indian writing. Combining astounding imagination with superlative craft, these tales will intrigue and delight in equal measure.
