Great  
teammates  
don't just  
impact you  
today; they  
impact you for

the rest of your life. From the moment Jon Gordon heard about George Boiardi and the Hard Hat he was intrigued and captivated. Over the years he visited George's coaches, attended several "21 Dinners" held in his honor, met his family, talked to his teammates and observed how he inspired all who knew him. The Hard Hat is an unforgettable true story about a

selfless, loyal, joyful, hard-working, competitive, and compassionate leader and teammate, the impact he had on his team and program and the lessons we can learn from him. The book features: A True Story about George Boiardi, his Team and their Legacy. 21 Lessons to be a Great Teammate Insights from George's Teammates and Coaches that Bring the Lessons to Life. 21 Exercises to

help you Build a Great Team Infused with practical insights and life changing lessons, The Hard Hat will inspire you to be the best teammate you can be and to build a great team. \*100% of author's royalties go to support the Mario St. George Boiardi Foundation [How To Win Friends And Influence People](#) Simon and Schuster A smart and funny book by a prominent Harvard psychologist, which uses

groundbreaking research and (often hilarious) anecdotes to show us why we're so lousy at predicting what will make us happy - and what we can do about it. Most of us spend our lives steering ourselves toward the best of all possible futures, only to find that tomorrow rarely turns out as we had expected. Why? As Harvard psychologist Daniel Gilbert explains, when people

try to imagine what the future will hold, they make some basic and consistent mistakes. Just as memory plays tricks on us when we try to look backward in time, so does imagination play tricks when we try to look forward. Using cutting-edge research, much of it original, Gilbert shakes, cajoles, persuades, tricks and jokes us into accepting the fact that happiness is

not really what or where we thought it was. Among the unexpected questions he poses: Why are conjoined twins no less happy than the general population? When you go out to eat, is it better to order your favourite dish every time, or to try something new? If Ingrid Bergman hadn't gotten on the plane at the end of Casablanca, would she and Bogey have been better off? Smart, witty, accessible and

laugh-out-loud funny, Stumbling on Happiness brilliantly describes all that science has to tell us about the uniquely human ability to envision the future, and how likely we are to enjoy it when we get there.

This delightful story about an adorable little girl caring for her dolls makes for a perfect read-aloud this Mother's Day!

We spend the day in her charming company as she cares for her dolls, treats their ills, gives them a tea party, feeds them dinner, and puts them to bed.

Beautifully illustrated, this is a classic Little Golden Book.

*Stumbling on Happiness*  
John Wiley & Sons

An inspiring story with lessons on teamwork—written for kids, but valuable to everyone  
Adapted from Jon Gordon's bestseller *The*

Hard Hat, *The Hard Hat for Kids* is an inspiring story that teaches children how to be a great teammate. An engaging tale that resonates with all children, the *10 Ways to be a Great Teammate* and the "We before Me" philosophy, make this book an enjoyable read and an invaluable teaching tool for coaches, teachers, and parents. *The Hard Hat for Kids* presents practical insights and life-changing

lessons that are immediately applicable to everyday situations, giving kids—and adults—a new outlook on cooperation, friendship, and the selfless nature of true teamwork. Mickey is a spunky talented basketball lover who has always dreamed about playing on her school's team. On the first day of practice, she learns of a special award given to the

best teammate—and soon discovers that there is a big difference between being the best player and being the best teammate. What follows is an unforgettable story about selflessness, loyalty, hard work, and compassion, and a clear lesson on putting the team first. Author Jon Gordon is a renowned storyteller with a knack for making life lessons stick. For this book he has

teamed up with Dr. Lauren Gallagher, a school psychologist and mental skills coach who shares her passion for bringing valuable lessons to children in a way that is fun and educational. Fittingly, Dr. Gallagher is also the wife of Jon's college lacrosse teammate at Cornell University where the Hard Hat tradition began. This book continues

Jon's unique way of merging everyday wisdom with practical advice to make you better at everything that you do. The Hard Hat for Kids tells a moving story of teamwork and friendship which is sure to be enjoyed by families, sports teams, and classrooms of children everywhere.

**Sleep to Win!** John Wiley & Sons "We're going to raise traders just like they raise turtles in

Singapore." So trading guru Richard Dennis reportedly said to his long-time friend William Eckhardt nearly 25 years ago. What started as a bet about whether great traders were born or made became a legendary trading experiment that, until now, has never been told in its entirety. Way of the Turtle reveals, for the first time, the reasons for the success of the secretive

trading system used by the group known as the "Turtles." Top-earning Turtle Curtis Faith lays bare the entire experiment, explaining how it was possible for Dennis and Eckhardt to recruit 23 ordinary people from all walks of life and train them to be extraordinary traders in just two weeks. Only nineteen years old at the time-the youngest Turtle by far-Faith traded the largest account,

making more than \$30 million in just over four years. He takes you behind the scenes of the Turtle selection process and behind closed doors where the Turtles learned the lucrative trading strategies that enabled them to earn an average return of over 80 percent per year and profits of more than \$100 million. You'll discover How the Turtles made money-the principles that guided

their trading and the step-by-step methods they followed Why, even though they used the same approach, some Turtles were more successful than others How to look beyond the rules as the Turtles implemented them to find core strategies that work for any tradable market How to apply the Turtle Way to your own trades-and in your own life Ways to diversify your trading and

limit your exposure to risk Offering his unique perspective on the experience, Faith explains why the Turtle Way works in modern markets, and shares hard-earned wisdom on taking risks, choosing your own path, and learning from your mistakes. *Way of the Turtle: The Secret Methods that Turned Ordinary People into Legendary Traders* John Wiley & Sons The world is virtual, but

the danger is real in book one of the bestselling Mortality Doctrine series, the next phenomenon from the author of the Maze Runner series, James Dashner. Includes a sneak peek of The Fever Code, the highly-anticipated conclusion to the Maze Runner series—the novel that finally reveals how the maze was built! The VirtNet offers total mind and body immersion,

and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he

accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever. The author who brought you the #1 New York Times bestselling MAZE RUNNER series and two #1 movies—The Maze Runner and The Scorch Trials—now

brings you an electrifying adventure trilogy an edge-of-your-seat adventure that takes you into a world of hyperadvanced technology, cyber terrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Praise for the Bestselling MORTALITY DOCTRINE series: “Dashner takes full advantage of the Matrix-esque potential for asking ‘what

is real.’” —io9.com “Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner’s hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author.” —MTV.com “A brilliant, visceral, gamified mash-up of The Matrix and Inception, guaranteed to thrill even the non-gaming crowd.” —Christian Science Monitor

*Who* John Wiley & Sons  
In this instant New York Times Bestseller, Geoff Smart and Randy Street provide a simple, practical, and effective solution to what The Economist calls “the single biggest problem in business today”: unsuccessful hiring. The average hiring mistake costs a company \$1.5 million or more a year and countless wasted hours. This statistic becomes even more startling

when you consider that the typical hiring success rate of managers is only 50 percent. The silver lining is that “who” problems are easily preventable. Based on more than 1,300 hours of interviews with more than 20 billionaires and 300 CEOs, Who presents Smart and Street’s A Method for Hiring. Refined through the largest research study of its kind ever

undertaken, the A Method stresses fundamental elements that anyone can implement—and it has a 90 percent success rate. Whether you’re a member of a board of directors looking for a new CEO, the owner of a small business searching for the right people to make your company grow, or a parent in need of a new babysitter, it’s all about Who. Inside you’ll learn how to • avoid common

“voodoo hiring” methods • define the outcomes you seek • generate a flow of A Players to your team—by implementing the #1 tactic used by successful businesspeople • ask the right interview questions to dramatically improve your ability to quickly distinguish an A Player from a B or C candidate • attract the person you want to hire, by emphasizing the points the

candidate cares about most in business, you are who you hire. In *Who*, Geoff Smart and Randy Street offer simple, easy-to-follow steps that will put the right people in place for optimal success. Training Camp John Wiley & Sons A wide-ranging look at the allure and changing significance of work. With seductions, misunderstandings, and misinformation everywhere, this

immensely readable book calls for a new contract--with ourselves. Drawing from history, mythology, literature, pop culture, and practical experience, Ciulla probes the many meanings of work or its meaninglessness and asks: Why are so many of us letting work take over our lives and trying to live in what little time is left? What has happened to the old, unspoken contract between

worker and employer? Why are young people not being disloyal when they regularly consider job-changing? Employers can't promise as much to workers as before. Is that because they promise so much to stockholders? Why are there mass layoffs and "downsizing" in a time of unequaled corporate prosperity? And why are the most common lies in business about satisfactory

employee performance? The traditional contract between employers and employees is over. This thoughtful and provocative study shows how to replace it by the one we make with ourselves.

Sentenced to sixty-five years in a Texas prison, Damon West once had it all. He came from a great family, in a home full of God, love, support, and opportunities to reach any

goal. A natural born leader, an athlete with good looks and charm, he appeared to be the all-American kid pursuing his dreams. Underneath this facade, however, was an addict in the early stages of disease. After suffering childhood sexual abuse by a babysitter at the age of nine, Damon began putting chemicals into his body to alter the way he felt. Once he was introduced to

methampheta mines, however, he became instantly hooked—and the lives of so many innocent people would forever be changed by the choices he made in order to feed his insatiable meth habit. After a fateful discussion during his incarceration with a seasoned convict, Damon had a spiritual awakening. He learned that, like a coffee bean changing with the application of

heat and pressure, he was capable of changing the environment around him. Armed with a program of recovery, a renewed faith, and a miraculous second chance at life, Damon emerged from over seven years of prison a changed man. His story of redemption continues to inspire audiences today.

Chicago Review Press  
You Are the Team is a book that will

easily and dramatically improve the way your team works together by literally changing the heart and mind of every member of your team. It's a book for you, your team and entire organization. Many leaders struggle with getting members of their team to help and assist each other; to be direct, candid and respectful in their communication; to actively participate in meetings-

providing ideas and passionately discussing important topics; to trust each other; to stop engaging in negative talk and even gossip; and to take accountability for their job and performance... to name just a few. You Are the Team combats the "Teammate Me Culture," which is when members of the team care more about their own needs than the team's needs. It inspires teammates to:

*Serve each other	*Extend more kindness	team improve
*Put others and the team first	*Seek to understand teammates first before reacting	by teammates implementing even just a couple of these concepts? You
*Tell the truth and be transparent	*Demonstrate greater empathy towards teammates	Are the Team is both engaging and practical.
*Keep commitments	*Get it done and then some	Author Michael Rogers uses a variety of entertaining stories to highlight the concepts in the book.
*Be direct and honest in discussions	*Improve personal focus on goals	Introspective questions are at the end of each section to help teammates reflect on how they are currently applying each of the important
*Take accountability	*Bring solutions, not problems	
*Learn from mistakes	*Invest in personal development	
*Seek honest feedback from teammates	*Inspire and lead	
*Improve personal gratitude	Would you agree that the above actions improve teamwork? Could your	
*Refrain from negativity and gossip		
*Compliment teammates more frequently		
*Celebrate teammates successes		

team concepts. The end of the book includes an assessment with 27 questions to gauge the overall effectiveness of teammates. Becoming a successful team begins with teammates who want to provide more value than they receive. *You Are the Team* was written to help members of teams understand the value they bring. Order a copy for you, for your team, for your entire

organization. Michael has over 20 years of experience working with teams in business, sports, and a variety of volunteer organizations. One common theme in his consulting work has been that the best teams are made up of teammates who are committed to and invested in their team and its outcomes. He has found, without exception, that teams consisting of teammates who regularly

practice his 6 B's of selflessness, trustworthiness, humbleness, positivity, respectfulness, and greatness achieve extraordinary teamwork. When Michael sat down to write *You Are the Team*, he wanted to write a book that could be easily understood by anyone reading it, a book that was inspiring-even life changing, a book that was engaging and a book that could be quickly

applied by every member of the team. Many are finding that he did just that. Are you a leader who wishes you could get your team to work together better? Are you a leader who needs to boost results? Are you a leader who wishes your team cared more about their work and the outcomes of the team? You Are the Team is that one book that will change your team and organization long term.

John Wiley & Sons  
Discover the benefits of being positive. We all have two dogs inside of us. One dog is positive, happy, optimistic, and hopeful. The other dog is negative, mad, sad, pessimistic, and fearful. These two dogs often fight inside us, but guess who wins the fight? The one you feed the most. So begins the story about a negative mutt named Matt and a big dog

named Bubba who teaches him how to feed himself with positivity each day and in the process Matt transforms his own life and the shelter they call home. The Positive Dog is an inspiring, heartwarming story that not only reveals the strategies and benefits of being positive but also an essential truth for humans: Being positive doesn't just make you better. It makes everyone around you

better.

Miami Heat and the greatest beach volleyball team of all time to Navy SEAL's, Marching bands, Southwest Airlines, USC and UVA Tennis, Twitter, Apple and Ford, Jon shares innovative strategies to transform a group of individuals into a united, positive and powerful team. Jon not only infuses this book with the latest research, compelling stories, and

strategies to maintain optimism through adversity... he also shares his best practices to transform negativity, build trust (through his favorite team building exercises) and practical ways to have difficult conversations—all designed to make a team more positive, cohesive, stronger and better. The Power of a Positive Team also provides a blueprint for addressing common pitfalls that

cause teams to fail—including complaining, selfishness, inconsistency, complacency, unaccountability—while offering solutions to enhance a team's creativity, grit, innovation and growth. This book is meant for teams to read together. It's written in such a way that if you and your team read it together, you will understand the obstacles you will face and what you must do to become a

great team. If you read it together, stay positive together, and take action together you will accomplish amazing things TOGETHER. Charting the World Harper Collins NFL head coach Mike Smith lead one of the most remarkable turnarounds in NFL history. In the season prior to his arrival in 2008, the Atlanta Falcons had a 4-12 record and the franchise had

never before achieved back-to-back winning seasons. Under Smith's leadership, the Falcons earned an 11-5 record in his first season and would go on to become perennial playoff and Super Bowl contenders earning Smith AP Coach of year in 2008 and voted Coach of Year by his peers in 2008, 2010 and 2012. You Win in the Locker Room First draws on the extraordinary experiences of

Coach Mike Smith and Jon Gordon—consistent to numerous college and professional teams—to explore the seven powerful principles that any business, school, organization, or sports team can adopt to revitalize their organization. Step by step, the authors outline a strategy for building a thriving organization and provide a practical framework that give leaders the tools they

need to create a great culture, lead with the right mindset, create strong relationships, improve teamwork, execute at a higher level, and avoid the pitfalls that sabotage far too many leaders and organizations. In addition to sharing what went right with the Falcons, Smith also transparently shares what went wrong his last two seasons and provides invaluable lessons leaders can

take away from his victories, success, failures and mistakes. Whether it's an executive leadership team of a Fortune 500 company, a sports team, an emergency room team, military team, or a school team successful leaders coach their team and develop, mentor, encourage, and guide them. This not only improves the team, it improves the leaders and their relationships,

connections, and organization. You Win in the Locker Room First offers a rare behind-the-scenes look at one of the most pressure packed leadership jobs on the planet and what leaders can learn from these experiences in order to build their own winning team. *Mediated Post Hill Press* As soon as early humans began to scratch images on cave walls, they began to create maps.

And while these first drawings were used to find hunting grounds or avoid danger, they later developed into far more complex navigational tools. Charting the World tells the fascinating history of maps and mapmaking, navigators and explorers, and the ways that technology has enhanced our ability to understand the world around us. Richly illustrated with full-color

maps and diagrams, it gives children an in-depth appreciation of geographical concepts and principles and shows them how to unlock the wealth of information maps contain. It also features 21 hands-on activities for readers to put their new skills to the test. Children will: build a three-dimensional island model using a contour map, engrave a simple map on an aluminum &“printing

plate,&” determine the elevation of hills in their neighborhood, draw a treasure map and have a friend search for the hidden stash, create a nautical chart of a small puddle, survey their backyard or local park, navigate a course using a compass, and much more. Now more than ever, the study of geography is crucial to understanding our ever-changing planet, from political change and warfare to

environmental conservation and population growth.

Little Mommy Golden Books Build a stronger team with this illustrated fable From bestselling author Jon Gordon and coauthor Kate Leavell, Stick Together delivers a crucial message about the power of belief, ownership, connection, love, inclusion, consistency, and hope. The authors guide individuals

and teams on an inspiring journey to show them how to persevere through challenges, overcome obstacles, and create success together. Stick Together follows Coach David, a high school basketball coach looking to motivate his team for the new season. The team members are given sticks with words written on them and tasked with a number of missions: To find another

player with the same word written on their stick To explain why that word is important for a team to be their best To render their sticks unbreakable As the players work together to complete their tasks, they discover how to make their team stronger and create an unbreakable bond. Perfect for student athletes and teams in all industries including business, education, healthcare, and nonprofit,

and for readers of all ages, *Stick Together* will resonate with anyone looking to improve their team performance and excel in a group environment.

From kittens to stars to yarn, there are so many things that can be found in the great green room. Search for them all as you learn your ABCs. This comforting alphabet book links words and phrases with familiar

images from everyone's favorite bedtime book, *Goodnight Moon*.

**Book Scavenger**  
John Wiley & Sons  
A New York Times-Bestseller! For twelve-year-old Emily, the best thing about moving to San Francisco is that it's the home city of her literary idol: Garrison Griswold, book publisher and creator of the online sensation *Book Scavenger* (a game where books are

hidden in cities all over the country and clues to find them are revealed through puzzles). Upon her arrival, however, Emily learns that Griswold has been attacked and is now in a coma, and no one knows anything about the epic new game he had been poised to launch. Then Emily and her new friend James discover an odd book, which they come to believe is from Griswold

himself, and might contain the only copy of his mysterious new game. Racing against time, Emily and James rush from clue to clue, desperate to figure out the secret at the heart of Griswold's new game—before those who attacked Griswold come after them too. This title has Common Core connections. [The Positive Dog Penguin](#) Eat Right, Swim Faster is the ultimate nutrition

resource for competitive swimmers of all ages. It is a smartly written book of highly practical and very accessible information for swimmers interested in what food can do for them in their pursuit of maximum performance in the water. Rather than insisting that readers wade through a tangle of highly technical terminology, Eat Right, Swim Faster provides an abundance of sound,

practical advice, in a straightforward, non-academic tone. Eat Right, Swim Faster draws on the very latest sports nutrition research as well as the very personal experience of the author—a registered dietitian, sports nutritionist, swim coach, athlete, and mother of three competitive swimmers. Readers can therefore be confident they're receiving the smartest,

most up-to-date information on the foods and drinks that will serve them—and their swimming performance—best. The Working Life John Wiley & Sons Bestselling author Jon Gordon returns with his most inspiring book yet—filled with powerful lessons and the greatest success strategies of all. Michael wakes up in the hospital with a bandage on his head and

fear in his heart. The stress of building a growing business, with his wife Sarah, caused him to collapse while on a morning jog. When Michael finds out the man who saved his life is a Carpenter he visits him and quickly learns that he is more than just a Carpenter; he is also a builder of lives, careers, people, and teams. As the Carpenter shares his wisdom, Michael attempts to save his

business in the face of adversity, rejection, fear, and failure. Along the way he learns that there's no such thing as an overnight success but there are timeless principles to help you stand out, excel, and make an impact on

people and the world. Drawing upon his work with countless leaders, sales people, professional and college sports teams, non-profit organizations and schools, Jon Gordon shares an entertaining and

enlightening story that will inspire you to build a better life, career, and team with the greatest success strategies of all. If you are ready to create your masterpiece, read *The Carpenter* and begin the building process today.
