Amazon.co.uk: Customer reviews: In the Wake: On Blackness ... Taking into account the many definitions and resonances of the word, "wake"—"the keeping watch with the dead, the path of a ship, a consequence of something, in the line of flight and/or sight, awakening, and consciousness"—Sharpe explores what might happen if we understand Black being in the wake as "a form of consciousness." MAKE Literary Productions, NFP | In the Wake: On Blackness ... In the weather, Sharpe situates anti-Blackness and white supremacy as the total climate that produces premature Black death as normative. Formulating the wake and "wake work" as sites of artistic production, resistance, consciousness, and possibility for living in diaspora, In the Wake offers a way forward. In the Wake: On Blackness and Being – oneKIN Christina Sharpe's In the Wake is a painfully beautiful analysis of Blackness and the myriad ways black diasporic identities have transformed in the aftermath of the transatlantic slave trade. Sharpe makes a critical contribution to our understanding of the roots of slavery not as a singular historical event, but instead as a signifier of the ongoing colonial project that is anti-Blackness.
