"Lucy Barton is recovering slowly from what should have been a simple operation. Her mother, to whom she hasn't spoken for many years, comes to see her and a simple hospital visit becomes a portal to the most tender relationship of all--the one between mother and daughter"--

My Name is Lucy Barton Simon and Schuster

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

The Name Book Penguin

A novel in the bestselling quartet about two very different women and their complex friendship: "Everyone should read anything with Ferrante's name on it" (The Boston Globe). The follow-up to *My Brilliant Friend*, *The Story of a New Name* continues the epic New York Times–bestselling literary quartet that has inspired an HBO series, and returns us to the world of Lila and Elena, who grew up together in post-WWII Naples, Italy. In *The Story of a New Name*, Lila has recently married and made her entrée into the family business; Elena, meanwhile, continues her studies and her exploration of the world beyond the neighborhood that she so often finds stifling. Marriage appears to have imprisoned Lila, and the pressure to excel is at times too much for Elena. Yet the two young women share a complex and evolving bond that is central to their emotional lives and a source of strength in the face of life's challenges. In these Neapolitan Novels, Elena Ferrante, "one of the great novelists of our time" (The New York Times), gives us a poignant and universal story about friendship and belonging, a meditation on love and jealousy, freedom and commitment—at once a masterfully plotted page-turner and an intense, generous-hearted family saga. "Imagine if Jane Austen got angry and you'll have some idea of how explosive these works are." —The Australian "Brilliant . . . captivating and insightful . . . the richness of her storytelling is likely to please fans of Sara Gruen and Silvia Avallone." —Booklist (starred review)

In Her Name: Empire Pearson Education

Led by Commander Owen McClaren, the TNS Aurora is embarked on an extended survey mission, searching for new worlds that could support human life. Drawn to an uncharted star system by the discovery of potentially habitable planets, the crew of the Aurora discovers something entirely unexpected: the planets are

already inhabited, but not by humans. Approached by gigantic alien starships, Aurora's crew makes ready for humanity's very first contact with another sentient race. But nothing could prepare them for what fate has in store. For they have entered the domain of the Kreelan Empire, which has waited thousands of years to find another spacefaring race against which to wage war to honor their Empress. With all but one of the crew killed in bloody close combat, the aliens send Aurora home bearing the sole survivor: the Messenger, a young crewman who carries with him an alien artifact that is humanity's only sign of how much time remains until they are plunged into an interstellar war...
