[The Nesting Place](#) Simon and Schuster

"Laura Mucha has found the proof that love actually is all around."--Richard Curtis, writer and director of *Love, Actually* and *Notting Hill* For *Love Understood*, Laura Mucha has interviewed hundreds of strangers, from the ages of 8 to 95 in more than 40 countries, asking them to

share their most personal stories, feelings, and insights about love and relationships. These intimate and illuminating conversations raised important questions, such as: - How does your upbringing influence your relationships? - Does love at first sight exist? Should you "just know?" - What should you look for in a partner? - Is monogamy natural? - Why do people cheat? - How do you know when it's time to walk away? Drawing on psychology, philosophy, anthropology and statistics, *Love Understood* combines evidence, theory and everyday experience and is the perfect read for anyone who is curious about how we think, feel and behave when it comes to love.

[I'm Glad My Mom Died](#) Flatiron Books

"The Bean Trees is the work of a visionary. . . . It leaves you open-mouthed and smiling." — Los Angeles Times A bestseller that has come to be regarded as an American classic, *The Bean Trees* is the novel that launched Barbara Kingsolver's remarkable literary career. It is the charming, engrossing tale of rural Kentucky native Taylor Greer, who only wants to get away from her roots and avoid getting pregnant. She succeeds, but inherits a three-year-old Native American girl named Turtle along the way, and together, from Oklahoma to Arizona, half-Cherokee Taylor and her charge search for a new life in the West. Hers is a story about love and friendship, abandonment and belonging, and the discovery of

surprising resources in seemingly empty places. This edition includes a P.S. section with additional insights from the author, background material, suggestions for further reading, and more.

The Comic Strip Big Fat Book of Knowledge Simon and Schuster

Provides comic-illustrated introductions to a wide variety of subjects, from the microscopic world and the mythologies that shaped world cultures to the evolution of the planet and the secrets of the known universe.

Random Family Union Square & Co.

Animals abound in Dr. Seuss's Caldecott Honor-winning picture book *If I Ran the Zoo*. Gerald McGrew imagines the myriad of animals he'd have in his very own zoo, and the adventures he'll have to go on in order to gather them all. Featuring everything from a lion with ten feet to a Fizza-ma-Wizza-ma-Dill, this is a classic Seussian crowd-pleaser. In fact, one of Gerald's creatures has even become a part of the language: the Nerd!

The Single Parent's Guide to Love, Dating, and Relationships Simon and Schuster
After a break-up Little Debbies, chocolate, and the charity of friends could not

console, Dr. Duana Welch had the epiphany that transformed the way she lived her love life, leading to verifiable, objective answers to her questions-and yours. The only fact-based book to take men and women from before-you-meet until you commit, *Love Factually* blends heart, soul--and evidence. In a genre long on opinion and short on proof, *Love Factually* puts all the evidence in your corner for the most important and daunting task of our lives: finding and keeping The One.

Love Understood Simon and Schuster
Go to your next level now! A book for single parents.

True Love Penguin

A syndicated columnist and family psychologist outlines scripture-based principles for parents that recommend respect for others over self-esteem tactics, recommending a leadership approach to disciplinary methods that draws on traditional belief systems. 50,000 first printing.

After the Falls Vintage

The field of refugee family research and intervention forms a growing field of scientific study, focussing on the refugee

family as the central niche of coping with, and giving meaning to, trauma, cultural uprooting, and exile. This important new book develops an understanding of the role of refugee family relationships in post-trauma healing and provides an in-depth analysis of central clinical-therapeutic themes in refugee family psychosocial interventions. Expert contributions from across transcultural psychiatry, psychology, psychotherapy and social work have provided chapters on post-trauma reconstruction in refugee family relationships, trauma care for refugee families, and intersectorial psychosocial interventions with refugee families. This exploration of refugee family systems in both research and clinical practice aims to promote a systemic perspective in health and social services working with families in refugee mental health care.

When Parents Part HarperCollins

A NEW YORK TIMES NOTABLE BOOK •

From an award-winning journalist, a poignant and gripping immersion in the life of a young, homeless single mother amid her quest to find stability and shelter in the richest city in America
LONGLISTED FOR THE PEN/JEAN STEIN BOOK AWARD •

“Riveting . . . a remarkable feat of reporting.”—The New York Times
 Camila is twenty-two years old and a new mother. She has no family to rely on, no partner, and no home. Despite her intelligence and determination, the odds are firmly stacked against her. In this extraordinary work of literary reportage, Lauren Sandler chronicles a year in Camila’s life—from the birth of her son to his first birthday—as she navigates the labyrinth of poverty and homelessness in New York City. In her attempts to secure a safe place to raise her son and find a measure of freedom in her life, Camila copes with dashed dreams, failed relationships, the desolation of abandonment, and miles of red tape with grit, humor, and uncanny resilience. Every day, more than forty-five million Americans attempt to survive below the poverty line. Every night, nearly sixty thousand people sleep in New York City-run shelters, 40 percent of them children. In *This Is All I Got*, Sandler brings this deeply personal issue to life, vividly depicting one woman's hope and despair and her steadfast determination to change her life despite the myriad setbacks she encounters. *This Is All I Got* is a rare feat

of reporting and a dramatic story of survival. Sandler’s candid and revealing account also exposes the murky boundaries between a journalist and her subject when it becomes impossible to remain a dispassionate observer. She has written a powerful and unforgettable indictment of a system that is often indifferent to the needs of those it serves, and that sometimes seems designed to fail. Praise for *This Is All I Got* “A rich, sociologically valuable work that’s more gripping, and more devastating, than fiction.”—Booklist “Vivid, heartbreaking. . . . Readers will be moved by this harrowing and impassioned call for change.”—Publishers Weekly “A closely observed chronicle . . . Sandler displays her journalistic talent by unerringly presenting this dire situation. . . . An impressive blend of dispassionate reporting, pungent condemnation of public welfare, and gritty humanity.” —Kirkus Reviews
The Tender Bar Simon and Schuster
 Marriages may come and go, but parenthood is forever. But what if you could have both—a great family life, and a happy lifetime love? Enter *Love Factually*

For Single Parents [& Those Dating Them]—the first guide that relies on science instead of opinion to help this large and growing group of men and women find the right partner not only for themselves, but their families. From getting over your ex to finding time to date, and from finding your partner to blending families, the Single Parents edition of this popular book series paves the way so you win at lifetime love. *The Beauty of Intolerance* Harper Collins
 Are your children dating and experiencing the challenges of heartbreak? Perhaps they're wondering if their love partner could be the "One" and coming to you for advice? Or are they partnered with someone who you're convinced isn't right for them? The stakes are high and most importantly, you have the power to change your children's love relationships. At the same time, you can pave the road to a better lifelong relationship with your children. *Secrets To Surviving Your Children's Love Relationships* distills science-based information and presents it in the form of highly practical tips, scripts, and easy-to-understand approaches for guiding your children in choosing the kinds of healthy, happy relationships that can

make their lives more fulfilling. These positive, simple strategies will help you talk to your young adult children about relationships, regardless of their age and gender, as well as provide tips to examine your own relationships and interactions with other people so that you can model and provide positive examples for your children.

The Bean Trees Destiny Image Incorporated

"Raw and emotional, not a story of glory. But of empathy for the breed that calls themselves mothers." ★★★★★ A single mother's memoir, a story about starting over. Entries in the adventure of solo parenting. First heartbeats, and longing goodbyes. A personal journey of motherhood's beliefs to becoming one, Laikyn's experiences give light and comfort to the struggles that never seem to stop. From broken wrists, therapies, and the ultimate disaster of divorce. Being a single mother of 3 is exhausting, but her trio of heroes: Riddle, Wolfe, and little Lou, make it all worth the reward. Nobody wants to discuss setbacks, but we are tired of being silent, from holding our tongues. These are her chronicles of

support, proven to connect with mothers in all stages of life. An awe-inspiring collection of downfalls and hopeful redemption. Laikyn Meng's True Love book compels the reader to confront every day's hardships when being a single mother. Her book is encouraging and compassionate. +18 Mature Content and Explicit Language

If I Ran the Zoo Simon and Schuster

"An outstanding book. . . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for It's Perfectly Normal." —Booklist (starred review) How does a baby begin? What makes a baby male or female? How is a baby born? Children have plenty of questions about reproduction and babies—and about sex and sexuality, too. It's So Amazing! provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of It's Perfectly Normal, this forthright and funny book has been newly updated for its fifteenth

anniversary.

Working with Refugee Families RH Childrens Books

Explains life and death for all living things with illustrations about plants, animals and people.

Sex & the Single Parent Cambridge University Press

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education,

government, gender, and violence, on which differences between American regions are greater than between European nations.

My Heart Can't Even Believe It Mindful Publications

Create the home--and life--you've always wanted with the help of popular blogger and author of *Cozy Minimalist Home* Myquillyn Smith (The Nester) as she helps you free yourself to take risks and find beauty in imperfection. Myquillyn Smith is all about embracing reality--especially when it comes to decorating a home bursting with kids, pets, and all the unpredictable messes of life. In *The Nesting Place*, Myquillyn shares the secrets of decorating for real people--and it has nothing to do with creating a

flawless look to wow your guests and everything to do with making peace with the natural imperfection and joy of daily living. Drawing on her years of experience creating beauty in her 13 different homes and countless seasons of life, Myquillyn will show you how to think differently about the true purpose of your home, and simply and creatively tailor it to reflect you and your unique style--without breaking the bank. Full of simple steps, practical advice, and beautiful, full-color photos, *The Nesting Place* gives you the tools you need to: Cultivate a home that works for you and your family Transform your home into a place that's inviting and warm for family and friends Discover your own personal style There is beauty in embracing the lived-in, loved-on, and just-about-used-up aspects of our homes and our daily lives--let Myquillyn show you how. Praise for *The Nesting Place*: "This book made me look at every room in my house differently, with a new lens of creativity and beauty and possibility. It inspired me to reclaim my home as sacred space, ripe with opportunities to celebrate and create memories and moments." -- Shauna Niequist, *New York Times*

bestselling author of *Present Over Perfect* and *I Guess I Haven't Learned That Yet* "This highly personal account about embracing imperfection and finding contentment in your home is like sitting down with a good friend and talking about the stuff that really matters. *The Nesting Place* is full of approachable ideas, encouragement, and a whole lot of heart."

--Sherry Petersik, home blogger;

bestselling author of *Young House Love* **Love Actually for Single Parents** Houghton Mifflin Harcourt

"Over a decade after its publication, one book on dating has people firmly in its grip." —The *New York Times* We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist

John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability

to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually

warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.
