President
Obama "O"

Book Club pick
 Raised in
 South Carolina
 and New York,
 Woodson
 always felt
 halfway home
 in each place.
 In vivid
 poems, she
 shares what it
 was like to
 grow up as an
 African
 American in
 the 1960s and
 1970s, living
 with the
 remnants of
 Jim Crow and
 her growing
 awareness of
 the Civil
 Rights
 movement.
 Touching and
 powerful, each
 poem is both
 accessible and
 emotionally
 charged, each
 line a glimpse

into a child's
 soul as she
 searches for
 her place in
 the world.
 Woodson's
 eloquent
 poetry also
 reflects the
 joy of finding
 her voice
 through
 writing stories,
 despite the
 fact that she
 struggled with
 reading as a
 child. Her love
 of stories
 inspired her
 and stayed
 with her,
 creating the
 first sparks of
 the gifted
 writer she was
 to become.
 Includes 7
 new poems,
 including
 "Brown Girl
 Dreaming".

Praise for
 Jacqueline
 Woodson: A
 2016 National
 Book Award
 finalist for her
 adult novel,
 ANOTHER
 BROOKLYN
 "Ms. Woodson
 writes with a
 sure
 understanding
 of the
 thoughts of
 young people,
 offering a
 poetic,
 eloquent
 narrative that
 is not simply a
 story . . . but a
 mature
 exploration of
 grown-up
 issues and
 self-
 discovery."--

Shadowshaper

(The Shadowshaper Cypher, Book 1) Scholastic Inc.

A boy from North Carolina spends the summer in New York City visiting the neighborhood of Harlem, where his uncle, collage artist Romare Bearden, grew up. Includes a biographical sketch of Bearden and instructions on making a story collage. *Alvin Ailey's Embodiment of African American Culture* Simon and Schuster
Fleeing abusive

relatives and extreme poverty in Mexico, young Santiago endures being detained by ICE while crossing the border into the United States. Reading Comprehension Skills & Strategies Level 7 Grand Central Publishing
In this timely tale of immigration, two cousins learn the importance of family and friendship. A year of discoveries culminates in a performance full of

surprises, as two girls find their own way to belong. Mexico may be her parents' home, but it's certainly not Margie's. She has finally convinced the other kids at school she is one-hundred percent American—just like them. But when her Mexican cousin Lupe visits, the image she's created for herself crumbles. Things aren't easy for Lupe, either. Mexico hadn't felt like home since her father

went North to find work. Lupe's hope of seeing him in the United States comforts her some, but learning a new language in a new school is tough. Lupe, as much as Margie, is in need of a friend. Little by little, the girls' individual steps find the rhythm of one shared dance, and they learn what "home" really means. In the tradition of *My Name is Maria Isabel*—and simultaneously published in English and in

Spanish—Alma Flor Ada and her son Gabriel M. Zubizarreta offer an honest story of family, friendship, and the classic immigrant experience: becoming part of something new, while straying true to who you are.

The Earth Awakes

Little, Brown

Books for Young Readers
NATIONAL BESTSELLER • PEN/HEMINGWAY AWARD WINNER • One of The New York Times 10 Best Books of the Year • A wondrous and shattering novel that follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. Among them is Jacquie Red Feather, newly sober and

trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance

of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, *There There* is at once poignant and unflinching, utterly contemporary and truly unforgettable. *When I Went to the Library* Harpercollins Over the years the earth has moved many times under San Francisco. But it has been thirty-eight years since the last strong earthquake. People have forgotten how

bad it can be. But soon they will remember. Based on actual events of the 1906 San Francisco earthquake and told from the alternating perspectives of two young friends, the earth dragon awakes chronicles the thrilling story of the destruction of a city, and the heroes that emerge in its wake. *Breaking Through* Learning Express Llc This is the story of LSD told by a

concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmanns

powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now,

more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.

WALC 6 Simon and Schuster
Do you like playing in the sand? Most people love going to the beach. Sand goes everywhere, but it is clean and fun to play with. What do you like to do with sand?

Play Ball!
Yale University

Press
Jorge loved the feel of the ball in his glove, the bat in his hand, and the game of baseball. Day and night he would play with his sister, his father, and his friends. At night he dreamed of baseball. When he and his mother visit New York and he sees Yankee Stadium for the first time, he knows there is only one way to get there: work hard and play ball. Based on the childhood of New York

Yankees catcher Jorge Posada, this is the story of a boy from Puerto Rico who grew up to be a champion.

HarperCollins
José was a boy
with a song in
his heart and

a dance in his
step. Born in
Mexico in
1908, he
came into the
world kicking
like a steer,
and grew up
to love to
draw, play the
piano, and
dream. José's
dreaming took
him to
faraway
places. He
dreamed of
bullfighters
and the
sounds of the
cancan
dancers that
he saw with
his father.
Dance lit a fire
in José's soul.
With his heart
to guide him,
José left his
family and
went to New
York to dance.

He learned to flow and float and fly through space with steps like a Mexican breeze. When José danced, his spirit soared. From New York to lands afar, José Limón became known as the man who gave the world his own kind of dance. ¡OLÉ! ¡OLÉ! ¡OLÉ! Susanna Reich's lyrical text and Raúl Colón's shimmering artwork tell the story of a boy who was determined to make a difference in the world, and

did. José! Born to Dance will inspire picture book readers to follow their hearts and live their dreams.

Farewell to Manzanar

Red Rocket Readers Letters and journal entries from a visit to Antarctica, the windiest, coldest, most forbidding region on earth.

The Cardboard Kingdom

Vintage From the bestselling author of Blink and The Tipping Point, Malcolm Gladwell's

Outliers: The Story of Success overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software

billionaires to scientific geniuses, to show that the story of success is far more surprising, and far more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are - and that no one, not even a genius, ever makes it alone. Outliers will change the way you think about your own life story, and about what makes us all unique.

'Gladwell is not only a brilliant storyteller; he can see what those stories tell us, the lessons they contain' Guardian
 'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes seem like an impossible adventure' Observer
 'He is the best kind of writer - the kind who makes you feel like you're a genius, rather than he's a genius' The Times

The Forever War Harper Collins
 Discusses the use of leveled texts in kindergarten through eighth-grade classrooms, examines the "text base" needed for effective language literacy instruction, provides guidelines for creating a high-quality leveled book collection and matching books to readers, and explains how to analyze and level books.
